Background

The FHWA in consultation with the Federal Transit Administration, published a final rule on Statewide and Metropolitan Planning on January 24, 2003, at 68 FR 3176. After reviewing the final published document, the agencies realized that there was a mistake in the definition of the non-metropolitan local official. The definition indicated that a non-metropolitan local official, "means the elected or appointed officials of general purpose * * *"; however, the word "or" that follows the word "elected" and precedes the word "appointed" should be an "and". In the section-by-section analysis section of the preamble, the agencies explain that the definition should read "elected and appointed officials of general purpose * * *".

The language for the definition of non-metropolitan local official was jointly proposed by the National Association of Counties (NACO) representing the local governments, the National Association of Development Organizations (NADO) representing local officials and the American Association of State and Highway Transportation Officials (AASHTO) representing the State DOTs. The agencies reviewed this proposed definition and believed it had merit because it came from the organizations whose members are most impacted by the final rule. Therefore, this correction merely changes the "or" to an "and" to

accurately reflect the definition we intended to appear in the final rule.

Rulemaking Analyses and Notices

Executive Order 12866 (Regulatory Planning and Review) and DOT Regulatory Policies and Procedures

The FHWA and the FTA have determined that this action is not a significant regulatory action within the meaning of Executive Order 12866 and the U.S. Department of Transportation regulatory policies and procedures. This action merely corrects a definition used in the final rule to remove the word "or" and replace it with the word "and" as stated in the preamble to the final rule. This correction is not a substantive change to the rule, but rather, is a ministerial change necessary to accurately reflect the intent of the agencies.

Regulatory Flexibility Act

In compliance with the Regulatory Flexibility Act (Pub. L. 96-354, 5 U.S.C. 601-612), the FHWA and the FTA have evaluated the effects of this final rule on small entities and has determined it will not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Reform Act of 1995

This rule does not impose unfunded mandates as defined by the Unfunded Mandates Reform Act of 1995 (Pub L. 104-4, March 22, 1995, 109 Stat. 48). This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million in any one year.

Executive Order 13132 (Federalism)

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, and the agencies have determined that this action does not have sufficient federalism implications to warrant the preparation of a Federalism assessment. The FHWA and the FTA have also determined that this action does not preempt any State law or State regulation or affect the States' ability to discharge traditional State governmental functions.

Executive Order 12372 (Intergovernmental Review)

Catalog of Federal Domestic Assistance Program Number 20.205, Highway Planning and Construction; 20.500 Federal Transit Capital Improvement Grants; 20.505, Federal Transit Metropolitan Planning Grants; 20.507, Federal Transit Formula Grants; 20515, State Planning and Research.

The FHWA and the FTA have analyzed this action for the purpose of the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4347) and have determined that this action will not have any effect on the quality of environment.

Executive Order 13175 (Tribal Consultation)

The FHWA and the FTA have analyzed this action under Executive Order 13175, dated November 6, 2000. This action will not have substantial direct effects on one or more Indian tribes; will not impose substantial direct compliance costs on Indian tribal governments; and will not preempt tribal law. Therefore, a tribal summary impact statement is not required.

Executive Order 13211 (Energy Effects)

We have analyzed this action under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that this rule is not a significant energy action under EO 11321 because this rule is not a significant regulatory action and it is not likely to have a significant adverse effect on the supply, distribution, or use of energy. Therefore, a Statement of Energy Effects under Executive Order 13211 is not required.

Executive Order 12988 (Civil Justice Reform)

This action meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Executive Order 13045 (Protection of Children)

We have analyzed this action under Executive Order 13045, protection of Children from Environmental Health Risks and Safety Risks. This action is not an economically significant rule and does not concern an environmental risk to health or safety that may disproportionately affect children.

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Parts 4022 and 4044

Benefits Payable in Terminated Single-Employer Plans; Allocation of Assets in Single-Employer Plans; Interest Assumptions for Valuing and Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: The Pension Benefit Guaranty Corporation’s (PBGC) regulations on Benefits Payable in Terminated Single-Employer Plans and Allocation of Assets in Single-Employer Plans prescribe interest assumptions for valuing and paying benefits under terminating single-employer plans. This final rule amends the regulations to adopt interest assumptions for plans with valuation dates in March 2003. Interest assumptions are also published on the PBGC’s Web site (<http://www.pbgc.gov>).

EFFECTIVE DATE: March 1, 2003.

FOR FURTHER INFORMATION CONTACT:

Harold J. Ashner, Assistant General Counsel, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005, 202–326–4024. (TTY/TDD users may call the Federal relay service toll-free at 1–800–877–8339 and ask to be connected to 202–326–4024.)

SUPPLEMENTARY INFORMATION: The PBGC’s regulations prescribe actuarial assumptions—including interest assumptions—for valuing and paying plan benefits of terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions are intended to reflect current conditions in the financial and annuity markets.

Three sets of interest assumptions are prescribed: (1) A set for the valuation of benefits for allocation purposes under section 4044 (found in Appendix B to Part 4044), (2) a set for the PBGC to use to determine whether a benefit is payable as a lump sum and to determine lump-sum amounts to be paid by the PBGC (found in Appendix B to Part 4022), and (3) a set for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using the PBGC’s historical methodology (found in Appendix C to Part 4022).

Accordingly, this amendment (1) adds to Appendix B to Part 4044 the interest assumptions for valuing benefits for allocation purposes in plans with
