

DEMARCATIION line defined in 33 CFR 80.1480.

(8) *Area Around Cruise Ships in the vicinity of Lahaina Small Boat Harbor, Maui, and Kailua-Kona Small Boat Harbor, Hawaii.* The waters extending out 500 yards in all directions from cruise ship vessels anchored within 3 miles of:

(i) Lahaina Small Boat Harbor, Maui, between Makila Point and Puunoa Point.

(ii) Kailua-Kona Small Boat Harbor, Hawaii, between Keahulolu Point and Puapuaa Point.

(9) *Barbers Point Harbor, Oahu.* All waters contained within the Barbers Point Harbor, Oahu, enclosed by a line drawn between Harbor Entrance Channel Light 6 and the jetty point day beacon at 21°19.5' N, 158°07.3' W.

(b) *Designated representative.* A designated representative of the Captain of the Port is any Coast Guard commissioned officer, warrant or petty officer that has been authorized by the Captain of the Port Honolulu to act on his behalf. The following officers have or will be designated by the Captain of the Port Honolulu: The senior Coast Guard boarding officer on each vessel enforcing the security zone.

(c) *Regulations.* (1) In accordance with § 165.33, entry into these zones is prohibited unless authorized by the Coast Guard Captain of the Port, Honolulu or his designated representatives. Section 165.33 also contains other general requirements.

(2) The existence or status of the temporary security zones in this section will be announced periodically by Broadcast Notice to Mariners.

(3) Persons desiring to transit the areas of the security zones may contact the Captain of the Port at command center telephone number (808) 541-2477 or on VHF channel 16 (156.8 Mhz) to seek permission to transit the area. If permission is granted, all persons and vessels shall comply with the instructions of the Captain of the Port or his designated representatives.

(d) *Authority.* In addition to 33 U.S.C. 1231, the authority for this section is 33 U.S.C. 1226; 49 CFR 1.46.

(e) *Effective period.* This section is effective from 4 p.m. HST October 19, 2002, until 4 p.m. HST April 19, 2003.

Dated: October 11, 2002.

R.D. Utley,

Rear Admiral, U.S. Coast Guard, Commander, Fourteenth Coast Guard District.

33 CFR Part 117

[CGD01-02-101]

RIN 2115-AE47

Drawbridge Operation Regulations: Dorchester Bay, MA

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: The Coast Guard has changed the drawbridge operation regulations that govern the operation of the William T. Morrissey Boulevard Bridge, mile 0.0, across Dorchester Bay at Boston, Massachusetts. This final rule will allow the bridge to remain in the closed position from November 1, 2002, through May 10, 2003. This action is necessary to facilitate rehabilitation construction at the bridge.

DATES: This rule is effective November 1, 2002, through May 10, 2003.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket (CGD01-02-101) and are available for inspection or copying at the First Coast Guard District, Bridge Branch Office, 408 Atlantic Avenue, Boston, Massachusetts, 02110, between 7 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Mr. John McDonald, Project Officer, First Coast Guard District, (617) 223-8364.

SUPPLEMENTARY INFORMATION:

Regulatory Information

Pursuant to 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this final rule effective in less than 30 days after publication in the **Federal Register**. Any delay encountered in this regulation's effective date would be unnecessary and contrary to the public interest because the rehabilitation construction is necessary in order to assure continued reliable operation of the bridge.

On September 3, 2002, we published a notice of proposed rulemaking (NPRM) entitled Drawbridge Operation Regulations; Dorchester Bay, Massachusetts, in the **Federal Register** (67 FR 56247). We received no comments in response to the notice of proposed rulemaking. No public hearing was requested and none was held.

Background and Purpose

The William T. Morrissey Boulevard Bridge, at mile 0.0, across Dorchester

Bay has a vertical clearance of 12 feet at mean high water and 22 feet at mean low water. The existing regulations at 33 CFR 117.597 require the draw to open on signal from April 16 through October 14; except that, the draw need not open for vessel traffic from 7:30 a.m. to 9 a.m. and from 4:30 p.m. to 6 p.m. except on Saturdays, Sundays, or holidays observed in the locality. From October 15 through April 15, the draw shall open on signal if at least twenty-four hours notice is given.

The bridge owner, the Metropolitan District Commission (MDC), asked the Coast Guard to temporarily change the drawbridge operation regulations to allow the bridge to remain in the closed position from November 1, 2002 through May 10, 2003, to facilitate rehabilitation construction at the bridge. The bridge owner and the Coast Guard contacted all known waterway users to advise them of the proposed closure. No objections or negative comments were received in response to this proposal.

Discussion of Comments and Changes

The Coast Guard received no comments in response to the notice of proposed rulemaking and as a result, no changes have been made to this final rule.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3), of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979).

This conclusion is based on the fact that the only marine facility effected by this final rule has agreed to the closure dates for the bridge.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b), that this rule will not have a significant economic impact on a substantial number of small entities.

This conclusion is based on the fact that the only marine facility effected by this final rule has agreed to the closure dates for the bridge.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This final rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have considered the environmental impact of this rule and concluded that under figure 2-1, paragraph (32)(e), of Commandant Instruction M16475.1D, this rule is categorically excluded from further environmental documentation because promulgation of changes to drawbridge regulations have been found to not have a significant effect on the environment. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 117

Bridges.

Regulations

For the reasons set out in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 49 CFR 1.46; 33 CFR 1.05-1(g); section 117.255 also issued under the authority of Pub. L. 102-587, 106 Stat. 5039.

§ 117.597 [Suspended]

2. From November 1, 2002 through May 10, 2003, § 117.597 is suspended.

3. From November 1, 2002 through May 10, 2003, § 117.T602 is temporarily added to read as follows:

§ 117.T602 Dorchester Bay.

The draw of the William T. Morrissey Boulevard Bridge, mile 0.0, at Boston, need not open for the passage of vessel traffic.

Dated: October 17, 2002.

V.S. Crea,

Rear Admiral, U.S. Coast Guard, Commander, First Coast Guard District.

33 CFR Part 117

[CGD01-02-117]

Drawbridge Operation Regulations: Hackensack River, NJ

AGENCY: Coast Guard, DOT.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the drawbridge operation regulations for the NJTRO HX Bridge, mile 7.7, across the Hackensack River at Secaucus, New Jersey.

This temporary deviation will allow the bridge to remain closed to navigation for four weekends beginning October 19, 2002, and ending on November 10, 2002. This temporary deviation is necessary to facilitate maintenance at the bridge.

DATES: This deviation is effective from October 19, 2002, through November 10, 2002.

FOR FURTHER INFORMATION CONTACT: Joe Arca, Project Officer, First Coast Guard District, at (212) 668-7165.
