

information and services related to its program responsibilities defined at 7 CFR 2.65, the Agricultural Research Service (ARS) needs to obtain certain basic information from the public, for example, research item or event participation requested, and name and contact information for requestor or participant. To comply with the requirements of GPEA, ARS needs to provide web forms so that customers may contact them electronically to request services such as speakers for eligible organizations; research data, materials, and models; publication; speakers; or conference, event, and study registrations.

**Need and Use of the Information:** ARS will use the information to respond to requests for specific services. The information will be collected electronically, by telephone, or by mail. If this collection is not conducted, ARS will be hindered from advancing its compliance with GPEA.

**Description of Respondents:** Individuals or households.

**Number of Respondents:** 11,450.

**Frequency of Responses:** Reporting: On occasion.

**Total Burden Hours:** 572.

#### National Agricultural Statistics Service

**Title:** Stock Report.

**OMB Control Number:** 0535-0007.

**Summary of Collection:** The primary function of the National Agricultural Statistics Service (NASS) is to prepare and issue current official State and national estimates of crop and livestock production. As part of this function, estimates are made for stocks of grain and oilseeds, potatoes, peanuts, hops, and rice. Grain and oilseed stocks in all positions are estimated quarterly. Grain stocks estimates are one of the most important NASS estimates, which are watched closely by growers and industry groups. General authority for data collection is granted under U.S. Code title 7, section 2204. The Hop Growers of America provides the data collection for much of the production information because of sensitivity issues an impartial third party, NASS, collects stocks and price information.

**Need and Use of the Information:** NASS collects information to administer farm program legislation and make decisions relative to the export-import programs. Estimates of stocks provide essential statistics on supplies and contribute to orderly marketing. Farmers and agribusiness firms use these estimates in their production and marketing decisions. Collecting this information less frequently would eliminate data needed by government,

industry and farmers to keep abreast of changes at the State and national level.

**Description of Respondents:** Business or other for profit; Farms.

**Number of Respondents:** 12,876.

**Frequency of Responses:** Reporting: Monthly; quarterly; Semi-annually; Annually.

**Total Burden Hours:** 14,580.

#### Rural Utilities Service

**Title:** Advance of Loan Funds and Budgetary Control and Other Related Burdens.

**OMB Control Number:** 0572-0015.

**Summary of Collection:** The Rural Utilities Service (RUS) is authorized by the Rural Electrification Act (RE Act) of 1936, as amended, to make loans in several States and territories of the United States for rural electrification and for the purpose of furnishing and improving electric and telephone service in rural areas and to assist electric borrowers to implement demand-side management, energy conservation programs, and on-grid and off-grid renewable energy systems." Borrowers will provide the agency with information that supports the use of the funds as well as identify the type of projects for which they will use the funds.

**Need and Use of the Information:** RUS electric borrowers will submit RUS form 595, Financial Requirement & Expenditure Statement, to request an advance of loan funds. The information collected will ensure that loans funds are expended and advanced for RUS approved budget process and amounts. Failure to collect proper information could result in improper determinations of eligibility or improper use of funds.

**Description of Respondents:** Not-for-profit institutions; Business or other for-profit.

**Number of Respondents:** 700.

**Frequency of Responses:** Reporting: On occasion.

**Total Burden Hours:** 14,820.

#### Agricultural Marketing Service

**Title:** AMS Research and Promotion Customer Service Survey.

**OMB Control Number:** 0581-NEW.

**Summary of Collection:** The Agricultural Marketing Service (AMS) has the responsibility for the national commodity research and promotion boards. These boards are responsible for carrying out coordinated programs of research, producer and consumer education, and promotion to improve, maintain, and develop markets for various commodities. AMS has developed a survey to determine how well they have met their responsibilities and accomplished its mission.

**Need and Use of the Information:** AMS will use the information gathered to improve customer service with the boards and to provide them with an accurate evaluation of the boards.

**Description of Respondents:** Not-for-profit institutions; Farms.

**Number of Respondents:** 672.

**Frequency of Responses:** Reporting: On occasion.
