The statistics are needed to complement information available for the federally administered programs and to more fully explain the impact of the public income support programs on the needy, aged, blind, and disabled. In addition, the expenditure data are used to monitor State compliance with the mandatory pass-along provision.

States use our publications, which are prepared from data submitted on this statistical report, for administrative purposes to compare their expenditures and caseloads with those of other States, to determine the feasibility of program change, and to keep abreast of program developments in other States. Federal personnel request data about State-administered supplementation programs to compare various State programs, to examine the relationship of State supplementation expenditures and caseloads to federally financed programs such as Medicaid, and to determine the effect of changes in SSI and other Federal programs on State supplementation programs. In addition, Federal and State personnel have used data obtained from this report in developing legislative proposals and budget estimates.

Keokuk Junction Railway Co.— Trackage Rights Exemption—Union Pacific Railroad Company

Union Pacific Railroad Company (UP), pursuant to a written trackage rights agreement entered into between UP and Keokuk Junction Railway Co. (KJRY), has agreed to grant overhead trackage rights to KJRY between Hollis, Peoria County, IL (milepost 118.5), and Iowa Junction, Peoria County, IL (milepost 113.6), a total distance of approximately 5.0 miles. KJRY will operate its own trains with its own crews over the UP line under the trackage rights. KJRY indicated that consummation of this transaction was scheduled to occur on February 16, 2005, and that operations would commence thereafter.

As a condition to this exemption, any employees affected by the trackage rights will be protected by the conditions imposed in *Norfolk and Western Ry. Co.—Trackage Rights—BN*, 354 I.C.C. 605 (1978), as modified in *Mendocino Coast Ry., Inc.—Lease and Operate*, 360 I.C.C. 653 (1980).
