BILLING CODE 4910-15-P

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[CGD09-02-042]

RIN 2115-AA97

Safety Zone; Sturgeon Bay Fireworks, Sturgeon Bay, WI

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the Sturgeon Bay Canal off of Peterson Building Inc. for the Sturgeon Bay Fireworks 2002 display. This safety zone is necessary to protect spectators and vessels from the hazards associated with the storage, preparation, and launching of fireworks. This safety zone is intended to restrict vessel traffic from a portion of the Sturgeon Bay Canal, Sturgeon Bay, Wisconsin.

DATES: This temporary rule is effective from 9:20 p.m. (local time) on July 5, 2002, until 10 p.m. (local time) on July 6, 2002.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD09-02-042] and are available for inspection or copying at U.S. Coast Guard Marine Safety Office Milwaukee, 2420 South Lincoln Memorial Drive, Milwaukee, WI 53207 between 7 a.m. and 3:30 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Marine Science Technician Chief Dave McClintock, Marine Safety Office Milwaukee, at (414) 747-7155.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The permit application did not allow sufficient time for publication of an NPRM followed by a temporary final rule effective 30 days after publication. Any delay of the

effective date of this rule would be contrary to the public interest by exposing the public to the known dangers associated with fireworks displays and the possible loss of life, injury, and damage to property. Due to known accidents in other Captain of the Port zones, the absence of the safety zone could subject spectators and event organizers to unnecessary risks by being too close to the launch platform. Thus, the Coast Guard believes good cause exists for not delaying the effective date of this rule.

Background and Purpose

This safety zone is being established to safeguard the public from the hazards associated with launching of fireworks in the Sturgeon Bay Canal, Sturgeon Bay, Wisconsin. The size of the zone was determined by using previous experiences with fireworks displays in the Captain of the Port Milwaukee zone and local knowledge about wind, waves, and currents in this particular area.

The safety zone will be enforced on July 5, 2002, from 9:20 p.m. (local time) until 10 p.m. (CST). The safety zone will encompass the arc of the circle with a 560 foot radius with its center in the approximate position 44°49.51' N, 087°22.38' W. These coordinates are based upon North American Datum 1983 (NAD 83).

All persons and vessels shall comply with the instructions of the Captain of the Port Milwaukee or his designated on scene patrol personnel. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Milwaukee or his designated on scene representative. The Captain of the Port Milwaukee may be contacted via VHF Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979).

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit

organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities: the owners or operators of vessels intending to transit or anchor in the vicinity of the Peterson Building Inc. grounds by the Sturgeon Bay Canal from 9:20 p.m. (CST) until 10 p.m. (CST) on July 5, 2002.

This rule will not have a significant economic impact on a substantial number of small entities for the following reasons: This rule will be in effect for only one hour on one day and late in the day when vessel traffic is minimal. Vessel traffic may enter or transit through the safety zone with the permission of the Captain of the Port Milwaukee or his designated on scene representative.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Marine Safety Office Milwaukee (see **ADDRESSES**).

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that this rule does not

have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That

Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that Order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05–1(g), 6.04–1, 6.04–6, 160.5; 49 CFR 1.46.

2. From 9:20 p.m. (local time) on July 5, 2002, until 10 p.m. (local time) on July 6, 2002, a new temporary § 165.T09–042 is added to read as follows:

§ 165.T09–042 Safety Zone; Sturgeon Bay Canal, Sturgeon Bay, Wisconsin.

(a) *Location.* The safety zone will encompass all waters and adjacent shoreline encompassed by the arc of a circle with a 560-foot radius with its center in approximate position 44°49.51' N, 087°22.38' W (NAD 83).

(b) *Enforcement period.* This section will be enforced from 9:20 p.m. until 10 p.m. on July 5, 2002. If the event is canceled on July 5, 2002, the event will be rescheduled and the safety zone will be enforced during these same times on July 6, 2002.

(c) *Regulations:* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port Milwaukee or the designated on scene patrol personnel. Coast Guard patrol personnel include commissioned, warrant or petty officers of the U.S. Coast Guard. Upon being hailed by a U.S. Coast Guard vessel via siren, radio, flashing light, or other means, the operator shall proceed as directed.

(3) This safety zone should not adversely effect shipping. However,

commercial vessels may request permission from the Captain of the Port Milwaukee to enter or transit the safety zone. Approval will be made on a case-by-case basis. Requests must be in advance and approved by the Captain of the Port Milwaukee before transits will be authorized. The Captain of the Port Milwaukee may be contacted via U.S. Coast Guard Group Milwaukee on Channel 16, VHF–FM.

Dated: June 25, 2002.

M.R. DeVries,

Commander, Coast Guard, Captain of the Port, Milwaukee, Milwaukee, Wisconsin.

RIN 2115–AA97

Safety Zone; Annual Fireworks Events in the Captain of the Port Milwaukee Zone

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing safety zones for annual fireworks displays located in the Captain of the Port Milwaukee Zone. This action provides for the safety of life and property on navigable waters during each event. This action restricts vessel traffic in a portion of the Captain of the Port Milwaukee Zone during the enforcement periods.

DATES: This rule is effective on July 3, 2002.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket CGD09–02–003 and are available for inspection or copying at, U.S. Coast Guard, Marine Safety Office Milwaukee, 2420 S. Lincoln Memorial Drive, Milwaukee, WI 53207 between 7 a.m. and 3:30 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Marine Science Technician Chief, Dave McClintock, U.S. Coast Guard Marine Safety Office Milwaukee, at (414) 747–7155.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On April 18, 2002, we published a notice of proposed rulemaking (NPRM)
