Extension:

Rule 6c-7; SEC File No. 270-269; OMB Control No. 3235-0276.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 6c-7 [17 CFR 270.6c-7] under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("1940 Act") provides exemption from certain provisions of Sections 22(e) and 27 of the 1940 Act for registered separate accounts offering variable annuity contracts to certain employees of Texas institutions of higher education participating in the Texas Optional Retirement Program. There are approximately 80 registrants governed by Rule 6c-7. The burden of compliance with Rule 6c-7, in connection with the registrants obtaining from a purchaser, prior to or at the time of purchase, a signed document acknowledging the restrictions on redeemability imposed by Texas law, is estimated to be approximately 3 minutes of professional time per response for each of 2600 purchasers annually (at an estimated \$70 per hour), for a total annual burden of 130 hours (at a total annual cost of \$9,100).

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules or forms. The Commission does not include in the estimate of average burden hours the time preparing registration statements and sales literature disclosure regarding the restrictions on redeemability imposed by Texas law. The estimate of burden hours for completing the relevant registration statements are reported on the separate PRA submissions for those statements. (See the separate PRA submissions for Form N-3 [17 CFR 274.11b] and Form N-4 [17 CFR 274.11c].)

Complying with the collection of information requirements of the rules is necessary to obtain a benefit. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 5th Street NW., Washington, DC 20549.

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 11a-2; SEC File No. 270-267; OMB Control No. 3235-0272.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit to the Office of Management and Budget a request for an extension of the previously approved collection of information discussed below.

The title for the collection of information is "Rule 11a-2 Under the Investment Company Act of 1940: Offers of Exchange by Certain Registered Separate Accounts or Others the Terms of Which Do Not Require Prior Commission Approval."

Rule 11a-2 [17 CFR 270.11a-2] permits certain registered insurance company separate accounts, subject to certain conditions, to make exchange

offers without prior approval by the Commission of the terms of those offers. Rule 11a-2 requires disclosure, in certain registration statements filed pursuant to the 1933 Act, of any administrative fee or sales load imposed in connection with an exchange offer.

There are currently 711 registrants governed by Rule 11a-2. The Commission includes the estimated burden of complying with the information collection required by Rule 11a-2 in the total number of burden hours estimated for completing the relevant registration statements and reports the burden of Rule 11a-2 in the separate PRA submissions for those registration statements (see the separate PRA submissions for Form N-3 [17 CFR 274.11b], Form N-4 [17 CFR 274.11c] and Form N-6 [17 CFR 274.11d]). The Commission is requesting a burden of one hour for Rule 11a-2 for administrative purposes.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules or forms. With regard to Rule 11a-2, the Commission includes the estimate of burden hours in the total number of burden hours estimated for completing the relevant registration statements and reported on the separate PRA submissions for those statements (see the separate PRA submissions for Form N-3, Form N-4 and Form N-6).

The information collection requirements imposed by Rule 11a-2 are mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration on the Pacific Exchange, Inc. (Detwiler, Mitchell & Co., Common Stock, \$.01 Par Value); File No. 1-10331

July 29, 2003.

Detwiler, Mitchell & Co., a Delaware corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Common Stock, \$.01 par value ("Security"), from listing and registration on the Pacific Exchange, Inc. ("PCX" or "Exchange").

The Board of Directors ("Board") of the Issuer approved resolutions on July 1, 2003 to withdraw its Security from listing on the Exchange. The Board states that the reasons it decided to delist the Security from the PCX are: (i) The Issuer has approximately 221 record holders of its Security making it eligible for deregistration under Section 12(g) of the Act; (ii) the Issuer estimated the potential cost savings from deregistration and delisting from the Nasdaq SmallCap Market and the PCX to be in the range of \$125,000 to \$200,000 annually; (iii) the Issuer would be relieved from the time-consuming burdens of compliance with the reporting and other requirements of the Act, which have become more burdensome because of the enactment of the Sarbanes-Oxley Act of 2002; relief from these burdens would represent a substantial benefit to the business and operations of the Issuer, which cannot be quantified in monetary terms and is not reflected in estimates of cash cost savings; (iv) the reactions of stockholders, employees and clients to the prospect of deregistration and delisting were almost universally favorable, and stockholders seem to be impressed by the potential for cost savings while understanding that the

Issuer's Security will continue to be publicly traded on Pink Sheets LLC's quotations service ("pink sheets"); (v) the desultory trading market in the Security through its listing on the Nasdaq SmallCap market and PCX was no more beneficial to the stockholders, and does not provide them a better trading market, than would be available to them if the Security were deregistered and traded in the "pink sheets" market place; the Security trades less than 10,000 shares annually on the PCX; and (vi) the Issuer could continue to provide quarterly and (audited) annual financial statements and press releases to its stockholders containing substantially the same information about the financial condition and results of operations of the Issuer as have been provided to them in the past, and will continue to provide stockholders with reports of current developments as in the past so that registration will not substantially reduce the flow of useful information to the stockholders. The Issuer states that its Security has traded over-the-counter and has been quoted in the pink sheets since July 7, 2003.

The Issuer stated in its application that it has complied with the rules of the PCX that govern the removal of securities from listing and registration on the Exchange. The Issuer's application relates solely to the withdrawal of the Security from listing and registration on the PCX and from registration under Section 12(b)³ of the Act and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before August 18, 2003, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the PCX and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁵

Jonathan G. Katz,
Secretary.

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration on the American Stock Exchange LLC (Dot Hill Systems Corp., Common Stock, \$.001 par value); File No. 1-13317

July 29, 2003.

Dot Hill Systems Corp., a Delaware corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Common Stock, \$.001 par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in the State of Delaware, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Issuer stated that it is taking such action because the Issuer believes that listing on the Nasdaq National Market will provide superior trading and visibility in the investment community, among other advantages. The Issuer also stated that this is of particular importance as the Issuer anticipates pursuing a follow-on public offering in the near future.

The Issuer's application relates solely to the withdrawal of the Securities from listing on the Amex and from registration under Section 12(b) of the Act³ shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before August 18, 2003, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.
