BILLING CODE 4310-MR-P

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

36 CFR Part 1200

RIN 3095-AB12

Official Seals

AGENCY: National Archives and Records Administration (NARA).

ACTION: Proposed rule.

SUMMARY: The National Archives and Records Administration (NARA) is proposing to revise its regulations on the NARA official seals. This proposal adds our criteria for approving and denying requests submitted by the public and other Federal agencies to use our official seals. It also proposes to require more detailed facts in written requests and includes NARA's conditions for use if a request is

approved. This part has been rewritten in plain language format and applies to the public and other Federal agencies.

DATES: Comments are due by September 16, 2002.

ADDRESSES: Comments must be sent to Regulation Comments Desk (NPOL), Room 4100, Policy and Communications Staff, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001. They may be faxed to 301-837-0319. You may also comment via the Internet to comments@nara.gov. See the **SUPPLEMENTARY INFORMATION** section for additional instructions on submitting e-mail comments.

Comments on the information collection contained in this proposed rule should also be sent to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attn: Brooke Dickson, NARA Desk Officer, via fax or e-mail to bdickson@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: Kim Richardson at telephone number 301-837-2902 or fax number 301-837-0319.

SUPPLEMENTARY INFORMATION: NARA's three official seals are the National Archives and Records Administration seal; the National Archives seal; and the National Archives Trust Fund Board seal. The official seals are used to authenticate various copies of official records in our custody and for other official NARA business. Occasionally, when criteria are met, we will permit the public and other Federal agencies to use our official seals. A written request must be submitted to use the official seals, which we approve or deny using specific criteria. We are proposing to add our criteria for approval as follows:

- The first criterion is that NARA must be participating in the event or activity by providing speakers, space, or other similar services (examples: NARA co-sponsoring a symposium or conference).

- The second criterion for approval is the seal's proposed use must not imply NARA's endorsement of a commercial product or service or of the user's policies or activities. NARA, as a Federal agency, cannot promote or endorse, directly or indirectly, any of the above mentioned activities.

We are also proposing to require more detailed facts in written requests. Detailed and accurate requests enable us to make determinations that do not compromise our provisions for using the official seals as stated in these regulations.

We also propose to add conditions for use if the request is approved. The conditions include that the seal must only be used for the specific purpose for which approval is granted, the approval must not be delegated without our prior approval, and the seal itself must not be altered.

This part has been rewritten in plain language format and applies to the public and other Federal agencies.

Information Collection Subject to the Paperwork Reduction Act

The proposed information collection in § 1200.10, the written request, is subject to the Paperwork Reduction Act. Under this Act, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The control number for this information collection will be assigned by OMB. NARA invites comments on this proposed information collection.

Comments should be addressed to NARA and OMB (see **ADDRESSES**).

The proposed information collection in § 1200.10 is designed to assist NARA in determining whether to approve requests to use our official seals. It affects the public and other Federal agencies that are requesting to use our official seals. We estimate that we will receive five requests per year from five respondents and that the respondent burden to provide the information will be 20 minutes per request, for a total burden of one hour and 40 minutes.

E-mail Comments

Please submit e-mail comments within the body of your e-mail message or as an attachment. Please also include "Attn: 3095-AB12" and your name and return address in your Internet message. If you do not receive a confirmation that we have received your e-mail message, contact the Regulation Comment Desk at 301-837-2902.

This proposed rule is not a significant regulatory action for the purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, I certify that this proposed rule will not have a significant impact on a substantial number of small entities. This regulation does not have any federalism implications.
