The purpose of the proposed sale is to dispose of a parcel of public land that is difficult and uneconomic to manage as part of the public lands of the United States. SUPPLEMENTARY INFORMATION: Objections to the sale will be reviewed by the State Director, who may sustain, vacate, or modify this realty action. In the absence of any objections, this proposal will become the final determination of the Department of the Interior.

Publication of this notice in the **Federal Register** will segregate the public lands from appropriations under the public land laws, including the mining laws, pending disposition of this action, or 270 days from the date of publication of this notice, whichever occurs first.
