SUPPLEMENTARY INFORMATION: OMB Control No.: 3060–0725.

Title: Quarterly Filing of Nondiscrimination Reports (on Quality of Service, Installation and Maintenance) by Bell Operating Companies (BOCs).

Form No.: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents: 4 respondents; 16 responses.

Estimated Time Per Response: 50 hours.

Frequency of Response: Quarterly reporting requirement.

Total Annual Burden: 800 hours.

Total Annual Cost: N/A.

Needs and Uses: Bell Operating Companies (BOCs) are required to provide nondiscrimination reports on a quarterly basis. Without provision of these reports, the Commission would be unable to ascertain whether the BOCs were discriminating in favor of their own payphones. The report allows the Commission to determine how the BOCs will provide competing payphone providers with equal access to all the basic underlying network services that are provided to its own payphones.

This collection is being submitted as a revision to correct an administrative error that indicated in previous submissions to OMB that this was an annual reporting requirement when it is actually a quarterly reporting requirement. The burden has been adjusted due to less respondents filing quarterly reports.

Secretary.
