

Lease or conveyance will be subject to the following terms, conditions, and reservations:

1. Provisions of the R&PP Act and to all applicable regulations of the Secretary of the Interior.
2. All valid existing rights documented on the official public land records at the time of lease/patent issuance.
3. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove the minerals.
4. Any other reservations that the authorized officer determines appropriate to ensure public access and proper management of Federal land and interests therein.

Upon publication of this notice in the **Federal Register**, the land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease or conveyance under the R&PP Act and leasing under the mineral leasing laws.

On or before June 6, 2005, interested persons may submit comments regarding the proposed lease/conveyance or classification of the land to the BLM Las Cruces Field Manager.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective on June 20, 2005.

Classification Comments: Interested parties may submit comments involving the suitability of the land for the K-5 Elementary School. Comments on the classification is restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Additional Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a school site.

Dated: March 9, 2005.

Tim L. Sanders,

Acting Field Manager, Las Cruces.

BILLING CODE 4310-VC-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1090 (Preliminary)]

Superalloy Degassed Chromium From Japan

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (Commission) determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from Japan of superalloy degassed chromium, provided for in subheading 8112.21.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

Commencement of Final Phase Investigation

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigation. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of an affirmative preliminary determination in the investigation under section 733(b) of the Act, or, if the preliminary determination is negative, upon notice of an affirmative final determination in that investigation under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigation need not enter a separate appearance for the final phase of the investigation. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Background

On March 4, 2005, a petition was filed by Eramet Marietta Inc., Marietta, OH, and the Paper, Allied-Industrial, Chemical and Energy Workers

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

International Union, Local 5-0639, Belpre, OH, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of superalloy degassed chromium from Japan. Accordingly, effective March 4, 2005, the Commission instituted antidumping duty investigation No. 731-TA-1090 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of March 14, 2005 (70 FR 12499). The conference was held in Washington, DC, on March 25, 2005, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on April 18, 2005. The views of the Commission are contained in USITC Publication 3768 (April 2005), entitled *Superalloy Degassed Chromium from Japan: Investigation No. 731-TA-1090 (Preliminary)*.

By order of the Commission.

Issued: April 18, 2005.

Marilyn R. Abbott,

Secretary to the Commission.
