We will disclose the calculations used in our analysis to parties to this proceeding within five days of the date of publication of this notice. Any interested party may request a hearing within 30 days of publication of this notice. Any hearing, if requested, will be held on July 14, 2003.

Interested parties who wish to request a hearing or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, Room B-099, within 30 days of the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. See 19 CFR 351.310(c).

Issues raised in the hearing will be limited to those raised in case briefs and rebuttal briefs. Case briefs from interested parties may be submitted not later than June 30, 2003. Rebuttal briefs, limited to issues raised in the case briefs, will be due not later than July 7, 2003. Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument. Parties are also encouraged to provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited.

The Department will issue the final results of this new shipper review, including the results of its analysis of issues raised in any such written briefs or at the hearing, if held, not later than 90 days after the date of issuance of these preliminary results.

Assessment Rates

The Department shall determine, and the BCBP shall assess, antidumping duties on all appropriate entries. The Department will issue appropriate appraisement instructions for the companies subject to this review directly to the BCBP within 15 days of publication of the final results of this review. For assessment purposes, we do not have the actual entered value for either respondent for which we

calculated a margin because it is not the importer of record for the subject merchandise. Therefore, we calculated individual importer- or customer-specific assessment rates by aggregating the dumping margins calculated for all of the U.S. sales examined and dividing that amount by the total quantity of the sales examined. To determine whether the duty assessment rates are *de minimis* (i.e., at or above 0.50 percent), in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we have calculated importer- or customer-specific *ad valorem* ratios based on export prices. We will instruct the BCBP to assess antidumping duties on all appropriate entries covered by this review if any importer or customer-specific assessment rate calculated in the final results of this review is above *de minimis*.

Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments from Hengtai or Xumingyuan of brake rotors from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of the new shipper review. Furthermore, the following cash deposit requirements will be effective upon publication of the final results of the new shipper review for all shipments of subject merchandise from Hengtai or Xumingyuan entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) for subject merchandise manufactured and exported by Hengtai or Xumingyuan, no cash deposit will be required if the cash deposit rates calculated in the final results are zero or *de minimis*; and (2) for subject merchandise exported by Hengtai or Xumingyuan but not manufactured by them, the cash deposit will continue to be the PRC countrywide rate (i.e., 43.32 percent) made effective by the LTFV investigation. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper administrative review and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214.

Dated: May 27, 2003.

SUMMARY: The Department of Commerce (the Department) is extending the time limit of the preliminary results of the administrative review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China (PRC) until no later than September 30, 2003. The period of review is September 1, 2001 through August 31, 2002. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: June 3, 2003.

FOR FURTHER INFORMATION CONTACT: Doug Campau or Maureen Flannery, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1395 and (202) 482-3020, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(3)(A) of the Act, and section 351.213(h)(1) of the Department's regulations, require the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the preliminary results within the prescribed time period, section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations, allow the Department to extend the deadline to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

Background

Based on timely requests from petitioner and three respondent companies, the Department initiated an administrative review of the antidumping duty order on freshwater crawfish tail meat from the PRC, for the period of September 1, 2001 through August 31, 2002. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 67 FR 65336 (October 24, 2002).

Extension of Time Limits for Final Results

The Department finds that it is not practicable to complete the preliminary results within the time limits mandated by section 751(a)(3)(A) of the Act and section 351.213(h)(1) of the Department's regulations, as this review encompasses a large number of companies, and several complex issues, including factor valuation. Consequently, in accordance with sections 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of the preliminary results to 365 days from the last day of the anniversary month of the order. The preliminary results will now be due no later than September 30, 2003.

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 28, 2003.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.

Notice of Preliminary Results of Antidumping Duty New Shipper Review: Honey from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Preliminary Results of Antidumping Duty New Shipper Review.

SUMMARY: In response to a request from Wuhan Bee Healthy Co., Ltd. (Wuhan), the Department of Commerce (the Department) is conducting a new shipper review of the antidumping duty order on honey from the People's

Republic of China. The period of review covers the period December 1, 2001, through May 31, 2002. The preliminarily results are listed below in the section titled "Preliminary Results of Review." Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: June 3, 2003.

FOR FURTHER INFORMATION CONTACT:

Angelica Mendoza at (202) 482-3019 or Donna Kinsella at (202) 482-0194; Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department published in the **Federal Register** an antidumping duty order on honey from the PRC on December 10, 2001. *See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Honey from the People's Republic of China*, 66 FR 63670 (December 10, 2001). On June 25, 2002, the Department received from Wuhan Bee Healthy Co., Ltd. (Wuhan), a producer and exporter of the subject merchandise, a properly filed request for a new shipper review under the antidumping duty order on honey from the PRC, in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the Department's regulations. Under these provisions, an exporter that is also a producer of the subject merchandise, in requesting a new shipper review, must certify to the following: (i) it did not export the merchandise to the United States during the period of investigation (POI); and (ii) it is not affiliated with any exporter or producer who exported the subject merchandise during that period. Moreover, in an antidumping proceeding involving imports from a non-market economy country, the new shipper must also certify that its export activities are not controlled by the central government. If these provisions are met, the Department will conduct a new shipper review to establish an individual weighted-average dumping margin for such new shipper, if the Department has not previously established such a margin for the exporter or producer. (*See generally* section 351.214(b)(2) of the Department's regulations.)

The regulations further require that the exporter or producer include in its request documentation establishing: (i)

the date on which the merchandise was first entered, or withdrawn from warehouse, for consumption, or, if it cannot establish the date of first entry, the date on which it first shipped the merchandise for export to the United States, or, if the merchandise has not yet been shipped or entered, the date of sale; (ii) the volume of that and subsequent shipments; and (iii) the date of the first sale to an unaffiliated customer. *See* section 351.214(b)(2)(iv).

Wuhan's request was accompanied by information and certifications establishing that it did not export the subject merchandise to the United States during the POI, and that it was not affiliated with any company which exported subject merchandise to the United States during the POI. Wuhan provided information and certifications that demonstrated the date on which it first shipped and entered honey for consumption in the United States, the volume of that shipment, and the date of the first sale to the unaffiliated customer in the United States. Additionally, Wuhan certified that its export activities are not controlled by the central government.

Because the Department determined that Wuhan's request met the requirements of section 351.214 of its regulations, on August 6, 2002, the Department published its initiation of this new shipper review for the period December 1, 2001, through May 31, 2002.¹ (*See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews* (67 FR 50862, August 6, 2002).) Accordingly, the Department is now conducting this review in accordance with section 751 of the Act and section 351.214 of its regulations.

On August 6, 2002, we issued the Department's antidumping duty questionnaire to Wuhan. On September 12, 2002, Wuhan submitted its Section A questionnaire response. On October 4, 2002, Wuhan submitted its Section C and D questionnaire responses. On October 18, 2002, petitioners submitted comments on Wuhan's section A, C, and D questionnaire responses.² On November 7, 2002, we issued a supplemental questionnaire covering Wuhan's questionnaire responses. On November 18, 2002, petitioners

¹ We also initiated a new shipper review based on a request filed by Chengdu-Duijiangyan Dubao Bee Industrial Co., Ltd. (Dubao). However, on January 23, 2003, the Department rescinded the new shipper review with respect to Dubao. *See Honey from the People's Republic of China: Partial Rescission of Antidumping Duty New Shipper Review*, 68 FR 4760 (January 30, 2003).

² The American Honey Producers Association and the Sioux Honey Association are petitioners in this proceeding.
