reasonable to extend the time limit for withdrawing the request. Allied Tube, *et al.* were the only parties to request this review and they withdrew their request within the 90-day period. Accordingly, this review is rescinded.

This notice is issued and published in accordance with section 751 of the Act (19 U.S.C. 1675) and 19 CFR 351.213(d)(4).

Notice of Amended Final Affirmative Countervailing Duty Determination: Carbon and Certain Alloy Steel Wire Rod from Germany

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amended final affirmative countervailing duty determination.

SUMMARY: On August 30, 2002, the Department of Commerce published in the *Federal Register* the *Final Affirmative Countervailing Duty Determination and Final Negative Critical Circumstances Determination: Carbon and Certain Alloy Steel Wire Rod from Germany*, 67 FR 55808 (August 30, 2002). On September 4, 2002 we received a ministerial error allegation from Saarlust AG. On September 9, 2002, the petitioners filed a response to the allegation. Based on our review of the comments received from the parties, we are not revising the estimated countervailing duty rate for Saarlust AG.

Subsequent to issuing the final determination, the Department noted an error in the calculation of the "all others" rate. We have revised the estimated countervailing duty "all others" rate accordingly. The revision to the "all others" rate is listed below in the "Amended Final Determination" section.

EFFECTIVE DATE: October 7, 2002.
