DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–4733–N–03]

Notice of Proposed Information Collection: Comment Request; CDBG Urban County Notice

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comments Due Date:* August 5, 2002.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent to: Shelia Jones, Reports Liaison Officer, Department of Housing and Urban Development, 451 7th Street, SW, Room 7232, Washington, DC 20410.

FOR FURTHER INFORMATION CONTACT: Sue Miller, Director, Entitlement Communities Division, (202) 708–1577 (this is not a toll-free number) for copies of the proposed forms and other available documents.

SUPPLEMENTARY INFORMATION: The Department is submitting the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper

performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Community Development Block Grant (CDBG) Urban County and New York Towns Qualification/Requalification Processes.

OMB Control Number, if applicable: 2506–0170.

Description of the need for the information and proposed use: The Housing and Community Development Act of 1974, as amended, at sections 102(a)(6) and 102(e) requires that any county seeking qualification as an urban county notify each unit of general local government within the county that such unit may enter into a cooperation agreement to participate in the CDBG program as part of the county. Section 102(d) of the statute specifies that the period of qualification will be three years. Based on these statutory provisions, counties seeking qualification or requalification as urban counties under the CDBG program must provide information to HUD on a triennial basis identifying the communities within the county participating as a part of the county for purposes of receiving CDBG funds. The population of included units of local government for each eligible urban county and New York town are used in HUD's allocation of CDBG funds for all entitlement and State CDBG grantees.

New York towns must undertake a similar process on a triennial basis because under New York state law, towns that contain incorporated units of general local government within their boundaries cannot qualify as metropolitan cities unless they execute cooperation agreements with *all* such incorporated units.

The New York towns qualification process must be completed prior to the qualification of urban counties so that any town that does not qualify as a metropolitan city will still have an opportunity to participate as part of an urban county.

Agency form numbers, if applicable: N/A.
