II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed

rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Background. NYSE Rule 351 ("Reporting Requirements") specifies several occurrences, incidents, and periodic information that the Membership must report to the Exchange. NYSE Rule 351(d) requires the Membership to report to the Exchange statistical information regarding specified verbal and written customer complaints.³ Each complaint is classified by product and category, and attributed to a registered representative and branch office. The Exchange collects, aggregates, and analyzes these statistics to identify and monitor regulatory problems, focus its field examinations of Member Firms, identify content for its qualification examinations, and modify its continuing education programs. However, there is currently no NYSE rule requiring the Membership to respond to, or even acknowledge, such complaints. Recent Exchange examinations revealed several instances in which Member Firms did not, in fact, respond to or acknowledge customer complaints.

2. Statutory Basis

Proposed new Rule 401A and the corresponding amendment to NYSE Rule 476A are consistent with the requirements of Section 6(b)(5)⁴ of the Exchange Act, which requires that the rules of the Exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest in that it improves customer relations, supervision of registered representatives, early detection of potential regulatory problems, prevention of future securities violations, identification of issues requiring more thorough coverage in continuing education programs, and oversight of the Membership. The proposed rule change is also consistent with Section 6(b)(6)⁵ of the Exchange

³ NYSE Information Memo No. 03-38, dated September 19, 2003, specifies that "[a]ll complaints, regardless of how delivered (oral, written, e-mail or fax), are required to be reported to the Exchange."

⁴ 15 U.S.C. 78f(b)(5).

⁵ 15 U.S.C. 78f(b)(6).

Act, which requires the rules of the Exchange to provide for its members and persons associated with its members to be appropriately disciplined for violations of those rules through fitting sanctions, including the imposition of fines.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposal does not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send e-mail to rule-comments@sec.gov. Please include File Number SR-NYSE-2004-59 in the subject line.

Paper Comments

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609.

All submissions should refer to File Number SR-NYSE-2004-59. This file number should be included on the

subject line of e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro/shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the NYSE.

All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submission should refer to File Number SR-NYSE-2004-59 and should be submitted on or before March 28, 2005.
