¹ This case is a suspension agreement. It was inadvertently listed as an antidumping duty order in the opportunity notice published on June 2, 2003 (68 FR 32727).

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a

review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state

specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 69 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this

clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://www.ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of July 2003. If the Department does not receive, by the last day of July 2003, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: June 26, 2003.

Holly A. Kuga,

Acting Deputy Assistant Secretary, Group II for Import Administration.

Notice of Initiation of Antidumping Duty Investigation: Certain Colored Synthetic Organic Oleoresinous Pigment Dispersions from India

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Initiation of Antidumping Duty Investigation.

EFFECTIVE DATE: July 2, 2003.

FOR FURTHER INFORMATION CONTACT:

Katherine Johnson at (202) 482-4929 or Rebecca Trainor at (202) 482-4007, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

Initiation of Investigation

The Petition

On June 5, 2003, the Department of Commerce ("the Department") received a petition filed in proper form by Apollo Colors Inc., General Press Colors, Ltd., Magruder Color Company, Inc., and Sun Chemical Corporation (collectively, "the petitioners"). The Department received petition supplements on June 16, 18 and 20, 2003.

In accordance with section 732(b)(1) of the Tariff Act of 1930 ("the Act"), as amended, the petitioners allege that imports of certain colored synthetic organic oleoresinous pigment dispersions ("colored pigment dispersions") from India are being, or are likely to be, sold in the United States at less than fair value within the meaning of section 731 of the Act, and that imports from India are materially injuring, or are threatening to materially injure, an industry in the United States.

The Department finds that the petitioners filed this petition on behalf of the domestic industry because they are interested parties as defined in section 771(9)(C) of the Act and they have demonstrated sufficient industry support with respect to the antidumping investigation that they are requesting the Department to initiate. See *infra*, "Determination of Industry Support for the Petition."

Scope of Investigation

The products covered by this investigation are colored synthetic organic pigment dispersions containing pigments classified in either the Azo or Phthalocyanine chemical classes that have been dispersed in an oleoresinous varnish comprised of various combinations of solvents, oils and resins. The subject pigment dispersions are commonly known as "flush" or "flushed color," but the base form of the subject pigment dispersions is also included in the scope of this investigation. The subject pigment dispersions are a thick putty or paste that contain by weight typically 20 percent or more pigment dispersed in the varnish, and are used primarily for

the manufacture of letterpress and lithographic printing inks. The presence of additives, such as surfactants, antioxidants, wetting agents, and driers, in the subject pigment dispersions does not exclude them from the scope of this investigation.

Excluded from the scope of this investigation are dry powder pigments and pigment press cakes, as well as water and flammable solvent based colored pigment dispersions, which typically are used in manufacturing liquid or fluid inks. Also excluded is Yellow 75, which is typically used to make the yellow paint to line roads.

The merchandise subject to this investigation is classifiable under subheadings 3204.17.6020 (Pigment Blue 15:4), 3204.17.6085 (Pigments Red 48:1, Red 48:2, Red 48:3, and Yellow 174), 3204.17.9005 (Pigment Blue 15:3), 3204.17.9010 (Pigment Green 7), 3204.17.9015 (Pigment Green 36), 3204.17.9020 (Pigment Red 57:1), 3204.17.9045 (Pigment Yellow 12), 3204.17.9050 (Pigment Yellow 13), 3204.17.9055 (Pigment Yellow 74), and 3204.17.9086¹ (Pigments Red 22, Red 48:4, Red 49:1, Red 49:2, Red 52:1, Red 53:1, Yellow 14, and Yellow 83) of the Harmonized Tariff Schedule of the United States ("HTS"). Although the HTS subheadings are provided for convenience and customs purposes, the written description of the merchandise under investigation is dispositive.

As discussed in the preamble to the Department's regulations (*Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27296, 27323 (May 19, 1997)), we are setting aside a period for parties to raise issues regarding product coverage. The Department encourages all parties to submit such comments within 20 calendar days of publication of this notice. Comments should be addressed to Import Administration's Central Records Unit, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. The period of scope consultations is intended to provide the Department with ample opportunity to consider all comments and consult with parties prior to the issuance of the preliminary determination.

Period of Investigation

The anticipated period of investigation is April 1, 2002, through March 31, 2003.

¹ Prior to July 2002, this number was 3204.17.9085.
