An application has been submitted to

imported drill bits currently enter the

states that the imported products may
become subject to duties in the future.
WLS Drilling also indicates that,
although no manufacturing authority is
currently requested, there is the
potential for manufacturing at the site in
the future. Finally, the application states
that the company will benefit from an
FTZ-related exemption from local
property tax.

In accordance with the Board's

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Canned Pineapple Fruit From Thailand: Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: March 7, 2005.

FOR FURTHER INFORMATION CONTACT: Crystal Crittenden or Magd Zalok, at (202) 482-0989 or (202) 482-4162, respectively; Import Administration, AD/CVD Operations, Office 4, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Background

On August 24, 2004, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on canned pineapple fruit from Thailand. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 69 FR 52857 (August 30, 2004). The period of review is July 1, 2003, through June 30, 2004.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. The preliminary results of this antidumping duty administrative review of canned pineapple fruit from Thailand are currently scheduled to be completed on April 2, 2005. However, the Department finds that it is not practicable to complete the preliminary results in this administrative review within this time limit because additional time is needed to fully address issues relating to the home market viability, as well as to conduct mandatory verifications of the questionnaire responses and supplemental questionnaire responses.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the preliminary results of this review until August 1, 2005, which is the next business day after 365 days from the last day of the anniversary month of the date of publication of the order. The deadline for the final results of this administrative review continues to be 120 days after the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: February 28, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.
