Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork

Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301) 443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: The National Health Service Corps (NHSC) Scholarship Program In-School Worksheets (OMB No. 0915-0250)—Extension

The National Health Service Corps (NHSC) Scholarship Program was established to help alleviate the geographical and specialty maldistribution of physicians and other health practitioners in the United States. Under this program, health professional students are offered scholarships in return for services in a federally-designated Health Professional Shortage Area (HPSA). If awarded an NHSC Scholarship, the Program requires the schools and the awardees to review and complete data collection worksheets for

each year that the student is a NHSC Scholar.

The *Data Sheet* requests that the NHSC Scholar review the form for the accuracy of information such as, social security number, contact information, current curriculum, and date of graduation. If the information is inaccurate, the scholar makes the necessary changes directly on the form. If the inaccurate information pertains to the curriculum or date of graduation, the scholar will make changes directly on the form and include written notification from the school.

The *Verification Sheet* is sent to the school along with a list of the NHSC scholars that are enrolled for the current academic year. The schools verify and/or correct the enrollment status of each of the scholars on the list.

The *Contact Sheet* requests contact information for pertinent school officials. This information is used by the NHSC Scholarship Program for future contacts with the schools. The estimated burden is as follows:

Form name	Number of respondents	Responses per respondent	Hours per response (in minutes)	Total burden hours
Scholar Data Sheet	800	1	10	134
Verification Sheet	300	1	10	50
Contact Sheet	550	1	10	92
Total	1,350	276

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Desk Officer, Health Resources and Services Administration, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: February 17, 2004.

Tina M. Cheatham,

Director, Division of Policy Review and Coordination.

Health Resources and Services Administration

Agency Information Collection Activities: Proposed Collection: Comment Request

In compliance with the requirement for opportunity for public comment on

proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Public Law 104-13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques

or other forms of information technology.

Proposed Project: The Organ Procurement and Transplantation Network—New

The operation of the Organ Procurement and Transplantation Network (OPTN) necessitates certain record keeping and reporting requirements in order to perform the functions related to organ transplantation under contract to HHS. OMB requires review and approval of certain information collection requirements associated with the Final Rule that were not included in previous clearance requests. This is a request for approval of record keeping and reporting requirements associated with the processes for filing appeals in the case where applicants are rejected for membership or designation. To date, no appeals have been filed, and any forthcoming burden requirements for this process will be minimal. In the event of an appeal, the estimate of burden for this process consists of preparing a letter requesting

reconsideration and compiling supporting documentation.

The estimated annual response burden is as follows:

Section	Number of respondents	Responses per respondent	Total responses	Burden hour per respondent	Total burden hour
42 CFR 121.3(b)(4) Appeal for OPTN membership	2	1	2	3	6
42 CFR 121.9(d) Appeal for designation	2	1	2	6	12
Total	4	4	18

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Desk Officer, Health Resources and Services Administration, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: February 17, 2004.

Tina M. Cheatham,

Director, Division of Policy Review and Coordination.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute on Aging and Centers for Medicare and Medicaid Services; Neuroimaging in the Diagnosis of Alzheimer's Disease and Dementia

The National Institute on Aging (NIA) and the Centers for Medicare and Medicaid Services (CMS) are announcing an informational meeting on the scientific evidence for the use of neuroimaging techniques (position emission tomography (PET), single photon emission tomography (SPECT), and magnetic resonance imaging (MRI) in the diagnosis of Alzheimer's disease and other dementias. Questions to be addressed will include whether imaging aids early diagnosis, whether such early diagnosis improves patient-oriented outcomes, and the cost-effectiveness of the use of imaging procedures. The meeting will take place April 5, 2004, in Bethesda, MD, at a location TBA.

All interested parties are invited to attend this meeting.

For further information about the meeting contact: Dr. Susan Molchan at 301-496-9350, e-mail molchans@mail.nih.gov. For information on hotel accommodations, please contact Ms. Joyce Campbell, campbejo@nia.nih.gov.

Dated: February 20, 2004.

Richard J. Hodess,

Director, National Institute on Aging, National Institutes of Health.

National Cancer Institute; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. appendix 2), notice is hereby given of a meeting of the Board of Scientific Counselors, National Cancer Institute.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the contact person listed below in advance of the meeting.

The meeting will be closed to the public as indicated below in accordance with the provisions set forth in section 552b(c)(6), title 5 U.S.C., as amended for the review, discussion, and evaluation of individual intramural programs and projects conducted by the National Cancer Institute, including consideration of personnel qualifications and performance, and the competence of individual investigators, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Board of Scientific Counselors, National Cancer Institute, Subcommittee 1—Clinical Sciences and Epidemiology.

Date: March 15, 2004.

Open: 8:30 a.m. to 10:15 a.m.

Agenda: Joint Session of NCI, Board of Scientific Advisory and BSC Subcommittees.

Place: National Institutes of Health, National Cancer Institute, 9000 Rockville Pike, Building 31, Conference Room 10, Bethesda, MD 20892.

Closed: 10:30 a.m. to 12:30 p.m.

Agenda: To review and evaluate personal qualifications and performance, and competence of individual investigators.

Place: National Institutes of Health, National Cancer Institute, 9000 Rockville Pike, Building 31, Conference Room 6, Bethesda, MD 20892.

Closed: 12:30 p.m. to 5 p.m.

Agenda: To review and evaluate personal qualifications and performance, and competence of individual investigators.

Place: Holiday Inn Bethesda, Versailles III 8120 Wisconsin Avenue, Bethesda, MD 20814.

Contact Person: Abby B. Sandler, PhD, Scientific Review Administrator, Institute Review Office, Office of the Director, National Cancer Institute, National Institutes of Health, 6116 Executive Boulevard, Room 2114, Rockville, MD 20852. (301) 496-7628.

This notice is being published less than 15 days prior to the meeting due to scheduling conflicts.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance into the building by non-government employees. Persons without a government I.D. will need to show a photo I.D. and sign-in at the security desk upon entering the building.
