

Under the heading "retention", BEP is adding language concerning the retention of the records submitted by the visitors to the bureau premises. Under the heading "System Manager," the identification of the system manager at the Fort Worth facility is being changed to show that the Manager of the Security and Police Division is the specific individual responsible for the maintenance of the records at that facility.

Finally, all references to Bureau of the Public Debt (BPD) employees are removed from the text under the headings "Categories of individuals," "Categories of records in the system," and "Safeguards," as they no longer occupy the BEP facility.

The system notice was last published in its entirety in the **Federal Register**, Vol. 66, page 33305, on June 21, 2001.

The report of an altered system of records, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been submitted to the Committee on Government Operations of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals."

For the reasons set forth in this preamble, the BEP proposes to amend its system of records Treasury/BEP .027 as set forth below:
