Public Health Service

National Toxicology Program (NTP) Board of Scientific Counselors' Meeting; Review of Nominations for Listing in the 11th Report on Carcinogens

Pursuant to Public Law 92-463, notice is hereby given of the next meeting of the NTP Board of Scientific Counselors Report on Carcinogens Subcommittee ("the NTP RoC Subcommittee") to be held on November 19 & 20, 2002, at the Hyatt Regency Bethesda, One Bethesda Metro Center, 7400 Wisconsin Avenue, Bethesda, MD 20814. On November 19, registration will begin at 9 a.m. and the meeting will begin at 9:30 a.m. On November 20, the meeting will begin at 8:30 a.m. Pre-registration is not required; however, persons requesting time to make oral, public comments are asked to notify Dr. Mary S. Wolfe, Executive Secretary, prior to the meeting (contact information given below). The agenda covers the peer review of 10 nominations for possible listing in the 11th Report on Carcinogens, and includes an opportunity for public input.

Background

The Department of Health and Human Services (DHHS) Report on Carcinogens (RoC) is a public information document prepared by the National Toxicology Program (NTP) in response to Section 301(b)(4) of the Public Health Service Act, as amended. The intent of the document is to provide a listing of those agents, substances, mixtures or exposure circumstances that are either "known" or "reasonably anticipated" to cause cancer in humans and to which a significant number of people in the United States are exposed. The process for preparation of the RoC has three levels of scientific peer review. Central to the evaluations of the review groups is the use of criteria for inclusion in or removal of listings from the RoC. The current criteria for listing in or delisting from the report is available on the

Internet at the following website: <http://ntp-server.niehs.nih.gov/NewHomeRoc/ListingCriteria.html>, or can be obtained in hard copy by contacting Dr. Jameson at the address listed below. The review process for listing in or delisting from the RoC begins with initial scientific review by the National Institute of Environmental Health Sciences (NIEHS)/NTP Report on Carcinogens Review Committee (RG1), which is comprised of NIEHS/NTP staff scientists. The second scientific review group (RG2) is comprised of representatives from the Federal health research and regulatory agencies that are members of the NTP Executive Committee. The third step is external public peer review by the NTP RoC Subcommittee. Following completion of these reviews and solicitation of public comments through announcements in the **Federal Register** and other media, the independent recommendations of the three scientific peer review groups and all public comments are presented to the NTP Executive Committee for review and comment. All recommendations and public comments are submitted to the Director, NTP, who reviews them and makes a final recommendation to the Secretary, DHHS, concerning the listing or delisting of substances or exposure circumstances in the RoC. The Secretary has final review and approval for the 11th RoC.

Agenda

The meeting of the NTP RoC Subcommittee is scheduled for November 19 & 20, 2002. Tentatively scheduled to be peer reviewed are 10 nominated chemicals or exposure circumstances. These nominations are listed alphabetically in the attached table, along with supporting information and a tentative order of presentation and review. Background summary documents for each of the nominations are available to the public and include a summary of the scientific data and information being used to evaluate the nomination. A copy of the draft background summary document for each of these nominations is available electronically through the NTP's homepage at <http://ntp-server.niehs.nih.gov/> (select Report on Carcinogens) or can be obtained on CD or in hard copy, as available, from: Dr. C.W. Jameson, Report on Carcinogens, NIEHS, MD EC-14, 79 Alexander Drive, Building 4401, Room 3118, P.O. Box 12233, Research Triangle Park, NC 27709 (919/541-4096; FAX 919/541-0144; email jameson@niehs.nih.gov).

Previous announcements in the **Federal Register** (July 24, 2001: Volume

66, Number 142, Pages 38430-38432 and March 28, 2002: Volume 67, Number 60, Page 14957) called for public comments on the nominations to be reviewed for possible listing in the 11th RoC. These announcements identified a total of 17 nominations. This review by the NTP RoC Subcommittee is for the first set of 10 nominations identified in those **Federal Register** announcements that have completed review by the RG1 and the RG2. The remaining 7 nominations for the 11th RoC will be reviewed by the NTP RoC Subcommittee in 2003. The date and details about that meeting will be published in a future **Federal Register** notice.

Solicitation of Public Comment

The NTP RoC Subcommittee meeting is open to the public, and time will be provided for oral public comment on each of the nominations under review. In order to facilitate planning for the meeting, persons requesting time for an oral presentation regarding a particular nomination should notify the Executive Secretary, Dr. Mary S. Wolfe, P.O. Box 12233, A3-01, Research Triangle Park, NC 27709 (telephone 919/541-3971; FAX 919/541-0295; email wolfe@niehs.nih.gov) no later than November 4, 2002. Each organization is allowed one time slot for an oral presentation per nomination. Persons registering to make comments are asked to provide, if possible, a written copy of their statement by November 4th so copies can be made and distributed to NTP RoC Subcommittee members for their timely review prior to the meeting. Written statements can supplement and expand the oral presentation, and each speaker is asked to provide his/her name, affiliation, mailing address, phone, fax, e-mail and supporting organization (if any). At least 7 minutes will be allotted to each speaker, and if time permits, can be extended to 10 minutes. Individuals who register to make oral presentations by November 4th will be notified about the time available for their presentation at least one week prior to the meeting. Registration for making public comments will also be available on-site. Time allowed for presentation by on-site registrants may be less than that for preregistered speakers and will be determined by the number who have registered at the meeting. If registering on-site to speak and reading oral comments from printed copy, the speaker is asked to bring 25 copies of the text. These copies will be distributed to the NTP RoC Subcommittee members and supplement the record. All comments

received in response to this **Federal Register** notice will be posted on the NTP RoC web site.

Written comments, in lieu of making oral comments, are welcome. All comments must include name, affiliation, mailing address, phone, fax, e-mail and sponsoring organization (if any) and should be received by November 4, 2002 for distribution to the NTP RoC Subcommittee. Written comments received after November 4th will not be considered by NTP RoC Subcommittee members in their reviews.

Solicitation of Additional Information

The NTP would welcome receiving information from completed human or experimental animal cancer studies or studies of mechanism of cancer formation, as well as current production data, human exposure information, and use patterns for any of the nominations listed in this announcement. Organizations or individuals that wish to provide information should contact Dr. C.W. Jameson at the address given above.

The agenda and a roster of NTP RoC Subcommittee members will be available prior to the meeting on the NTP homepage at <http://ntp-server.niehs.nih.gov/> and upon request from Dr. Wolfe. Following the meeting, summary minutes will also be available on the NTP web site (<http://ntp-server.niehs.nih.gov>, select Meetings) and upon request from Dr. Wolfe.

Dated: September 12, 2002.

Samuel Wilson,

Deputy Director, National Institute of Environmental Health Sciences.

SUMMARY DATA FOR NOMINATIONS TENTATIVELY SCHEDULED FOR REVIEW AT THE MEETING OF THE NTP BOARD OF SCIENTIFIC COUNSELORS REPORT ON CARCINOGENS SUBCOMMITTEE NOVEMBER 19 AND 20, 2002

Nomination to be reviewed CAS number	Primary uses or exposures	To be reviewed for—	Tentative review order
1-Amino-2,4-dibromoanthraquinone/ (81-49-2)	1-Amino-2,4-dibromoanthraquinone is an anthraquinone-derived vat dye that is used in the textile industry.	Listing in the 11th RoC	1
Cobalt Sulfate/(10124-43-3)	Cobalt sulfate is used in electroplating and electrochemical industries. It is also used as a coloring agent for ceramics, a drying agent in inks, paints, varnishes and linoleum, and has been added to animal feed as a mineral supplement.	Listing in the 11th RoC	6
Diethanolamine (DEA)/(111-42-2)	DEA is used in the preparation of surfactants used in liquid laundry, dishwashing detergents, cosmetics, shampoos, and hair conditioners. DEA is also used in metal working fluids, in textile processing, industrial gas purification and as an anticorrosion agent.	Listing in the 11th RoC	5
Naphthalene/(91-20-3)	Naphthalene is used as an intermediate in the synthesis of many industrial chemicals, an ingredient in some moth repellants and toilet bowl deodorants, as an antiseptics for irrigating animal wounds and to control lice on livestock and poultry.	Listing in the 11th RoC	2
Nitrobenzene/(98-95-3)	Nitrobenzene is used mainly in the production of aniline, itself a major chemical intermediate in the production of dyes.	Listing in the 11th RoC	8
Nitromethane/(75-52-5)	Nitromethane is used in specialized fuels, in explosives and in the synthesis of nitromethane derivatives, pharmaceuticals, agricultural soil fumigants and industrial antimicrobials. In the past it was used as a chemical stabilizer to prevent the decomposition of various halogenated hydrocarbons such as metal degreasers and aerosol propellants.	Listing in the 11th RoC	4
Selected Heterocyclic Amines (Three Nominations): (1) 2-Amino-3,4-dimethylimidazo[4,5-f]quinoline (MeIQ)/(77094-11-2) (2) 2-Amino-3,8-dimethylimidazo[4,5-f]quinoxaline (MeIQx)/(77500-04-0) (3) 2-Amino-1-methyl-6-phenylimidazo[4,5-b]pyridine (PhIP)/(105650-23-5) 4,4'-Thiodianiline/(139-65-1)	MeIQ, MeIQx, and PhIP are heterocyclic amines that are formed during heating or cooking and are found in cooked meats and fish. 4,4'-Thiodianiline has been produced commercially since the early 1940s as an intermediate of several diazo dyes.	Listing in the 11th RoC Listing in the 11th RoC	13 7

¹ These three nominations will be reviewed together.

BILLING CODE 4140-01-P

**DEPARTMENT OF HOUSING AND
URBAN DEVELOPMENT**

[Docket No. FR-4737-N-7]

**Notice of Proposed Information
Collection for Public Comment: HOPE
VI—In-Depth Assessment of Family
and Neighborhood Outcomes—Wave
Two of Panel Study****AGENCY:** Office of Policy Development
and Research, HUD.**ACTION:** Notice.**SUMMARY:** The proposed information
collection requirement described below
has been submitted to the Office of
Management and Budget (OMB) for
review, as required by the Paperwork
Reduction Act. The Department is
soliciting public comments on the
subject proposal.**DATES:** Comment Due Date: November
19, 2002.**ADDRESSES:** Interested persons are
invited to submit comments regarding
this proposal. Comments should refer to:
the proposal by name and/or OMB
approval number and should be sent to:
Mildred M. Hamman, Reports Liaison
Officer, Public and Indian Housing
Department of Housing and Urban
Development, 451 7th St., SW., Room
4238 Washington, DC 20410-5000.**FOR FURTHER INFORMATION CONTACT:**
Mildred M. Hamman, (202) 708-3642, x
4128 or Robert A. Leonard, (202) 708-3700, x4027 for copies of the proposed
survey or other documents. These are
not a toll-free numbers.**SUPPLEMENTARY INFORMATION:** The
Department has submitted the proposal
for the collection of information, as
described below, to OMB for review, as
required by the Paperwork Reduction
Act (44 U.S.C. Chapter 35, as amended).This Notice is soliciting comments
from members of the public and affected
agencies concerning the proposed
collection of information to: (1) Evaluate
whether the proposed collection of
information is necessary for the proper
performance of the function of the
agency, including whether the
information will have practical utility;
(2) Evaluate the accuracy of the agency's
estimate of the burden of the proposed
collection of information; (3) Enhance
the quality, utility, and clarity of the
information to be collected; and (4)
Minimize the burden of the collection of
information on those who are to
respond; including the use of
appropriate automated collection
techniques or other forms of information
technology, e.g., permitting electronic
submission or responses.This Notice also lists the following
information:*Title of Proposal:* HOPE VI—In-depth
Assessment of Family and
Neighborhood Outcomes—Wave Two of
Panel Study.*Office:* Public Housing Investments in
the Office of Public and Indian Housing,
HUD*OMB Approval Number:* Extension of
OMB #2577-0236.*Description of the Need for the
Information and its Proposed Use:*Questions have been raised among some
observers of the HOPE VI program about
where the original residents of the
developments are living. The purposes
of the information collected for this
study is to increase knowledge of the
ways in which housing choices and
outcomes of original residents are
affected by revitalization efforts at
selected HOPE VI sites. Data gathered
will be used by the Urban Institute and
Abt Associates to prepare a project
report that will allow HUD to begin
assessing the benefits of HOPE VI for the
original residents, particularly those
that may accrue to families choosing to
move to other locations, and to provide
more guidance to grantees on relocation
choices and strategies. This notice
covers the second and third waves of a
three-wave panel study. The survey for
waves 2 and 3 will cover the same topic
areas as were addressed in the baseline
survey: housing and neighborhood
conditions; adult and child health; child
education; adult employment, income
and hardship; and relocation from
public housing.*Form Number:* None.*Members of Affected Public:* 887
randomly selected original residents of
the five selected HOPE VI sites that have
received HOPE VI grants between 1998
and 2000 and that have not begun
relocating residents.*Frequency of Submission:* Once.*Reporting Burden:*

	Number of respondents	×	Frequency of response	×	Hours per re- sponse	=	Burden hours
Original Residents	887		2		1		1,774

Total Estimated Burden Hours: 1,774.*Status of the Proposed Information
Collection:* Extension of previous
approval.**Authority:** Section 3507 of the Paperwork
Reduction Act of 1995, 44 U.S.C. 35, as
amended.

Dated: September 10, 2002.

Harold L. Bunce,*Deputy Assistant Secretary, for Economics
Affairs.*
