

the release of the public notice announcing that the Commission is prepared to grant a winning bidder's long-form application, each winning bidder will be required to submit the balance of the net amount of its winning bids (gross bids less any applicable New Entrant bidding credits). Broadcast construction permits will be granted only after the full and timely payment of winning bids and any applicable late fees, in accordance with 47 CFR 1.2109(a).

C. Long-Form Application

125. Within 30 business days after release of the auction closing notice, winning bidders must electronically submit a properly completed FCC Form 346 or FCC Form 301-CA, as appropriate, for each construction permit won through Auction No. 81. Winning bidders claiming new entrant status must include an exhibit demonstrating their eligibility for the bidding credit, as required by 47 CFR 1.2109(a), 73.3573(f)(5)(ii), and 73.5006(d). Further filing instructions will be provided to auction winners at the close of the auction.

D. Default and Disqualification

126. Any high bidder that defaults or is disqualified after the close of the auction (*i.e.*, fails to remit the required down payment within the prescribed period of time, fails to submit a timely long-form application, fails to make full payment, or is otherwise disqualified) will be subject to the payments described in 47 CFR 1.2104(g)(2). In such event, the Commission may re-auction the construction permit or offer it to the next highest bidder (in descending order) at its final bid. In addition, if a default or disqualification involves gross misconduct, misrepresentation, or bad faith by an applicant, the Commission has the discretion to declare the applicant and its principals ineligible to bid in future auctions, and may take any other action that it deems necessary, including institution of proceedings to revoke any existing licenses or construction permits held by the applicant.

E. Refund of Remaining Upfront Payment Balance

127. All applicants that submit upfront payments but are not winning bidders for a construction permit in Auction No. 81 may be entitled to a refund of their remaining upfront payment balance after the conclusion of the auction. No refund will be made unless there are excess funds on deposit from the applicant after any applicable bid withdrawal payments have been

paid. All refunds will be returned to the payer of record, as identified on the FCC Form 159, unless the payer submits written authorization instructing otherwise.

128. Bidders that drop out of the auction completely may be eligible for a refund of their upfront payments before the close of the auction. Qualified bidders that have exhausted all of their activity rule waivers, have no remaining bidding eligibility, and have not withdrawn a provisionally winning bid during the auction must submit a written refund request. If the bidder has completed the specified refund instructions electronically, then only a written request for the refund is necessary. If not, the request must also include wire transfer instructions and FCC Registration Number (FRN). Send refund requests to: Federal Communications Commission, Financial Operations Center, Auctions Accounting Group, Gail Glasser, 445 12th Street, SW., Room 1-C864, Washington, DC 20554.

129. Bidders are encouraged to file their refund information electronically using the Refund Information icon in the FCC Form 175, but bidders can also send their information by facsimile to the Auctions Accounting Group at (202) 418-2843. Once the information has been approved, a refund will be sent to the payer of record, as identified on the FCC Form 159.

Federal Communication Commission.
