August 20, 2003.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

EFFECTIVE DATE: January 1, 2004.

FOR FURTHER INFORMATION CONTACT: Roy Unger, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4212.

SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

The Governments of the United States and the People's Republic of China have

agreed to amend the existing export visa requirements to provide for the use of a new textile export license/commercial invoice, issued by the Government of the People's Republic of China, for shipments of goods produced or manufactured in China and exported from China on and after January 1, 2004. The new license/invoice will bear a watermark issued by "the Ministry of Commerce of the People's Republic of China." The requirements for ELVIS (Electronic Visa Information System) remain unchanged.

Committee for the Implementation of Textile Agreements

August 20, 2003.

Commissioner,
Bureau of Customs and Border Protection, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on March 27, 1997, by the Chairman, Committee for the Implementation of Textile Agreements. That directive establishes an export visa arrangement for certain cotton, wool, man-made fiber, silk blend, and other vegetable fiber textiles and textile products, produced or manufactured in the People's Republic of China.

Effective on January 1, 2004, for products exported from China on or after January 1, 2004, you are directed to amend the March 27, 1997 directive to provide for the use of export licenses/commercial invoices issued by the Government of the People's Republic of China which bear the watermark "the Ministry of Commerce of the People's Republic of China." This watermark replaces the old watermark issued by "the Ministry of Foreign Trade and Economic Cooperation."

To facilitate implementation of this amendment to the export licensing system, you are directed to permit entry of textile products, produced or manufactured in China and exported from China during the

period January 1, 2004 through January 31, 2004, for which the Government of the People's Republic of China has issued an export license/commercial invoice bearing either the old or new watermarks, as described above.

Products exported on and after February 1, 2004 must be accompanied by an export visa issued by the Government of the People's Republic of China bearing the new watermark, as described above.

The requirements for ELVIS (Electronic Visa Information System) remain unchanged.

Shipments entered or withdrawn from warehouse according to this directive which are not accompanied by an appropriate export visa shall be denied entry and a new visa must be obtained.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
James C. Leonard III,
Chairman, Committee for the Implementation of Textile Agreements.
