Estimated Annual Reporting and Recordkeeping “Non-hour Cost”
Burden: We have identified no “non-hour” cost burdens.

Comments: Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3501 *et seq.*) requires each agency “* * * to provide notice * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *.” Agencies must specifically solicit comments to: (a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

To comply with the public consultation process, on February 19, 2002, we published a **Federal Register** notice (67 FR 7394) with the required 60-day comment period announcing that we would submit this ICR to OMB for approval. We did not receive any comments. We have posted a copy of the ICR at our Internet Web site http://www.mrm.mms.gov/Laws_R_D/FRNotices/FRInfColl.htm. We will also provide a copy of the ICR to you without charge upon request.

If you wish to comment in response to this notice, please send your comments directly to the offices listed under the **ADDRESSES** section of this

notice. The OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days. Therefore, to ensure maximum consideration, OMB should receive your comments by August 12, 2002. The PRA provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Public Comment Policy. We will post all comments received in response to this notice on our Internet Web site at http://www.mrm.mms.gov/Laws_R_D/InfoColl/InfoColCom.htm for public review. We also make copies of the comments, including names and addresses of respondents, available for public review during regular business hours at our offices in Lakewood, Colorado.

Individual respondents may request that we withhold their home address from the public record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent’s identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

SUPPLEMENTARY INFORMATION:

Title: 30 CFR 250, Subpart M, Unitization.

OMB Control Number: 1010-0068.

Abstract: The Outer Continental Shelf (OCS) Lands Act, as amended (43 U.S.C. 1331 *et seq.* and 43 U.S.C. 1801 *et seq.*), authorizes the Secretary of the Interior (Secretary) to prescribe rules and regulations to administer leasing of the OCS. Such rules and regulations will apply to all operations conducted under a lease. Operations on the OCS must preserve, protect and develop oil and natural gas resources in a manner which is consistent with the need to make such resources available to meet the Nation's

energy needs as rapidly as possible; to balance orderly energy resource development with protection of human, marine, and coastal environments; to ensure the public a fair and equitable return on the resources of the OCS; and to preserve and maintain free enterprise competition. Section 1334(a) of the OCS Lands Act specifies that the Secretary prescribe rules and regulations "to provide for the prevention of waste and conservation of the natural resources of the (O)uter Continental Shelf, and the protection of correlative rights therein" and include provisions "for unitization, pooling, and drilling agreements." To carry out these responsibilities, the Secretary has authorized MMS to issue orders and regulations governing offshore oil and gas lease operations.

This notice concerns the paperwork requirements of 30 CFR part 250, subpart M, Unitization, and related documents. Responses are mandatory or are required to obtain or retain a benefit. No questions of a "sensitive" nature are asked. MMS will protect proprietary information according to 30 CFR 250.196 (Data and information to be made available to the public), 30 CFR part 252 (OCS Oil and Gas Information Program), and the Freedom of Information Act (5 U.S.C. 552) and its implementing regulations (43 CFR part 2). MMS OCS Regions use the information to determine whether to approve a proposal to enter into an agreement to unitize operations under two or more leases or to approve modifications when circumstances change. The information is necessary to ensure that operations will result in preventing waste, conserving natural

resources, and protecting correlative rights, including the Government's interests. We also use information submitted to determine competitiveness of a reservoir or to decide that compelling unitization will achieve these results.

Please note, 30 CFR 250.1303 states that "MMS will maintain and provide a model unit agreement for you to follow." Upon a recent review of the two current models, it was noted that they specified submission of "four copies" of operator designations. In accordance with the Paperwork Reduction Act, we have determined that only "two copies" are necessary and have revised the models to reduce the copy requirements. Copies of the model unit agreements are posted at the MMS Web site: <http://www.gomr.mms.gov/homepg/pd/unitization.html>.

Frequency: The frequency of reporting is on occasion.

Estimated Number and Description of Respondents: Approximately 130 Federal OCS oil and gas or sulphur lessees.

Estimated Reporting and Recordkeeping "Hour" Burden: The estimated annual "hour" burden for this information collection is a total of 5,396 hours. The following chart details the individual components and estimated hour burdens. There are no recordkeeping requirements under 30 CFR part 250, subpart M. In calculating the burdens, we assumed that respondents perform certain requirements in the normal course of their activities. We consider these to be usual and customary and took that into account in estimating the burden.

BURDEN BREAKDOWN

Citation 30 CFR 250 subpart M	Reporting requirement	Burden per requirement	Average annual responses	Annual burden hours

Total Hour Burden	460	5,396

* These requirements are specified in each Unit Agreement.

Estimated Reporting and Recordkeeping “Non-Hour Cost” Burden: Section 250.1304(d) provides an opportunity for parties notified of compulsory unitization to request a hearing. Section 250.1304(e) requires the party seeking the compulsory unitization to pay for the court reporter and three copies of the verbatim transcript of the hearing. It should be noted there have been no such hearings in the recent past, and none are expected in the near future. We estimate the paperwork cost burden would be less than \$250.

Public Disclosure Statement: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

Comments: Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3501, *et seq.*) requires each agency “* * * to provide notice * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *”. Agencies must specifically solicit comments to: (a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of

automated collection techniques or other forms of information technology.

To comply with the public consultation process, on March 28, 2002, we published a **Federal Register** notice (67 FR 14968) announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. In addition, 30 CFR 250.199 provides the OMB control numbers for the information collection requirements imposed by the regulations and forms. That regulation also informs the public that they may comment at any time on the collections of information and provides the address to which they should send comments. We have received no comments in response to these efforts.

If you wish to comment in response to this notice, you may send your comments to the offices listed under the **ADDRESSES** section of this notice. OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days.

Therefore, to ensure maximum consideration, OMB should receive public comments by August 12, 2002.

Public Comment Policy: Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There may be circumstances in which we would withhold from the record a respondent’s identity, as allowable by the law. If you wish us to withhold your name and/or address, you must state this

prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.
