Background

Section 9 of the ESA and Federal regulations prohibit the "take" of a fish and wildlife species listed as endangered or threatened. Under the ESA, the following activities are defined as take: Harass, harm, pursue, hunt, shoot, wound, kill, trap, capture or collect listed animal species, or attempt to engage in such conduct (16 U.S.C. 1538). However, under section 10(a) of the ESA, we may issue permits to authorize "incidental take" of listed species. "Incidental take" is defined by the ESA as take that is incidental to, and not the purpose of, carrying out an otherwise lawful activity. Regulations
