Under the direction of the Secretary of NASD Regulation or the Secretary's designee, the Independent Agent shall open and count the ballots. For ballot qualification purposes, the Independent Agent shall identify to the candidates the NASD members that timely returned ballots and inform the candidates of the Independent Agent's determination of whether or not a ballot is qualified for voting purposes. The determination shall be based on a comparison of ballots received against the list of NASD members eligible to vote in the district and their Executive Representatives as prepared by the Secretary of NASD Regulation pursuant to Section 8.26[7]. The Secretary of NASD Regulation or the Secretary's designee shall make the final determination of the qualification of a ballot. Upon the qualification of a ballot, the Independent Agent shall record the vote indicated on the ballot. The candidates and their representatives shall not be allowed to see the vote of an NASD member.

Ballots Set Aside

Sec. 8.29 [Sec. 8.30] The Independent Agent shall set aside a ballot if: (a) the ballot is received from an NASD member eligible to vote in the district and the ballot is signed by a person who is not the Executive Representative listed on the vote qualification list prepared under Section 8.26[7], and the Secretary of the NASD has not received proper notice of a change in Executive Representative pursuant to the NASD By-Laws; or (b) if two or more properly executed ballots are received from an NASD member eligible to vote in the district. If the

Independent Agent determines that the ballots set aside are material to the outcome of the election, the Secretary of NASD Regulation and the Independent Agent shall make reasonable efforts to resolve each ballot set aside. With respect to a ballot not signed by an Executive Representative of record, the Secretary of NASD Regulation shall contact the NASD member to request that the NASD member send written notice of any change in Executive Representative by facsimile so that the ballot may be counted. With respect to multiple ballots from an NASD member, the Independent Agent shall contact the Executive Representative of the NASD member to obtain the NASD member's vote. The Secretary of NASD Regulation shall keep a list of NASD members that reported their ballot was lost or not received and that were provided with a duplicate ballot. The Secretary of NASD Regulation shall provide the list to the Independent Agent and, upon request, to the candidates.

Invalid Ballots

Sec. 8.30 [Sec. 8.31] The Independent Agent shall declare a ballot invalid if one or more of the following conditions exist:

(a) The ballot is not signed by the Executive Representative (unless Section 8.29 [30] applies);

(b) a vote is not indicated on the ballot; or

(c) the ballot indicates votes for more candidates than there are *positions* on the District Committee or District Nominating Committee subject to election in the election [vacancies for an office].

[Certification of] Election Results

Sec. 8.31 [Sec. 8.32] Under the direction of the Secretary of NASD Regulation or the Secretary's designee, the Independent Agent shall count the votes received for each candidate in a district. The candidates for the office of member of the District Committee or District Nominating Committee receiving the largest number of votes cast in the district for the office shall be declared elected such that the number of candidates declared elected equals the number of *positions* [vacancies] on the District Committee or District Nominating Committee subject to election in the election. [The candidates for the office of member of the District Nominating Committee receiving the largest number of votes cast in the district for the office shall be declared elected such that the number of candidates declared elected equals the number of vacancies on the District Nominating Committee.] In the event of

a tie, there shall be a run-off election. *The Secretary of NASD Regulation shall notify the Board of the election results.* [Each District Committee shall send a written certification of the election results to the Board.] The *notification* [certification] shall state the number of votes received by each candidate and the number of ballots set aside.

Extensions of Time and Additional Procedures

Sec. 8.32 [Sec. 8.33] The Secretary of NASD Regulation may extend a time period under this Article for good cause shown. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Article VIII of NASD Regulation By-Laws ("By-Laws") sets forth provisions relating to the operation of District Committees and District Nominating Committees (collectively, "Committees"), including specifically, provisions regarding Committee meetings, vacancies and elections. Under Article VIII, the role of the District Committee members includes serving as panelists in disciplinary proceedings in accordance with NASD Rules, recommending policy and rule changes to the Board, educating members in their district, and selecting members of the regional District Committee and District Nominating Committees in a manner consistent with Article VIII of the By-Laws. The role of the District Nominating Committee includes nominating candidates to serve on the District Committee and District Nominating Committee for that region.

Currently, there are 11 District Committees, divided by geographic region. Based on the experience of NASD Regulation staff in working with the Committees since that time, and the current practices of the Committees, NASD is proposing a series of amendments to modernize and clarify the Article VIII provisions. NASD represents that the proposed changes are designed to streamline the nomination and election processes by, among other things, centralizing the communication procedures in the Corporate Secretary's Office of NASD Regulation, revising the nomination and election timeline, and modernizing the methods of communication by permitting electronic delivery of documents. In addition, NASD represents that the proposed

amendments would improve coordination and consistency among the Committees across the districts, modify the procedures to fill vacancies, and provide for more administrative flexibility. The key proposed amendments are discussed below.

Section 8.2 (Composition of District Committees) and Section 8.9 (Composition of District Nominating Committees)

Create Consistency in Size of Committee. Currently, Section 8.2(a) provides that each District Committee will determine how many members to elect each year. To create more consistency in District Committee sizes across districts, the proposed amendments would allow the Board of Directors of NASD ("Board") to determine the size of each Committee.

Establish Qualifications to Serve on Committee. Currently, Section 8.2 and Section 8.9 provide that each Committee member must be employed by an NASD member eligible to vote in such district. NASD believes that the proposed amendments would clarify additional qualifications necessary to serve as a member of a Committee. The proposed amendments provide that a member must: (1) be employed by an NASD member eligible to vote in the district for District Committee elections; and (2) work primarily from such NASD member's principal office or a branch office that is located within the district where the member serves on a Committee. NASD believes the additional qualifications will ensure that Committee members have a significant connection to the district in which they serve.

Eliminate Requirement in Section 8.9 that One District Nominating Committee Member be a Current or Former Director. The proposed amendments would eliminate the current requirement contained in Section 8.9 that at least one member of the District Nominating Committee be a current or former Director or Governor. Based on the experience of NASD Regulation staff, it has become increasingly difficult to satisfy this composition requirement.

Section 8.3 (Term of Office of District Committee Member) and Section 8.10 (Term of Office of District Nominating Committee Member)

Clarify Term of Office. Currently, Section 8.3 and Section 8.10 provide that Committee members may not serve more than two consecutive terms. The proposed amendments to these provisions would clarify that there is no limit on the number of terms that a Committee member may serve, provided

that a member may not serve more than two consecutive terms. The word "term" would be defined to include either a full term (three years for District Committees or one year for District Nominating Committees) or any partial term where a member is appointed to fill a vacancy. NASD believes that this would allow for greater member participation in the Committees over time.

Section 8.4 (Filling of Vacancies on District Committee) and Section 8.9 (Filling of Vacancies for District Nominating Committees)

Streamline Process for Filling Vacancies. Proposed new Sections 8.2(b) and (d) and Sections 8.9(b) and (d) would clarify that Committee members may formally resign from their positions by serving a notice to the Chair. In addition, the proposed new provisions provide a process for filling vacancies. Under the proposed amendments, the Executive Vice President, Regulatory Policy and Programs, the Executive Vice President, Member Regulation or their respective designee(s) would be authorized to determine whether a vacancy created on the Committee needs to be filled. In some instances there may not be a need to fill a vacancy immediately—for example, when there is no scheduled meeting between the time of the vacancy and the next regularly scheduled election. If a determination were to be made to fill a vacancy, or if a new position were to be created by an increase in Committee size, the Committee would fill such vacancy by a majority vote of a quorum present at a meeting as currently prescribed by Sections 8.4 (District Committee) and 8.11 (District Nominating Committee).

Section 8.5 (Meetings of District Committee) and Section 8.12 (Meetings of District Nominating Committees)

Coordinate Procedures for Meetings. Currently, Section 8.5 and Section 8.12 provide that each Committee will determine the time, place, and procedures for each meeting. NASD represents that the proposed amendments would simplify and better coordinate Committee meetings across districts by authorizing the Executive Vice President, Regulatory Policy and Programs or the Executive Vice President, Member Regulation or their respective designee(s), to determine the times, places and procedures for Committee meetings in consultation with the Chair of each Committee. In addition, NASD represents that the proposed amendments would clarify that an individual may attend a meeting

either in person or by telephone and that action taken by telephonic vote will not require written confirmation.

Section 8.6 (Election of District Officers) and Section 8.13 (Election of District Nominating Committees)

Eliminate Requirement to Designate Function of Committee Officers. Currently Section 8.6 and Section 8.13 require that the Committees prescribe the powers and duties of its elected officers. The Committees have not found it necessary to perform this function. The proposed amendments would eliminate this requirement.

Section 8.7 (Advisory Council)

Members of Advisory Council. The proposed amendments would clarify that the Chair of the Market Regulation Committee of NASD is a member of the Advisory Council to the Board.

General Amendments to Allow Electronic Communications

Several Sections in Article VIII require parties to provide notice or other communications to Committee members or NASD Regulation. The proposed amendments would provide that where provisions in Article VIII call for notice and other communications to be given either among Committee members, or between Committees and NASD Regulation staff, the requirement may be satisfied by electronic means, provided that the person entitled to notice consents to receive notice in this manner. Specifically, the proposed amendments would add new Section 8.33 which defines the term "Notice" as used in Article VIII to mean a notice in writing or by electronic transmission. In proposed Section 8.23, the Secretary of NASD Regulation may provide notice by electronic transmission to Executive Representatives of NASD members announcing names of candidates, the offices for which they are nominated, and the procedures for contested elections, if the need arises. Additionally, in proposed Section 8.24, NASD staff and District Offices would provide administrative support to all candidates by sending electronically up to two distributions prepared by the candidates to NASD members eligible to vote.

General Amendments to Centralize Procedures for Nominations and Elections

In general, the amendments would create a more streamlined and flexible election process, conform the By-Laws language with current practice, and allow the Secretary of NASD Regulation to play a more centralized role in the

election process. For example, the proposed amendments would provide that the Secretary of NASD Regulation would perform many of the notification and other communication functions currently performed by other parties, such as notifying NASD members of upcoming elections, requesting submission of candidates, notifying NASD members of the candidates nominated by the District Nominating Committee, notifying NASD members in the event of a contested election, and notifying the Board of election results.

2. Statutory Basis

NASD believes that the proposed rule change, as amended, is consistent with the provisions of section 15A(b)(6) of the Act,⁷ which requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed changes to Article VIII of the By-Laws of NASD Regulation are designed to accomplish these ends by streamlining the procedures for operation of the District Committees and District Nominating Committees. NASD believes the proposed rule change, as amended, will streamline the nomination and election processes governing the Committees, modernize communication procedures, and improve the consistency among the Committees across all districts.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received with respect to the proposed rule change, as amended.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change, as amended, has been filed by NASD as a "non-controversial" rule change under Rule 19b-4(f)(6) under the Act,⁸ and NASD represents that the proposed rule change, as amended, does not significantly affect the protection of

investors or the public interest, and does not impose any significant burden on competition. In accordance with Rule 19b-4(f)(6)(iii),⁹ NASD submitted written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, and the proposed rule change will become operative 30 days after the date of the filing.

The proposed rule change, as amended, has become effective pursuant to Section 19(b)(3)(A) of the Act.¹⁰ At any time within 60 days of the filing of the proposed rule change,¹¹ the Commission may summarily abrogate this proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to file number SR-NASD-2003-55 and should be submitted by July 8, 2003.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹²
