

Background

On October 27, 2003, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on silicomanganese from Brazil. See *Silicomanganese from Brazil: Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 61185. We invited parties to comment on our preliminary results. We received comments from both the petitioner and the respondent. Currently, the final results of this administrative review are due no later than February 24, 2004.

Extension of Time Limit for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), provides that the Department will issue the final results of an administrative review within 120 days after the date on which the preliminary results were published. It provides further that, if it is not practicable to complete the review within the 120-day period, the Department may extend the period by 60 days.

This review involves complex cost issues, such as high inflation, and the Department needs additional time to consider the arguments raised by the parties after the preliminary results of review. For these reasons, the Department has determined that it is not practicable to complete the final results within the time limits mandated by section 751(a)(3)(A) of the Act. Therefore, in accordance with that section, the Department is extending the time limit for completion of the final results by 21 days. The final results of review are now due no later than March 16, 2004.

Dated: February 23, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration, Group I.

 ("the Department") is extending the
 time limit of the preliminary results of
 the antidumping duty administrative
 review of stainless steel sheet and strip
 in coils from Italy.

EFFECTIVE DATE: March 1, 2004.

 Administration, International Trade
 Administration, U.S. Department of
 Commerce, 14th Street and Constitution

SUPPLEMENTARY INFORMATION:

Background

On July 2, 2003, the Department
 published a notice of opportunity to
 request an administrative review of the
 antidumping duty order on stainless
 steel sheet and strip in coils from Italy.
*See Antidumping or Countervailing
 Duty Order, Finding, or Suspended
 Investigation; Opportunity to Request
 Administrative Review*, 68 FR 39511
 (July 2, 2003). On July 31, 2003,
 Thyssen Krupp Acciai Speciali S.p.A.
 ("TKAST"), an Italian producer of

subject merchandise requested that the
 Department conduct an administrative
 review. Additionally, on July 31, 2003,
 Petitioners requested that the
 Department conduct an administrative
 review of TKAST. On August 22, 2003,
 the Department published a notice of
 initiation of an administrative review of
 the antidumping duty order on stainless
 steel sheet and strip in coils, for the
 period July 1, 2002 through June 30,
 2003. *See Initiation of Antidumping and
 Countervailing Duty Administrative
 Reviews and Requests for Revocation in
 Part*, 68 FR 50750 (August 22, 2003).
 The preliminary results of this
 administrative review are currently due
 no later than April 1, 2004.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the
 Act, and section 351.213(h)(2) of the
 Department's regulations, the
 Department may extend the deadline for
 completion of the preliminary results of
 a review if it determines that it is not
 practicable to complete the preliminary
 results within the statutory time limit of
 245 days from the date on which the
 review was initiated. Due to the
 complexity of issues present in this
 administrative review, such as home
 market affiliated downstream sales, and
 complicated cost accounting issues, the
 Department has determined that it is not
 practicable to complete this review
 within the original time period provided
 in section 751(a)(3)(A) of the Act and
 section 351.213(h)(2) of the
 Department's regulations. Therefore, we
 are extending the due date for the
 preliminary results by 60 days, until no
 later than May 31, 2003. The final
 results continue to be due 120 days after
 the publication of the preliminary
 results.

Dated: February 9, 2004.

*Deputy Assistant Secretary for Import
 Administration, Group III.*
