Part I. Background Information

A. Legislative Authority

The Community Services Block Grant Act, as amended, authorizes the Secretary of Health and Human Services to make funds available under several programs to support program activities which will result in direct benefits targeted to low-income people. This Program Announcement covers the grant authority found at Section 681 of the Community Services Block Grant Act, (The Act) (Pub. L. 97-35) as amended by the Community Opportunities, Accountability, and Training and Educational Services Act of 1998 (Pub. L. 105-285), Community Food and Nutrition Programs. The Act authorizes the Secretary to award grants on a competitive basis to eligible entities for community-based, local and statewide and national programs including programs benefitting Indians (as defined in 42 USC 9911) and migrant and seasonal farm workers. Grant funds are provided to: (1) Coordinate private and public food assistance resources, wherever the grant recipient involved determines such coordination to be inadequate, to better serve low-income populations; (2) to assist low-income communities in identifying potential sponsors of child nutrition programs and to initiate such programs in underserved or unserved areas; and (3) to develop innovative approaches at the national, State and local level to meet the nutrition needs of low-income individuals.

B. Program Purpose

The Department of Health and Human Services (DHHS) is committed to improving the overall health and nutritional well-being of all individuals, including low-income persons, through improved preventive health care and promotion of personal responsibility.

DHHS also recognizes that improving the health and nutrition status of low-income persons can also be improved by access to healthy, nutritious foods. The DHHS encourages community efforts to improve the coordination and integration of health and social services for all low-income families, and to

identify opportunities for collaborating with other programs and services for this population. Such collaboration can increase a community's capacity to leverage resources and promote an integrated approach to health and nutrition through existing programs and services.

C. Project Goals

The goal of the Community Food and Nutrition Program (CFNP)—Nationwide Initiative is to identify the characteristics, practices and needs of current grantees, as well as the barriers they face in achieving project goals. Specific attention will be given to (1) ensuring compliance with the legislative mandates of the CFNP, (2) identifying needs that may be unique to a particular geographic area or community, (3) identifying projects beneficial to children, (4) identifying "best practices" within the grantee community, (5) developing a CFNP database for use and maintenance by the Office of Community Services, and (6) collecting, reviewing and analyzing program data submitted by the network of CFNP grantees nationwide.

D. Form of Award

The Office of Community Services plans to support the Community Food and Nutrition Program—Nationwide Initiative through a Cooperative Agreement. A Cooperative Agreement is an award instrument of financial assistance when substantial involvement is anticipated between the awarding federal office and the recipient during the performance of the contemplated project.

The Office of Community Services (OCS) and the successful applicant will function as partners sharing responsibility for the design, coordination, and implementation of the project. OCS Staff will be the Administration of Children and Families (ACF) individuals primarily responsible for efforts under this cooperative agreement. In addition, ACF regional office staff may work closely with OCS and the applicant in planning and implementing the proposed work plan of the project. The purpose of the cooperative agreement is to ensure cooperation and coordination between OCS and the grantee.

The Office of Community Services will outline a plan of interaction with the grantee for implementation under the cooperative agreement. The respective responsibilities of the Office of Community Services and the successful applicant will be identified and incorporated into the Cooperative Agreement during pre-award

negotiations. The OCS responsibilities will not change the project requirements found in this Announcement.

The plan under the cooperative agreement will describe the general and specific responsibilities of the grantee and the grantor as well as foreseeable joint responsibilities. A schedule of tasks will be developed and agreed upon in addition to any special conditions relating to implementation of the project.

E. Definition of Terms

For purposes of this Program Announcement, the following definitions apply:

Part II. Program Objectives and Requirements

The Office of Community Services (OCS) invites qualified entities to submit competing grant applications for the award of one Cooperative Agreement for the Community Food and Nutrition Program (CFNP)—Nationwide Initiative. The CFNP—Nationwide Initiative is a national research project to study the impact of current CFNP projects on low-income communities, families, and children nationwide. The results of the study will enable OCS (1) to improve the quality of service OCS provides to the network of CFNP, and (2) assess the program's impact on improving the health and nutritional well being of low-income families, children and individuals nationwide.

The duties and responsibilities of the applicant and ACF/OCS in fulfilling the Agreement during each phase will include the following:

The Applicant—Role and Responsibilities

The successful applicant shall be responsible for the following:

1. In collaboration with OCS, design, coordinate, and implement the project.
2. Attend a 2–3 day meeting in Washington, DC to discuss and finalize the major goals and objectives of the overall project, the fiscal year work plans, and exchange and share information on strategies for achieving the goals and objectives of the project.
3. Establish subordinate objectives to guide the focus of their research based upon the needs assessed in the major objectives.
4. Development a CFNP database for use and maintenance by OCS.

ACF/OCS—Role and Responsibilities

The grantor agency, ACF/OCS, shall be responsible for the following:

1. Throughout the term of the Agreement, provide the time and expertise of OCS to help the applicant implement the goals and objectives of the project. Specifically, OCS will organize periodic consultations and teleconferences to review planned activities, to share information, and to promote nationwide coordination.

2. Provide to the applicant a complete listing of current CFNP grantees.

3. Organize a 2–3 day meeting in Washington, DC to discuss and finalize the major goals and objectives of the overall project, the fiscal year work plans, and to exchange program information, and to share information on strategies for achieving the goals and objectives of the project.

4. Throughout the term of this Agreement, review and comment on quarterly progress reports and other relevant materials prior to their finalization.

5. Throughout the term of this Agreement, make available to the applicant program information and/or products from OCS activities that are available and relevant to the project.

6. Throughout the term of this Agreement, promote the involvement of the applicant in meetings, conferences, and other initiatives to strengthen their knowledge and resource base for providing effective assistance to OCS and CFNP grantees.

A. Project Requirements

In order to successfully compete under this Announcement, the applicant should:

1. Outline a plan of interaction with OCS for implementation under a cooperative agreement including, as appropriate, activities involving OCS Headquarter's agency staff;

2. Describe the needs to be addressed under the Nationwide Initiative and provide information on the specific services your organization has provided and currently provides and what need(s) and information would be provided as the selected grantee.

3. Present the technical approach and the specific work plans for the provision of assistance to the network of CFNP grantees that is nationwide in scope and that includes a plan for continued contact with the field; direct mailings; a plan for the implementation and effective use of electronic communication capability with the network; and a plan for the development and use of a network of experts for the provision of direct training and consultation, including fees for service, if necessary.

4. Describe the efforts that would be initiated to coordinate the CFNP-

Nationwide Initiative with national food and nutrition advocacy groups and organizations, other related national resource centers and clearinghouses, and Federal, State, Indian Tribe and Migrant and Seasonal Farmworker agencies; identify the agencies/organizations and how the initiation of coordination with them will enhance the CFNP—Nationwide Initiative activities and avoid a duplication of efforts;

5. Provide a plan describing the manner in which the applicant would design and implement special projects relating to policy issues, training curricula, service delivery models, or other aspects of service; related to improving the health and nutritional status of low-income families and individuals;

6. Provide a plan and schedule to collect and disseminate data from the nationwide network of CFNP grantees on project outcomes;

7. Provide a plan and schedule for evaluating and reporting on the effectiveness of the project 6 months after the effective date of the grant;

8. Describe the proposed staff with appropriate definition of each expertise; and

9. Describe the administrative and organizational structure, the management plan, and the cost structure within which the project will operate; describe the administrative, operational and organizational relationships to be developed and established within the CFNP network of grantees that will constitute a national network. Charts depicting these structures and the ensuing relationships must be included.

Additionally, in carrying out such activities, the project funded under this program should: (a) Be designed and intended to provide support to a nationwide network of food and nutrition providers who provide not only nutrition benefits but also the benefits of disease prevention, to a targeted low-income group of people; (b) Provide outreach and public education to this network of other nutritional services available to them under the various Federally-assisted programs; (c) Carry out targeted communications and social marketing to improve communication among this network of grantees; and (d) Consult with and/or inform the national arms of local offices that administer other food programs such as Women, Infants, and Children (WIC) and Food Stamps, where applicable, to ensure effective coordination which can jointly target services to increase their effectiveness. Such consultation may include

involving these offices in planning grant applications.

The Office of Community Services views this program as a capacity building program, rather than a service delivery program.

B. Program Priority Areas

The Community Food and Nutrition Program has two Program Priority Areas for Fiscal Year 2002: Priority Area 1.0, General Projects, which is covered under a separate Program Announcement published in the **Federal Register** on May 7, 2002, and Priority Area 2.0, Nationwide Initiative, under which OCS will accept applications as described below.

1. General Projects—Priority Area 1.0

The applicants selected to operate CFNP general projects were asked in their application to describe the target area and population to be served and discuss the nature and extent of the problem to be solved. The application was required to contain a detailed and specific work program that is sound and feasible. Projects funded under Priority Area 1.0 are required to produce lasting and measurable results that fulfill the purposes of the CFNP. The OCS grant funds awarded, in combination with private and/or other public resources, must be targeted to low-income individuals and communities.

Grantees are required to certify in their submission that projects will only serve the low-income population as stipulated in the DHHS Poverty Income Guidelines (Attachment A). Failure to certify that only beneficiaries that meet the DHHS Poverty Income Guidelines may result in the application not being considered for funding.

2. Nationwide Initiative—Priority Area 2.0

The Community Food and Nutrition Program—Nationwide Initiative is a national research project to study the impact of current CFNP projects on low-income communities, families, and children nationwide. The applicant selected to manage the Nationwide Initiative will be responsible for performing this task in coordination with the Office of Community Services.

C. Eligible Applicants

Eligible applicants are State and local governments, Indian tribes, and public and private nonprofit agencies/organizations with a demonstrated ability to successfully develop and implement programs and activities similar to those enumerated above. The Office of Community Services encourages Historically Black Colleges

and Universities, minority institutions and faith-based organizations to submit applications. Eligible applicants with programs benefitting Native Americans and migrant or seasonal farmworkers are also encouraged to submit applications.

Any nonprofit organization submitting an application must submit proof of its nonprofit status in its application at the time of submission. The nonprofit agency can accomplish this by providing a copy of either the applicant's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations or by providing a copy of the currently valid IRS tax exemption certificate or by providing a copy of the articles of incorporation bearing the seal of the State certifying non-profit status according to criteria for the State in which the corporation or association is domiciled.

Faith-based organizations are eligible to apply for these Community Food and Nutrition Program—Nationwide Initiative funds.

D. Availability of Funds and Grant Amounts

1. Fiscal Year 2002 Funding

The funds available for the cooperative agreement under the Community Food and Nutrition Program (CFNP)—Nationwide Initiative in Fiscal Year 2002 are:

Nationwide Initiative—Priority Area 2.0—\$300,000*

2. Grant Amounts

No individual grant application will be considered for an amount in excess of \$300,000 for applications submitted under the CFN—Nationwide Initiative.

E. Mobilization of Resources

The Office of Community Services would like to mobilize as many resources as possible to enhance the Cooperative Agreement funded under the CFNP—Nationwide Initiative. OCS supports and encourages applications submitted by applicants whose programs will leverage other resources, either cash or third party in-kind.

F. Project and Budget Periods

This announcement is inviting applications for project periods up to three years. Awards, on a competitive basis, will be for a one-year budget period, although project periods may be for three years. Applications for continuation grants funded under these awards beyond the one-year budget period but within the three-year project

period will be entertained in subsequent years on a noncompetitive basis, subject to the availability of funds, satisfactory progress of the grantee and a determination that continued funding would be in the best interest of the Government.

G. Indirect Costs

Indirect costs consistent with approved indirect cost rate agreements are allowable. Applicants should enclose a copy of the current approved rate agreement. However, it should be understood that indirect costs are part of, and not in addition to, the amount of funds awarded in the subject grant.

H. Program Beneficiaries

Projects proposed for funding under this Announcement must result in direct benefits targeted toward low-income people as defined in the most recent annual update of the Poverty Income Guidelines published by DHHS. Attachment A to this Announcement is an excerpt from the most recently published guidelines. Annual revisions of these guidelines are normally published in the **Federal Register** in February or early March of each year and are applicable to projects being implemented at the time of publication. Grantees will be required to apply the most recent guidelines throughout the project period. The **Federal Register** may be obtained from public libraries, Congressional offices, or by writing the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. The **Federal Register** is also available on the Internet through GPO Access at the following web address: http://www.access.gpo.gov/su_docs/aces/aces140.html

You may also access the DHHS Poverty Guidelines direct at the following web address: <http://aspe.os.dhhs.gov/poverty/02poverty.htm>

No other government agency or privately defined poverty guidelines are applicable to determining low-income eligibility for this OCS program.

I. Number of Projects in Application

An application may contain only one proposed project and this project must address the basic criteria found in Parts II and III of this Program Announcement. Applications not complying with these requirements will not be funded.

J. Multiple Submittal

There is no limit to the number of applications that can be submitted by an eligible applicant as long as each application is for a different project.

However, no applicant will receive more than the one cooperative agreement.

K. Sub-Contracting or Delegating Projects

The Office of Community Services will not fund any project where the role of the eligible applicant is primarily to serve as a conduit for funds to other organizations.

Part III. The Project Description, Program Proposal Elements and Review Criteria

A. Purpose

The project description provides the major means by which an application is evaluated and ranked to compete with other applications for available assistance. The project description should be concise and complete and should address the activity for which Federal funds are being requested. Supporting documents should be included where they can present information clearly and succinctly. In preparing your project description, all information requested through each specific evaluation criteria should be provided. Awarding offices use this and other information in making their funding recommendations. It is important, therefore, that this information be included in the application.

B. Project Summary/Abstract

Provide a summary of the project description (one page or less) with reference to the funding request.

C. Objectives and Need for Assistance

Clearly identify the physical, economic, social, financial, instructional, and/or other problem(s) requiring a solution. The need for assistance must be demonstrated and the principal and subordinate objectives of the project must be clearly stated. Supporting documentation, such as letters of support and testimonials from concerned interests other than the applicant, may be included. Any relevant data based on planning studies should be included or referred to in the endnotes/footnotes. Incorporate demographic data and participant/beneficiary information, as needed. In developing the project description, the applicant may volunteer or be requested to provide information on the total range of projects currently being conducted and supported (or to be initiated), some of which may be outside the scope of the program announcement.

*All grant awards are subject to the availability of appropriated funds.

D. Results or Benefits Expected

Identify the results anticipated and the benefits to be derived. For example, describe the population to be served by the Community Food and Nutrition Program—Nationwide Initiative. Explain the ways in which the project will be used to reach your client base and how it will benefit low-income participants, including whether it may aid some participants in moving towards self-sufficiency.

E. Approach

Outline a plan of action which describes the scope and detail of how the proposed work will be accomplished. Account for all functions or activities identified in the application. Cite factors which might accelerate or decelerate the work and state your reason for taking the proposed approach rather than others. Describe any unusual features of the project such as design or technological innovations, reductions in cost or time, or extraordinary social and community involvement.

Provide quantitative monthly or quarterly projections of the accomplishments to be achieved for each function or activity in such terms as the number of people served and the number of activities accomplished. When accomplishments cannot be quantified by activity or function, list them in chronological order to show the schedule of accomplishments and their target dates.

Identify the kinds of data to be collected, maintained, and/or disseminated. Note that clearance from the U.S. Office of Management and Budget (OMB) might be needed prior to a "collection of information" that is "conducted or sponsored" by ACF. List organizations, cooperating entities, consultants, or other key individuals who will work on the project along with a short description of the nature of their effort or contribution.

F. Organizational Profiles

Provide information on the applicant organization(s) and cooperating partners such as organizational charts, financial statements, audit reports or statements from CPAs/Licensed Public Accountants, Employer Identification Numbers, names of bond carriers, contact persons and telephone numbers, child care licenses and other documentation of professional accreditation, information on compliance with Federal/State/local government standards, documentation of experience in the program area, and other pertinent information. Any non-

profit organization submitting an application must submit proof of its non-profit status in its application at the time of submission. The non-profit agency can accomplish this by providing a copy of either the applicant's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations, or the currently valid IRS tax exemption certificate, or the articles of incorporation bearing the seal of the State in which the corporation or association is domiciled which certifies that the organization has met the state's criteria as a nonprofit organization.

G. Budget and Budget Justification

Provide a line item detail and detailed calculations for each budget object class identified on the Budget Information form. Detailed calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. The detailed budget must also include a breakout by the funding sources identified in Block 15 of the SF-424.

Provide a narrative budget justification that describes how categorical costs are derived. Discuss the necessity, reasonableness, and allocability of the proposed costs.

The following guidelines are for preparing the budget and budget justification. Both Federal and non-Federal resources shall be detailed and justified in the budget and narrative justification. For purposes of preparing the budget and budget justification, "Federal resources" refers only to the ACF grant for which you are applying. Non-Federal resources are all other Federal and non-Federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, Federal budget; next column(s), non-Federal budget(s), and last column, total budget. The budget justification should be a narrative.

Personnel

Description: Costs of employee salaries and wages.

Justification: Identify the project director or principal investigator, if known. For each staff person, provide the title, time commitment to the project (in months), time commitment to the project (as a percentage or full-time equivalent), annual salary, grant salary, wage rates, etc. Do not include the costs of consultants or personnel costs of delegate agencies or of specific project(s) or businesses to be financed by the applicant.

Fringe Benefits

Description: Costs of employee fringe benefits, unless treated as part of an approved indirect cost rate.
Justification: Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, FICA, retirement insurance, taxes, etc.

Travel

Description: Costs of project-related travel by employees of the applicant organization (does not include costs of consultant travel). Travel costs for key staff to attend ACF-sponsored workshops should be detailed in the budget.

Justification: For each trip, show the total number of traveler(s), travel destination, duration of trip, per diem, mileage allowances, if privately owned vehicles will be used, and other transportation costs and subsistence allowances.

Equipment

Description: "Equipment" means an article of non-expendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the lesser of (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000.

(**Note:** Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation shall be included in, or excluded from, acquisition cost in accordance with the organization's regular written accounting practices.)

Justification: For each type of equipment requested, provide a description of the equipment, the cost per unit, the number of units, the total cost, and a plan for use on the project, as well as use or disposal of the equipment after the project ends. An applicant organization that uses its own definition of equipment should provide a copy of its policy or section of its policy which includes the equipment definition.

Supplies

Description: Costs of all tangible personal property other than that included under the Equipment category.

Justification: Specify general categories of supplies and their costs. Show computations and provide other information which supports the amount requested.

Contractual

Description: Costs of all contracts for services and goods except for those which belong under other categories such as equipment, supplies, construction, etc. Third-party evaluation contracts (if applicable) and contracts with secondary recipient organizations, including delegate agencies and specific project(s) or businesses to be financed by the applicant, should be included under this category.

Justification: All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. Recipients and subrecipients, other than States that are required to use part 92 procedures, must justify any anticipated procurement action that is expected to be awarded without competition and exceed the simplified acquisition threshold fixed at 41 U.S.C. part 403(11) (currently set at \$100,000.) Recipients might be required to make available to ACF pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each delegate agency, by agency title, along with the required supporting information referred to in these instructions.

Other

Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to insurance, food, medical and dental costs (noncontractual), professional services costs, space and equipment rentals, printing and publication, computer use, training costs such as tuition and stipends, staff development costs, and administrative costs.

Justification: Provide computations, a narrative description and a justification for each cost under this category.

Non-Federal Resources

Amounts of non-Federal resources that will be used to support the project as identified in Block 15 of the SF-424.

Justification: The firm commitment of these resources must be documented and submitted with the application in order to be given credit in the review process. A detailed budget must be prepared for each funding source.

H. Evaluation Criteria**Proposal Elements and Review Criteria for Applications**

Each application which passes the initial screening described in Part IV, Section D of this Program Announcement will be assessed and scored by three independent reviewers. Each reviewer will give a numerical score for each application. These numerical scores will be supported by explanatory statements on a formal rating form describing major strengths and weaknesses under each applicable criterion published in the Announcement. Scoring will be based on a total of 100 points, and for each application will be the average of the scores of the three reviewers.

The competitive review of proposals will be based on the degree to which applicants:

(1) Adhere to the requirements in PART II and (2) incorporate each of the Elements and Sub-Elements below into their proposals, so as to describe convincingly a project that will develop new food and nutrition services/activities to benefit low-income households including displaced workers, elderly people, children, and the working poor.

In order to simplify the application preparation and review process, OCS seeks to keep grant proposals cogent and brief. Applications with project narratives (excluding Project Summaries, Budget Justifications and Appendices) exceeding 30 letter-sized pages of 12 c.p.i. type or equivalent on a single side will not be reviewed. Applicants should prepare and assemble their project descriptions using the following outline of required project elements. They should, furthermore, build their project concept, plans, and application description upon the guidelines set forth for each of the project elements.

Project descriptions are evaluated on the basis of substance, not length. Pages should be numbered consecutively and a table of contents should be included for easy reference. Applicants are reminded that the overall Project Narrative must not exceed 30 pages.

When writing their Project Narratives, applicants should respond to the review criteria using the same sequential order.

C. Intergovernmental Review

This program is covered under Executive Order 12372, "Intergovernmental Review of Federal Programs," and 45 CFR part 100, "Intergovernmental Review of Department of Health and Human Services Program and Activities." Under the Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs.

All States and Territories except Alabama, Alaska, Arizona, Colorado, Connecticut, Hawaii, Idaho, Indiana, Kansas, Louisiana, Massachusetts, Minnesota, Montana, Nebraska, New Jersey, New York, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Tennessee, Vermont, Virginia, Washington, Wyoming, and Palau have elected to participate in the Executive Order process and have established Single Points of Contact (SPOCs). Applicants from these 27 jurisdictions do not need to take action regarding E.O. 12372. Applicants for projects to be administered by Federally-recognized Indian Tribes are also exempt from the requirements of E.O. 12372. Otherwise, applicants should contact their SPOCs as soon as possible to alert them of the prospective applications and receive any necessary instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. It is imperative that the applicant submit all required materials, if any, to the SPOC and indicate the date of this submittal (or indicate "not applicable" if no submittal is required) on the Standard Form 424, item 16a.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on proposed new or competing continuation awards.

SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations.

Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which may trigger the "accommodate or explain" rule.

When comments are submitted directly to ACF, they should be addressed to: Department of Health and Human Services, Administration for Children and Families, Office of Grants Management, 370 L'Enfant Promenade, SW., 4th floor West, Washington, DC 20447.

A list of the Single Points of Contact for each State and Territory is included as Attachment G to this Announcement.

You may also find this list at the following web address: <http://www/whitehouse.gov/omb/grants/spoc.html>

D. Initial OCS Screening

Each application submitted under this program announcement will undergo a pre-review to determine that the application was received by the closing date and submitted in accordance with the instructions in this Announcement.

All applications that meet the published deadline requirements as provided in this Program Announcement will be screened for completeness and conformity with the following requirements. Only complete applications that meet the requirements listed below will be reviewed and evaluated competitively. Other applications will be returned to the applicants with a notation that they were unacceptable and will not be reviewed.

The following requirements must be met by all applicants except as noted:

(1) The application must contain a signed Standard Form 424 Application for Federal Assistance" (SF-424), Attachment B, a budget (SF-424A), Attachment C, and signed "Assurances" (SF 424B), Attachment D, completed according to instructions published in Part V and Attachments A, B, and C of this Program Announcement. The SF-424 and the SF-424B must be signed by an official of the organization applying for the grant who has authority to obligate the organization legally. Applicant must also be aware that the applicant's legal name as required on the SF-424 (Item 5) must match that listed as corresponding to the Employer Identification Number (Item 6).

(2) A project narrative must also accompany the standard forms. OCS requires that the narrative portion of the application be no more than 30 letter-size pages, numbered consecutively, and typewritten on one side of the paper only with one-inch margins and type face no smaller than 12 characters per inch (c.p.i.) or equivalent. Applications with project narratives (excluding Project Summaries and appendices) of more than 30 letter-size pages of 12 c.p.i. type or equivalent on a single side will not be reviewed for funding.

The budget narrative, charts, exhibits, resumes, position descriptions, letters of support or commitment are not counted against this page limit and should be in the Appendix. It is strongly recommended that applicants adopt for their program project narratives the sequence and content described in Part III, Section I.

(3) Application must contain documentation of the applicant's tax

exempt status as required under PART II, Section C.

Applicants are strongly encouraged to mobilize additional resources, which may be cash or in-kind contributions, Federal or non-Federal. [See Part E]

E. Consideration of Applications

Applications which pass the initial OCS screening will be reviewed and rated by an independent review panel on the basis of requirements set forth in Parts II and III. These review criteria were designed to assess the quality of a proposed project and determine the likelihood of its success. The review criteria are closely related and are considered as a whole in judging the overall quality of an application. Points are awarded only to applications which are responsive to the program elements and review criteria within the context of this Program Announcement.

Reviewers' scores will assist the Director and OCS program staff in considering competing applications. Reviewers' scores will weigh heavily in funding decisions, but will not be the only factors considered.

Applications generally will be considered in order of the average scores assigned by reviewers. However, highly ranked applications are not guaranteed funding because other factors are taken into consideration. These include, but are not limited to: The timely and proper completion by applicant of projects funded with OCS funds granted in the last five (5) years; comments of reviewers and government officials; staff evaluation and input; amount and duration of the grant requested and the proposed project's consistency and harmony with OCS goals and policy; geographic distribution of applications; previous program performance of applicants; compliance with grant terms under previous HHS grants, including the actual dedication to program of mobilized resources as set forth in project applications; audit reports; investigative reports; and applicant's progress in resolving any final audit disallowance on previous OCS or other Federal agency grants.

Applicants may omit from the application the specific salary rates or amounts for individuals identified in the application budget. Rather, only summary information is required. OCS reserves the right to discuss applications with other Federal or non-Federal funding sources to verify the applicant's performance record and the documents submitted.

However, consistent with the applicant's equipment policy, lower limits may be set.]

Justification—Equipment to be purchased with Federal funds must be required to conduct the project, and the applicant organization or its sub-grantees must not already have the equipment or a reasonable facsimile available to the project.

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a–k of Section B.

Section A. Budget Summary

Lines 1–4 Columns (a) and (b)

For applications pertaining to a single Federal grant program (Federal Domestic Assistance Catalog number) and not requiring a functional or activity breakdown, enter on Line 1 under Column (a) the Catalog program title and the Catalog number in Column (b).

For applications pertaining to a single program requiring budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the Catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the Catalog program title on each line in Column (a) and the respective Catalog number on each line in Column (b).

For applications pertaining to multiple programs where one or more programs require a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one

sheet is used, the first page should provide the summary totals by programs.

Lines 1–4, Columns (c) through (g)

For new applications, leave Column (c) and (d) blank. For each line entry in columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5—Show the totals for all columns used.

Section B. Budget Categories

In the column headings (1) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1–4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Line 6a–i—Show the totals of Lines 6a to 6h in each column.

Line 6j—Show the amount of indirect cost.

Line 6k—Enter the total amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)–(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7—Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program narrative statement, the nature and source of income. The estimated amount of program income may be considered by the Federal grantor agency in determining the total amount of the grant.

Attachment C, Page 4**Instructions for the SF-424A (continued)****Section C. Non-Federal Resources**

Lines 8–11 Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

Column (a)—Enter the program titles identical to Column (a), Section A. A breakdown by function or activity is not necessary.

Column (b)—Enter the contribution to be made by the applicant.

Column (c)—Enter the amount of the State's cash and in-kind contribution if the applicant is not a State or State agency. Applicants which are a State or State agencies should leave this column blank.

Column (d)—Enter the amount of cash and in-kind contributions to be made from all other sources.

Column (e)—Enter totals of Columns (b), (c), and (d).

Line 12—Enter the total for each of Columns (b)–(e). The amount in Column (e) should be equal to the amount on Line 5, Column (f), Section A.

Section D. Forecasted Cash Needs

Line 13—Enter the amount of cash needed by quarter from the grantor agency during the first year.

Line 14—Enter the amount of cash from all other sources needed by quarter during the first year.

Line 15—Enter the totals of amounts on Lines 13 and 14.

Section E. Budget Estimates of Federal Funds Needed for Balance of the Project

Lines 16–19—Enter in Column (a) the same grant program titles shown in Column (a), Section A. A breakdown by function or activity is not necessary. For new applications and continuation grant applications, enter in the proper columns amounts of Federal funds which will be needed to complete the program or project over the succeeding funding periods (usually in years). This section need not be completed for revisions (amendments, changes, or supplements) to funds for the current year of existing grants.

If more than four lines are needed to list the program titles, submit additional schedules as necessary.

Line 20—Enter the total for each of the Columns (b)–(e). When additional schedules are prepared for this Section, annotate accordingly and show the overall totals on this line.

Section F. Other Budget Information

Line 21—Use this space to explain amounts for individual direct object class cost categories that may appear to be out of the ordinary or to explain the details as required by the Federal grantor agency.

Line 22—Enter the type of indirect rate (Provisional, predetermined, final or fixed) that will be in effect during the funding period, the estimated amount of the base to which the rate is applied, and the total indirect expense.

Line 23—Provide any other explanations or comments deemed necessary.

Attachment E, Page 1**Certification Regarding Drug-Free Workplace Requirements**

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Section 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal

agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplace in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility

to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall

include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Certification Regarding Debarment, Suspension and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions
Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which

reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this cause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Attachment G

Intergovernmental Review (SPOC List)

It is estimated that in 2001 the Federal Government will outlay \$305.6 billion in grants to State and local governments. Executive Order 12372, "Intergovernmental Review of Federal Programs," was issued with the desire to foster the intergovernmental partnership and strengthen federalism by relying on State and local processes for the coordination and review of proposed Federal financial assistance and direct Federal development. The Order allows each State to designate an entity to perform this function. Below is the official list of those entities. For those State that have a home page for their designated entity, a direct link has been provided below.

State that are not listed on this page have chosen not to participate in the intergovernmental review process, and therefore do not have a SPOC. If you are located within one of these States, you may still send application materials directly to a Federal awarding agency.

Contact information for Federal agencies that award grants can be found in Appendix IV of the Catalog of Federal Domestic Assistance.
