

Act. The EIS describes five alternatives that satisfy the purpose and needs for the proposed project. The alternatives are: (1) Northeast Corner Cold Bay—Hovercraft; (3) Lenard Harbor—Hovercraft; (4) Lenard Harbor—Ferry; (5) Lenard Harbor—Helicopter; and (6) the Isthmus Road alternative. Alternative 2 is the No Action alternative. Alternative 6 was included in the Draft Environmental Impact Statement (DEIS) for comparison purposes only and cannot be selected for authorization by the decision-maker. Alternatives 1, 3, 4, and 5 would be constructed primarily on King Cove Corporation surface lands. Alternative 1 requires a USFWS compatibility determination on Native corporation owned lands within the Izembek National Wildlife Refuge, and no construction or operations would occur within the Congressionally designated Wilderness Area. Currently, Alternatives 3 and 4 are designated as the Environmentally Preferable Alternatives. The Corps of Engineers will use the EIS, public review process, and consideration of comments received, as a basis for the permit decision.

FOR FURTHER INFORMATION CONTACT: Mr. Leroy Phillips, Regulatory Branch, U.S. Army Corps of Engineers, P.O. Box 6898, Elmendorf, AFB 99506-6898; by telephone at (907) 753-2712; (800) 478-2712 (In Alaska); or by Fax at (907) 753-5567. Additional information including a complete copy of the Public Notice, Executive Summary, FEIS and Appendices are available on the project web site: www.kingcoveaccesses.com.

SUPPLEMENTARY INFORMATION: The U.S. Army Corps of Engineers, Alaska District is the lead Federal agency with the U.S. Fish and Wildlife Service as a cooperating agency for this FEIS. During the Scoping process (February 16 to June 22, 2001) over 12,331 comments were received, with over 12,000 comments and opinions provided by e-mail. Many of these scoping comments expressed an objection to a road through the Izembek National Wildlife Refuge Wilderness Area. Twenty-eight alternatives were preliminary considered during the scoping and the alternative development phase of the EIS process. Six alternatives were selected for further evaluation. The proposed action (Alternative 1, Northeast Corner Cold Bay (NeCB) / Hovercraft) and two alternatives (Alternative 3, Lenard Harbor / Hovercraft; and Alternative 4, Lenard Harbor / Ferry) were selected for detailed evaluation that incorporates a marine-road link design in compliance

with Section 353 cited above. The required “no action” alternative is presented as Alternative 2. The two remaining alternatives are not in compliance with section 353; hence the \$20 million Federal appropriations would not be available for project construction. These are an air-road link alternative (Alternative 5, Lenard Harbor / Helicopter) and an all road alternative (Alternative 6, Isthmus Road). The all road alternative (Alternative 6) is not a practicable alternative for evaluation under the section 404(b)(1) Guidelines (40 CFR 230) for the Clean Water Act and cannot be authorized by the District Engineer. If an application is received by the USFWS under Title XI of ANCSA, a separate EIS would be required, with approval required by the Secretary of Interior, The President and Congress. No significant adverse impacts were identified for Alternatives 1, 3, 4 and 5. Significant beneficial impacts were noted for each action alternative centering on human and social resources with the ability to enhance safe, reliable and efficient emergency medical transport for King Cove residents and seasonal workers. For Alternatives 1, 3, 4 and 5 with the incorporation and implementation of mitigation measure, impacts to threatened and endangered or listed species (Steller's eider, Steller sea lion and Northern sea otter) were preliminarily determined not likely to adversely affect these species. For the same alternatives and incorporation of mitigation measures, determinations of would not likely impact Essential Fish Habitat, and Habitats of Particular Concern were concluded.

Notice of Availability of the DEIS and the Department of Army Corps of Engineers Public Notice were published on August 8, 2003. The comment period on these documents was open until September 23, 2003. There were 6,391 comments received during this period. Of these: three were Federal agencies, two State of Alaska agencies, six Native governments, 14 local governments, 19 non-governmental organizations, 38 people testified at the public hearings, 150 individual letters, and the rest of the comments were primarily form emails generated from two non-governmental organization promotions. Verbal testimony was received during the public hearings held in Cold Bay, Alaska on August 25, 2003, in King Cove Alaska on August 26, 2003, and in Anchorage, Alaska on September 10, 2003. After a review of the comments it was determined that the Commentors concerns were the same as those

expressed during the above referenced scoping period. The District Engineer has determined that the issues identified by the commentors were properly addressed in the DEIS. Therefore, the FEIS would be in the form of the “abbreviated” document in accordance with procedures outlined in 40 CFR 1503.4(c).

Comment Period: Comments on the FEIS should be received by the Corps of Engineers, Alaska District (address above) by December 31, 2003 or 30-days from the publication date within the **Federal Register**, which ever is later.

Kevin D. Morgan,

North Section Chief, Regulatory, Corps of Engineers Alaska District.

DEPARTMENT OF DEFENSE

Department of the Navy

Meeting of the Chief of Naval Operations (CNO) Executive Panel

AGENCY: Department of the Navy, DoD.

ACTION: Notice of closed meeting.

SUMMARY: The CNO Executive Panel is to report the recommendations of the Expeditionary Strike Study Group to the Chief of Naval Operations. This meeting will consist of discussions relating to Expeditionary Strike capabilities as a context to broader U.S. national capabilities and strategic planning. This meeting will be closed to the public.

DATES: The meeting will be held on Friday, December 5, 2003, from 12 to 1 p.m.

ADDRESSES: The meeting will be held at the Chief of Naval Operations dining room, Room 4E641, 2000 Navy Pentagon, Washington, DC 20350-2000.

FOR FURTHER INFORMATION CONTACT: Commander Kevin Wilson, CNO Executive Panel, 4825 Mark Center Drive, Alexandria, VA 22311, (703) 681-4906 or Mr. Mark Miller, CNO Executive Panel, (703) 681-4924.

SUPPLEMENTARY INFORMATION: Pursuant to the provisions of the Federal Advisory Committee Act (5 U.S.C. App. 2), these matters constitute classified information that is specifically authorized by Executive Order to be kept secret in the interest of national defense and are, in fact, properly classified pursuant to such Executive Order.

Accordingly, the Secretary of the Navy has determined in writing that the public interest requires that all sessions of the meeting be closed to the public

because they will be concerned with matters listed in section 552b(c)(1) of title 5, United States Code.

Dated: November 24, 2003.

J.T. Baltimore,

Lieutenant Commander, Judge Advocate General's Corps, U.S. Navy, Alternate Federal Register Liaison Officer.

BILLING CODE 3810-FF-P

DEPARTMENT OF EDUCATION

Office of Postsecondary Education; Overview Information; Fund for the Improvement of Postsecondary Education—Special Focus Competition: US-Brazil Higher Education Consortia Program; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2004

Catalog of Federal Domestic Assistance (CFDA) Number: 84.116M.

DATES: *Applications Available:* November 28, 2003.

Deadline for Transmittal of Applications: April 16, 2004.

Deadline for Intergovernmental Review: June 16, 2004.

Eligible Applicants: Institutions of higher education or combinations of institutions and other public and private nonprofit institutions and agencies.

Estimated Available Funds: The Administration has requested \$300,000 for new awards under this program for FY 2004. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$25,000–\$30,000 for FY 2004; \$190,000–\$210,000 for 4-year duration of grant.

Estimated Average Size of Awards: \$200,000.

Estimated Number of Awards: 12.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 48 months.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: To provide grants or enter into cooperative agreements to improve postsecondary education opportunities by focusing on problem areas or improvement approaches in postsecondary education. This program is a Special Focus Competition under the Fund for the Improvement of Postsecondary Education (Title VII, Part B of the Higher Education Act of 1965, as

amended) to support projects addressing a particular problem area or improvement approach in postsecondary education.

Priority: Under this competition, we are particularly interested in applications that address the following priority.

Invitational Priority: For FY 2004 this priority is an invitational priority. Under 34 CFR 75.105 (c) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority encourages proposals designed to support the formation of educational consortia of American and Brazilian institutions to encourage cooperation in the coordination of curricula, the exchange of students, and the opening of educational opportunities between the United States and Brazil. The invitational priority is issued in cooperation with Brazil. These awards support only the participation of U.S. institutions and students in these consortia. Brazilian institutions participating in any consortium proposal responding to the invitational priority may apply, respectively, to the Coordination of Improvement of Personnel of Superior Level (CAPES), Brazilian Ministry of Education, for additional funding under a separate but parallel Brazilian competition.

Program Authority: 20 U.S.C. 1138–1138d.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary awards.

Estimated Available Funds: The Administration has requested \$300,000 for this program for FY 2004. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$25,000–\$30,000 for FY 2004; \$190,000–\$210,000 for 4-year duration of grant.

Estimated Average Size of Awards: \$200,000.

Estimated Number of Awards: 12.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 48 months.

III. Eligibility Information

1. Eligible Applicants: Institutions of higher education or combinations of institutions and other public and private nonprofit institutions and agencies.

2. Cost Sharing or Matching: This program does not involve cost sharing or matching.

IV. Application and Submission Information

1. Address to Request Application Package: Beverly Baker, Fund for the Improvement of Postsecondary Education, U.S. Department of Education, 1990 K Street, NW., suite 6140, Washington, DC 20006–8544. Telephone: (202) 502–7503 or by e-mail: Beverly.Baker@ed.gov or Education Publications Center (ED Pubs), P.O. Box 1398, Jessup, MD 20794–1398. Telephone (toll free): 1–877–433–7827. FAX: (301) 470–1244. If you use a telecommunications device for the deaf (TDD), you may call (toll free): 1–877–576–7734.

You may also contact ED Pubs at its Web site: <http://www.ed.gov/pubs/edpubs.html> or you may contact ED Pubs at its e-mail address: edpubs@inet.ed.gov.

If you request an application from ED Pubs, be sure to identify this competition as follows: CFDA number 84.116M.

If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1–800–877–8339.

Individuals with disabilities may obtain a copy of the application package in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section. However, the Department is not able to reproduce in an alternative format the standard forms included in the application package.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: 10 single spaced or 20 double spaced 8.5" x 11" sized pages (font size 12), with 1 inch margins on the top, bottom and the sides. The page limit does not apply to the cover sheet, the abstract, the budget section and budget narrative, the assurances and certifications; the short resumes, or letters of support.

Our reviewers will not read any pages of your application that—

- Exceed the page limit if you apply these standards; or
