Application Comments: Interested parties may submit comments regarding the specific use proposed in the application, proposed action and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a shooting range. Copies of the application, proposed action and plan of development are available from the BLM address or contact listed above.

Amendment Comments: Interested parties may submit comments regarding the project planning criteria used to determine a location on public lands or provide additional criteria for consideration. Copies of the criteria for this project are available from the BLM address or contact listed above.

Following the public open house and end of the period to receive comments, an Environmental Assessment (EA) will be prepared by an interdisciplinary team consisting of BLM and AG&FD personnel to determine the impacts of the proposed plan amendment and classification for disposal.

It is anticipated that the following issues will be analyzed in the EA: Noise, Drainage, Lead Contamination, Visual, Wildlife particularly Desert Tortoise, Mineral Ownership, Safety, Socio-Economics, Access, Cultural and Tribal Consultation.

Following the preparation of the EA there will be further public involvement opportunities to comment on the EA.
