

prevention department; the state or territory rape prevention and education coordinator; a representative from the state sexual assault coalition; a representative from the state domestic violence coalition; a representative from the state justice agency; and a representative from the state education department. A description of the roles and responsibilities of the member organizations, methods for making decisions, etc. should be included. The extent to which the letters of support from these organizations are included in an Appendix and demonstrate that the applicant and the other collaborating organizations have established a "working partnership" (e.g., all will have active roles in the project).

c. Statement of Need (15 points)

The extent to which the applicant describes the state health agency's current level of activities related to VAW issues. The extent to which the applicant demonstrates the agency's commitment to planning and implementing effective and culturally competent initiatives addressing VAW, and its capacity to foster effective community collaborations to respond to emerging policy and program issues. Describe the outcome or product of the previous VAW funding received under PA 99136 and 00119 and the extent to which that process informs this proposal.

d. Evaluation (15 points)

The extent to which the applicant has provided Measures of Effectiveness that will demonstrate the accomplishment of the various identified objectives of the cooperative agreement. The extent to which these measures are objective/quantitative and measure the intended outcome.

The extent to which there is a feasible plan to disseminate the results of the assessment, planning and implementation activities to key stakeholders and to local communities.

e. Goals and Objectives (10 points)

The extent to which the project goals are relevant and the process or outcome objectives related to the assessment, planning and implementation activities are specific, achievable, measurable, time-linked and can be addressed through the proposed methods.

f. Budget (reviewed, not scored)

The extent to which the budget is reasonable, clearly justified, and consistent with state objectives and proposed activities described in this announcement.

g. Measures of Effectiveness (reviewed, but not scored)

Applicants are required to provide Measures of Effectiveness that will demonstrate the accomplishment of the

various identified objectives of the grant or cooperative agreement. Measures of Effectiveness must relate to the following NCIPC performance goals: (1) Reduce VAW and (2) enhance the capacity of states to implement effective rape prevention and education programs.

Measures must be objective and quantitative and must measure the intended outcome. These Measures of Effectiveness shall be submitted with the application and shall be an element of evaluation.

H. Other Requirements

Technical Reporting Requirements

Provide CDC with original plus two copies of—

1. Semi-annual progress reports (The progress report will include a data requirement that demonstrates measures of effectiveness).

2. Financial status report, no more than 90 days after the end of the budget period.

3. Final financial and performance reports, no more than 90 days after the end of the project period.

4. Applicants are required to provide Measures of Effectiveness that will demonstrate the accomplishment of the various identified objectives of the grant or cooperative agreement.

Send all reports to the Grants Management Specialist identified in the "Where to Obtain Additional Information" section of this announcement.

The following additional requirements are applicable to this program. For a complete description of each, see Attachment I of the application kit:

Notice of Meeting

The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) announces the following meeting.

Name: National Institute for Occupational Safety and Health (NIOSH), Standards Development Efforts for Full Facepiece Air-Purifying Respirators (APR) Used to Protect Emergency Response Workers Against Chemical, Biological, Radiological and Nuclear (CBRN) Agents.

Times and Dates: 1 p.m.—5 p.m., June 18, 2002. 9 a.m.—5 p.m., June 19, 2002.

Place: Sheraton Station Square, Pittsburgh, Pennsylvania.

Status: The meeting will be open to the public, limited only by the space available. The meeting room accommodates approximately 200 people.

Requests to make presentations at the public meeting should be mailed to the NIOSH Docket Officer, Robert A. Taft Laboratories, M/S C34, 4676 Columbia Parkway, Cincinnati, Ohio 45226, telephone (513) 533-8303, fax (513) 533-8285, or e-mailed to NIOCINDOCKET@CDC.GOV. All

requests to present should contain the name, address, and telephone number, relevant business affiliations of the presenter, a brief summary of the presentation, and the approximate time requested for the presentation. Oral presentations should be limited to 15 minutes. After reviewing the requests for presentations, NIOSH will notify each presenter of the approximate time that their presentation is scheduled to begin. If a participant is not present when their presentation is scheduled to begin, the remaining participants will be heard in order. At the conclusion of the meeting, an attempt will be made to allow presentations by any scheduled participants who missed their assigned times. Attendees who wish to speak but did not submit a request for the opportunity to make a presentation may be given this opportunity at the conclusion of the meeting, at the discretion of the presiding officer.

The U.S. Army Soldier and Biological Chemical Command (SBCCOM) and National Institute for Standards and Technology (NIST) plan to hold a related meeting on June 20, 2002 at the same location to discuss the development of chemical and biological personal protection equipment standards and guidelines (other than respirators). They are the lead agencies associated with the development of standards for personal protective equipment, other than respirators, against CBRN agents. For information concerning this June 20, 2002 meeting, please contact: Ms. Elaine Stewart-Craig, Edgewood Chemical Biological Center, SBCCOM, 5183 Blackhawk Road, Aberdeen Proving Ground, MD 21010-5424, ATTN: AMSSB-REN-HD-T, telephone 410-436-2102, fax 410-436-2998, and/or e-mail Elaine.stewartcraig@sbccom.apgea.army.mil.

Comments on the topics presented in this notice and at the meeting should be mailed to the NIOSH Docket Office, Robert A. Taft Laboratories, M/S C34, 4676 Columbia Parkway, Cincinnati, Ohio 45226, telephone 513-533-8303, fax 513/533-8285. Comments may also be submitted by e-mail to: NIOCINDOCKET@CDC.GOV. E-mail attachments should be formatted as WordPerfect 6/7/8/9, or Microsoft Word. Comments should be submitted to NIOSH no later than July 15, 2002, and should reference docket number, NIOSH-002, in the subject heading.

Purpose: The purpose of the meeting is to present concepts for proposed approval standards and testing processes for full facepiece Air-Purifying Respirators (APR) suitable for use by first responders against CBRN
