

requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

#### Final Results of Expedited Sunset Review: Certain Concrete Reinforcing Bars from Turkey

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Final Results of Expedited Sunset Reviews: Certain Concrete Reinforcing Bars from Turkey.

**SUMMARY:** On March 1, 2002, the Department of Commerce ("the Department") published the notice of initiation of a five-year sunset review of the antidumping duty order on reinforcing bars ("REBAR") from Turkey, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").<sup>1</sup> On the basis of a notice of intent to participate and adequate substantive comments filed on behalf of domestic interested parties, and inadequate response (in this case no response) from respondent interested parties, the Department determined to conduct an expedited sunset review of this antidumping duty order. As a result of this review, the Department finds that revocation of the antidumping order would be likely lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Review" section of this notice.
