DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

Federal Highway Administration

Designation of Transportation Management Areas

AGENCIES: Federal Transit Administration (FTA), Federal Highway Administration (FHWA), DOT.

ACTION: Supplementary notice of designation.

SUMMARY: The Federal Transit Administration (FTA) and the Federal Highway Administration (FHWA) are modifying their announcement designating Transportation Management Areas (TMAs) issued on July 8, 2002. This action is necessary because in August 2002 the Census Bureau published a list of corrections to their population figures that we used to designate the TMAs. This notice is effective immediately and supersedes the other notice issued on July 8, 2002.

DATES: October 4, 2002.

FOR FURTHER INFORMATION CONTACT: For FTA related questions, Paul L. Verchinski, Office of Planning Operations (TPL-11), (202) 366-1626, Federal Transit Administration, 400 Seventh Street, SW., Washington, DC 20590. e-mail: Paul.verchinski@fta.dot.gov. Scott Biehl, Office of Chief Counsel (TCC), (202) 366-4063, Federal Transit

Administration, 400 Seventh Street, SW., Washington, DC 20590. e-mail: scott.biehl@fta.dot.gov. Office hours for the FTA are from 8:30 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays.

For FHWA related questions, John Humeston, Office of Metropolitan Planning (HEPM), (404) 562-3667, Federal Highway Administration, 60 Forsyth Street, Suite 8M5; Atlanta, Georgia 30303-3104; e-mail: john.humeston@fhwa.dot.gov. Reid Alsop, Office of Chief Counsel (HCC), (202) 366-1371, Federal Highway Administration, 400 Seventh Street, SW., Washington, DC 20590; e-mail: reid.alsop@fhwa.dot.gov. Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: Titles 23 and 49 of the United States Code (23 U.S.C. 134 (i), and 49 U.S.C. 5305, respectively) require the Secretary of Transportation to designate urbanized areas over 200,000 population as Transportation Management Areas (TMAs).

The Census Bureau defined the Census 2000 urbanized areas using the criteria published in the **Federal Register** on March 15, 2002 (67 FR 11663). As a result, there were significant changes in the Census 2000 universe of urbanized areas from those defined, based on the 1990 census and criteria. A detailed description of the terminology and changes noted in the column entitled "Area Comparison to 1990 Census TMAs" is presented in the Census Bureau's notice of "Qualifying Urban Areas for Census 2000" in the **Federal Register** on May 1, 2002 (67 FR 21961).

On July 8, 2002, the Secretary of Transportation through the FTA and the

FHWA, in compliance with the agencies' authorizing statutes, 23 U.S.C. 134 and 49 U.S.C. 5305, published the list of TMAs in the **Federal Register** (67 FR 45173).

On August 23, 2002, the Census Bureau published a corrected list of urbanized areas and urban clusters in the **Federal Register** (67 FR 54630). This notice also modified the area of and population of a few urbanized areas and urban clusters by adding small amounts of territory to selected urbanized areas and urban clusters.

As a result of these Census published changes, it became necessary for the FHWA and FTA to amend the list of urbanized areas designated as TMAs. The three changes to the list of TMAs are the merging of San Rafael—Novato, California TMA with the San Francisco—Oakland, California TMA into a larger San Francisco—Oakland, California TMA; the modification of population figures in the Denver "Aurora, Colorado TMA; and the modification of population figures for the Fort Collins, Colorado TMA. Therefore, this action modifies the list of urbanized areas that are designated as TMAs. This action supersedes the previous list of urbanized areas designated as TMAs issued on July 8, 2002, at 67 FR 45173. This modification includes the Census originated corrections and provides an inclusive list of designated TMAs.

Authority: 23 U.S.C. 315; 23 U.S.C. 134(i), 49 U.S.C. 5305, 49 CFR 1.48 and 1.51.

Issued on: September 30, 2002.

Deputy Federal Transit Administrator.

Mary E. Peters,

Federal Highway Administrator.

BILLING CODE 4910-22-P

DEPARTMENT OF THE TREASURY

Departmental Offices; Privacy Act of 1974, as Amended; System of Records

AGENCY: Departmental Offices, Treasury.

ACTION: Notice of proposed alterations to three Privacy Act systems of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, the Department of the Treasury is proposing to revise a routine use in two of its systems of records and adding the revised routine use to a third system of records.

DATES: Comments must be received no later than November 4, 2002. The revised systems of records will be effective as of November 13, 2002, unless comments are received that result in a contrary determination and notice is published to that effect.

ADDRESSES: Comments should be sent to Chief of Records, Office of Foreign Assets Control, Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220. You may also send your comments by Fax to (202) 622-2500.

FOR FURTHER INFORMATION CONTACT: Director, Office of Foreign Assets Control, (202) 622-2500.

SUPPLEMENTARY INFORMATION: The Office of Foreign Assets Control (OFAC), is the Office of the Department of the Treasury with responsibility for a variety of functions relating to economic sanctions imposed by the United States in the interests of national security, foreign policy and the economy.

The Department of the Treasury is giving notice of an alteration to a routine use currently utilized in two systems of records maintained by OFAC. Currently, routine use (3) found in DO .114-Foreign Assets Control Enforcement Records, and routine use (4) found in DO .118-Foreign Assets Control Licensing Records reads as follows: "Disclose information to a court, magistrate, or administrative tribunal in the course of presenting evidence, including disclosure to opposing counsel or witnesses in the course of civil discovery, litigation, or settlement negotiations or in response to a subpoena or in connection with criminal law proceedings."

The two routine uses are to be altered by adding the following clause to the end of the existing text: "when the United States or any agency or subdivision thereof is a party to any of

the above proceedings and such information is determined to be arguably relevant to the proceeding." The alteration is necessary to clarify the scope of the routine use within the context of legal proceedings.

In addition, the routine use, as revised above, will be added to DO .111-Office of Foreign Assets Control Census Records which is also maintained by OFAC.

Under "Authority for maintenance of the system" for both DO .114-Foreign Assets Control Enforcement Records and DO .118-Foreign Assets Control Licensing Records, the authority citation is being changed to permit the reader to more easily locate the statute under which OFAC is acting, and to conform the citation to the style used by the Office of the Federal Register.

The report of altered systems of records, as required by 5 U.S.C. 552a(r), has been submitted to the Committee on Government Reform in the House of Representatives, the Committee on Governmental Affairs in the Senate, and Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," November 30, 2000.

The proposed alterations to the OFAC systems of records; DO .111—Office of Foreign Assets Control Census Records; DO .114—Foreign Assets Control Enforcement Records, and DO .118—Foreign Assets Control Licensing Records are set forth below.

Dated: September 26, 2002.
