All books and records required to be made pursuant to this condition will be maintained and preserved for a period of not less than six years from the end of the fiscal year in which any transaction occurred, the first two years in an easily accessible place, and will be subject to examination by the Commission and/or its Staff.

15. The net asset value per Unit with respect to Units of the Private Investing Funds will be determined separately for each Private Investing Fund by dividing the value of the assets belonging to that Private Investing Fund, less the liabilities of that Private Investing Fund, by the number of Units outstanding with respect to that Private Investing Fund.

16. Each Registered Lending Fund will purchase and redeem Units of a Private Investing Fund as of the same time and at the same price, and will receive dividends and bear its proportionate share of expenses on the same basis, as other shareholders of a Private Investing Fund. A separate account will be established in the shareholder records of a Private Investing Fund for the account of each Registered Lending Fund.

17. Each Private Investing Fund that operates as a money market fund and uses the amortized cost method of valuation, as defined in rule 2a-7 under the Act, will comply with rule 2a-7. Each such Private Investing Fund will value its Units, as of the close of business on each business day, using the amortized cost method to determine its net asset value per Unit. Each such Private Investing Fund will adopt the monitoring procedures described in rule 2a-7(c)(7) and the Adviser to the Private Investing Fund will comply with these procedures and take any other actions as are required to be taken pursuant to these procedures. A Registered Lending Fund may only purchase Units of such a Private Investing Fund if the Adviser to the Private Investing Fund determines on an ongoing basis that the Private Investing Fund is operating as a money market fund using the amortized cost method of valuation as defined in rule 2a-7. The Adviser will preserve for a period not less than six years from the date of determination, the first two years in an easily accessible place, a record of such determination and the basis on which the determination was made. This record will be subject to examination by the Commission and the Staff.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.
