GPRA Client Outcomes for the Substance Abuse and Mental Health Services Administration (SAMHSA)—(OMB No. 0930-0208, revision)—The mission of the Substance Abuse and Mental Health Services Administration (SAMHSA) is to improve the effectiveness and efficiency of substance abuse and mental health treatment and prevention services across the United States. All of SAMHSA's activities are designed to ultimately reduce the gap in the availability of substance abuse and mental health services and to improve their effectiveness and efficiency.

Data are collected from all SAMHSA knowledge application and targeted capacity expansion grants and contracts where client outcomes are to be assessed at intake and post-treatment.

SAMHSA-funded projects are required to submit this data as a contingency for their award. The analysis of the data will also help determine whether the goal of reducing health and social costs of drug use to the public is being achieved.

The primary purpose of this data collection activity is to meet the reporting requirements of the Government Performance and Results Act (GPRA) by allowing SAMHSA to quantify the effects and accomplishments of SAMHSA programs. In addition, the data will be useful in addressing goals and objectives outlined in ONDCP's *Performance Measures of Effectiveness*. Following is the estimated annual response burden for this effort.

Center/number of annual clients-participants	Data collections per client/participant	Hours per data collection	Total hours	Added burden prop.	Total hour burden
CMHS: 3,750 .....	3	.33	3,713	0.70	2,599
CSAP: 12,150 .....	3	.33	12,029	0.72	8,661
CSAT: 26,031 <sup>1</sup> .....	3	.33	25,771	0.47	12,112

Center/number of annual clients-participants	Data collections per client/participant	Hours per data collection	Total hours	Added burden prop.	Total hour burden
3,500 <sup>2</sup> .....	3 <sup>4</sup>	.33	4,620	0.47	2,171
Total: 45,431 .....	.....	.....	.....	.....	25,543

<sup>1</sup> Adults.<sup>2</sup> Adolescents.<sup>3</sup> Four data collections for adolescents.

Note: This is the maximum additional burden if all clients/participants complete three sets of items. CSAP and CSAT adolescent clients/participants do not usually receive all four data collections. Added burden proportion is an adjustment reflecting the extent to which programs typically already collect the data items.

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Allison Herron Eydt, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: October 7, 2002.

[Docket No. FR-4463-N-11]

### Mortgage and Loan Insurance Programs Under the National Housing Act—Debenture Interest Rates

**AGENCY:** Office of the Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

**ACTION:** Notice of change in debenture interest rates.

**SUMMARY:** This notice announces changes in the interest rates to be paid on debentures issued with respect to a loan or mortgage insured by the Federal Housing Commissioner under the provisions of the National Housing Act (the "Act"). The interest rate for debentures issued under section 221(g)(4) of the Act during the 6-month period beginning July 1, 2002, is 6 $\frac{5}{8}$  percent. The interest rate for debentures issued under any other provision of the Act is the rate in effect on the date that the commitment to insure the loan or mortgage was issued, or the date that the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. The interest rate for debentures issued under these other provisions with respect to a loan or mortgage committed or endorsed during the 6-month period beginning July 1, 2002, is 5 $\frac{3}{4}$  percent.

**FOR FURTHER INFORMATION CONTACT:** James B. Mitchell, U.S. Department of

Housing and Urban Development, 451 7th Street, SW, Room 6164, Washington, DC 20410. Telephone (202) 708-3944, extension 2612, or TDD (202) 708-4594 for hearing- or speech-impaired callers. These are not toll-free numbers.

**SUPPLEMENTARY INFORMATION:** Section 224 of the National Housing Act (24 U.S.C. 1715o) provides that debentures issued under the Act with respect to an insured loan or mortgage (except for debentures issued pursuant to Section 221(g)(4) of the Act) will bear interest at the rate in effect on the date the commitment to insure the loan or mortgage was issued, or the date the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. This provision is implemented in HUD's regulations at 24 CFR 203.405, 203.479, 207.259(e)(6), and 220.830. These regulatory provisions state that the applicable rates of interest will be published twice each year as a notice in the **Federal Register**.

Section 224 further provides that the interest rate on these debentures will be set from time to time by the Secretary of HUD, with the approval of the Secretary of the Treasury, in an amount not in excess of the annual interest rate determined by the Secretary of the Treasury pursuant to a satisfactory formula based on the average yield of all outstanding marketable Treasury obligations of maturities of 15 or more years.

The Secretary of the Treasury (1) has determined, in accordance with the provisions of Section 224, that the statutory maximum interest rate for the period beginning July 1, 2002, is 5 $\frac{3}{4}$  percent; and (2) has approved the establishment of the debenture interest rate by the Secretary of HUD at 5 $\frac{3}{4}$  percent for the 6-month period beginning July 1, 2002. This interest rate will be the rate borne by debentures issued with respect to any insured loan or mortgage (except for debentures issued pursuant to Section 221(g)(4)) with insurance commitment or
