International Buyer Program Support for Domestic Trade Shows

AGENCY: International Trade Administration, Commerce.

ACTION: Notice and call for applications for the FY 2004 International Buyer Program.

SUMMARY: This notice sets forth objectives, procedures and application review criteria associated with the International Buyer Program (IBP) of the U.S. Department of Commerce (DOC), to support domestic trade shows. Selection is for the International Buyer Program for Fiscal Year 2004 (October 1, 2003 through September 30, 2004).

The International Buyer Program was established to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The International Buyer Program emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected events and

provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. The assistance provided to show organizers includes worldwide overseas promotion of selected shows to potential international buyers, end-users, representatives and distributors. The worldwide promotion is executed through the offices of the DOC United States and Foreign Commercial Service (hereinafter referred to as the Commercial Service) in 74 countries representing America's major trading partners, and also in U.S. Embassies in countries where the Commercial Service does not maintain offices. The Department expects to select approximately 28 shows for FY2004 from among applicants to the program. Shows selected for the International Buyer Program will provide a venue for U.S. companies interested in expanding their sales into international markets.

DATES: Applications must be received within August 26, 2002. Contributions (discussed below) are for shows selected and promoted during the period between October 1, 2003, and September 30, 2004.

ADDRESSES: Export Promotion Services/ International Buyer Program, Commercial Service, International Trade Administration, U.S. Department of Commerce, 14th & Constitution Avenue, NW., H2116, Washington, DC 20230. Telephone: (202) 482-0146 (For deadline purposes, facsimile or email applications will be accepted as interim applications, to be followed by signed original applications).

FOR FURTHER INFORMATION CONTACT: Jim Boney, Product Manager, International Buyer Program, Room 2116, Export Promotion Services, U.S. and Foreign Commercial Service, International Trade Administration, U.S. Department of Commerce, 14th & Constitution Avenue, NW., Washington, DC 20230. Telephone: (202) 482-0146; Fax: (202) 482-0115; Email: Jim.Boney@mail.doc.gov.

SUPPLEMENTARY INFORMATION: The Commercial Service is accepting applications for the International Buyer Program (IBP) for events taking place between October 1, 2003, and September 30, 2004. A contribution of \$7,000 for shows of five days or less is required. For shows more than five days in duration, or requiring more than one International Business Center, a contribution of \$9,000 is required.

Under the IBP, the Commercial Service seeks to bring together international buyers with U.S. firms by selecting and promoting U.S. domestic trade shows in international markets in

industries with high export potential. Selection of a trade show is valid for one event, *i.e.*, a trade show organizer seeking selection for a recurring event must submit a new application for selection for each occurrence of the event. Even if the event occurs more than once in the 12-month period covering this announcement, the trade show organizer must submit a separate application for each event.

The Commercial Service will select approximately 28 events to support between October 1, 2003, through September 30, 2004. The Commercial Service will select those events that, in its judgment, most clearly meet the Commercial Service's statutory mandate to promote U.S. exports, especially those of small and medium size enterprises and that best meet selection criteria articulated below.

Successful show organizer applicants will be required to enter into a Memorandum of Understanding (MOU) with the DOC. The MOU constitutes an agreement between the DOC and the show organizer specifying which responsibilities are to be undertaken by DOC as part of the IBP and, in turn, which responsibilities are to be undertaken by the show organizer. *Anyone who requests information regarding applying will be sent a copy of the MOU along with the application package.* The responsibilities to be undertaken by DOC will be carried out by the Commercial Service.

The Department selects trade shows to be IBP partners that it determines to be leading international trade shows appropriate for participation by U.S. exporting firms and for promotion in overseas markets by U.S. Embassies and Consulates. Selection as an IBP partner does not constitute a guarantee by the U.S. Government of the show's success. IBP partnership status is not an endorsement of the show organizer except as to its international buyer activities. Non-selection should not be viewed as a finding that the event will not be successful in the promotion of U.S. exports.

Exclusions: Trade shows that are either first-time or horizontal (non-industry specific) events will not be considered. Annual trade shows will not be selected for this program more than three times in any four-year period (e.g., shows selected for fiscal years 2001, 2002 and 2003 are not eligible for inclusion in this program in fiscal year 2004, but can be considered in subsequent years).

General Selection Criteria: The Department will select shows to be IBP partners that, in the judgment of the

Department, best meet the following criteria:

(a) **Export Potential:** The trade show promotes products and services from U.S. industries that have high export potential, as determined by DOC sources, e.g., Commercial Service best prospects lists and U.S. export statistics (certain industries are rated as priorities by our domestic and international commercial officers in their Country Commercial Guides).

(b) **International Interest:** The trade show meets the needs of a significant number of overseas markets and corresponds to marketing opportunities as identified by the posts in their Country Commercial Guides (e.g. best prospect lists). Previous international attendance at the show may be used as an indicator.

(c) **U.S. Content of Show Exhibitors:** Trade shows with exhibitors featuring a high percentage of U.S. products or products with a high degree of U.S. content will be preferred. To be considered "U.S.", products and services to be exhibited must be produced or manufactured in the U.S., or if produced or manufactured outside of the U.S., the products or services must contain more than 50% U.S. content and must be marketed under the name of a U.S. firm.

(d) **Stature of the show:** The trade show is clearly recognized by the industry it covers as a leading event for the promotion of that industry's products and services, both domestically and internationally, and as a showplace for the latest technology or services in that industry or sector.

(e) **Exhibitor Interest:** There is demonstrated interest on the part of U.S. exhibitors in receiving international business visitors during the trade show. A significant number of U.S. exhibitors should be new-to-export or seeking to expand sales into additional international markets.

(f) **Overseas Marketing:** There has been a demonstrated effort to market prior shows overseas. In addition, the applicant should describe in detail the international marketing program to be conducted for the event, explaining how efforts should increase individual and group international attendance. [Planned cooperation with Visit USA Committees overseas is desirable.]

(g) **Logistics:** The trade show site, facilities, transportation services, and availability of accommodations are in the stature of an international-class trade show.

(h) **Cooperation:** The applicant demonstrates a willingness to cooperate with the Commercial Service to fulfill the program's goals and to adhere to

target dates set out in the MOU and the event timetable, both of which are available from the program office (see "For Further Information" section above on when, where, and how to apply). Past experience in the IBP will be taken into account in evaluating current applications to the program.

Legal Authority: The Commercial Service has the legal authority to enter into MOUs with for-profit show organizers and other groups (partners) under the provisions of the Mutual Educational and Cultural Exchange Act of 1961 ((MECEA), as amended (22 U.S.C. Section 2455(f)) MECEA allows the Commercial Service to accept contribution of funds and services from firms for the purposes of furthering its mission. The statutory program authority for the Commercial Service to conduct the International Buyer Program is 15 U.S.C. 4724.

The Office of Management and Budget (OMB) has approved the information collection requirements of the application to this program under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3512 *et seq.*) (OMB Control No. 0625-0151). Notwithstanding any other provision of law, no person is required to respond to nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number.

Director, Office of Trade Event Programs, U.S. and Foreign Commercial Service, International Trade Administration, U.S. Department of Commerce.
