Description: Sections 14(b)(1) and 14(b)(2) of the Fair Labor Standards Act (FLSA) require the Secretary of Labor to provide certificates authorizing the employment of full-time students at 85% of the applicable minimum wage in retail or service establishments and in agriculture to the extent necessary in order to prevent curtailment of opportunities for employment. Sections 519.3, 519.4, and 519.6 of Regulations 29 CFR part 519, set forth the application requirements and terms and conditions for employment of full-time students at sub-minimum wages. The WH-200 and WH-202 are voluntary use forms that are prepared and signed by an authorized representative of the employer to employ full-time students at sub-minimum wage. This information is used to determine whether a retail or service or agricultural employer should be authorized to pay sub-minimum wages to full-time students pursuant to the provisions of section 14(b) of the FLSA.
