## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Proposed Collection; Comment Request

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden,

conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). Currently, the Employment and Training Administration is soliciting comments concerning a series of proposed new collections of data from state workforce agencies and local workforce investment areas on issues relating to the implementation and operation of programs authorized by the Workforce Investment Act.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addresses section of this notice.

**DATES:** Written comments must be submitted to the office listed in the addresses section below on or before August 26, 2002.

**ADDRESSES:** Kerri Vitalo, Employment and Training Administration, U.S. Department of Labor, 200 Constitution Ave., NW., Room N-5637, Washington, DC 20210; 202-693-3912 (this is not a toll-free number); [kvitalo@doleta.gov](mailto:kvitalo@doleta.gov); Fax: 202-693-2766 (this is not a toll-free number).

#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Department of Labor's Employment and Training Administration (ETA) seeks to collect data from state workforce agencies and local workforce investment areas on issues relating to the governance, administration, funding, service design, and delivery structure of workforce programs authorized by the Workforce Investment Act (WIA). Enacted in 1998, WIA represents a substantial redesign of the workforce development system. With the goal of improving the responsiveness of government services and enhancing customer choice, this legislation calls for the establishment of new planning bodies, mandates that over a dozen separately funded federal programs work together to streamline workforce services, requires new service designs and delivery systems, and establishes new accountability requirements.

In light of its needs for information on WIA operations on a quick-turnaround
