SUPPLEMENTARY INFORMATION: Under section 6(c) of the Randolph-Sheppard Act (the Act), 20 U.S.C. 107d-2(c), the Secretary publishes in the **Federal Register** a synopsis of each arbitration panel decision affecting the administration of vending facilities on Federal and other property.

Background

This dispute concerns the alleged improper denial of Ms. Faye Autry's bid request to transfer to another facility under the Kentucky Department for the Blind's transfer and promotion policies, in violation of the Act (20 U.S.C. 107 *et seq.*), the implementing regulations in 34 CFR part 395, and State rules and regulations.

A summary of the facts is as follows: In January 1999 the Kentucky Department for the Blind, the State licensing agency (SLA), notified vendors of an opening to provide food services at the Fort Knox Military Base in Fort Knox, Kentucky.

On February 26, 1999, the SLA was awarded the food service contract. Prior to receiving the food service contract, the SLA's Upward Mobility Selection Committee (the Committee) interviewed and rated each of the six finalists including Ms. Autry (complainant). The SLA used criteria established by the SLA's rules and regulations governing the transfer and promotion of vendors in the Kentucky Business Enterprise Program (BEP).

On February 9, 1999, the Committee discussed the applicants and made its recommendation to the SLA's Director of BEP. The Director, who participated in the February 9th discussions, concurred with the Committee's recommendation, awarding the vending facility management position at Fort Knox to a vendor other than Ms. Autry.

Following the Committee's decision, complainant requested a State fair hearing based upon her dissatisfaction with the Committee's choice of another vendor. At complainant's request, a fair hearing on this matter was held on May 12, 13, and 27, June 4 and 25, and July 15, 1999. In a decision dated February

14, 2000, the hearing officer ruled that Ms. Autry failed to demonstrate that the Committee and the SLA improperly applied State rules and regulations governing transfer and promotion in this case.

On March 20, 2000, the SLA informed complainant it had adopted the hearing officer's decision as final agency action. Complainant sought review by a Federal arbitration panel of that decision.

Arbitration Panel Decision

The issue heard by the panel was whether the Kentucky Department for the Blind violated the Act, 20 U.S.C. 107 *et seq.*, the implementing regulations in 34 CFR part 395, and its own rules and regulations in allegedly improperly denying complainant's bid on the vending facility at the Fort Knox Military Base.

After reviewing all of the records and hearing testimony of witnesses, the majority of the panel ruled that the SLA acted properly and in full and fair compliance with the Act, implementing regulations, and State rules and regulations. Therefore, the panel denied complainant's grievance.

The views and opinions expressed by the panel do not necessarily represent the views and opinions of the U.S. Department of Education.
