Shikha Bhatnagar, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3821.

SUPPLEMENTARY INFORMATION:

Authority: Section 213(b)(2)(A)(v)(II) of the Caribbean Basin Economic Recovery Act, as added by Section 211(a) of the CBTPA; Section 6 of Executive Order No. 13191 of January 17, 2001.

BACKGROUND:

The CBTPA provides for quota- and duty-free treatment for qualifying textile and apparel products. Such treatment is generally limited to products manufactured from yarns and fabrics formed in the United States or a beneficiary country. The CBTPA also provides for quota- and duty-free treatment for apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more CBTPA beneficiary countries from fabric or yarn that is not formed in the United States or a beneficiary country, if it has been determined that such fabric or yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner. In Executive Order No. 13191, the President delegated to CITA the authority to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the CBTPA and directed CITA to establish procedures to ensure appropriate public participation in any such determination. On March 6, 2001, CITA published procedures that it will follow in considering requests. (66 FR 13502).

On January 14, 2004, the Chairman of CITA received a petition from Sandler, Travis & Rosenberg, P.A., on behalf of Outlast Technology, Inc. of Boulder, CO and Bernette Textile Co, LLC of New York, NY, alleging that certain colored open end spun yarns ranging in size from 6/1 to 18/1 English count (10.16/1 to 30.47/1 metric) of a blend of reclaimed and reprocessed cotton and not less than 35 percent nor more than 49 percent by weight of Outlast licensed phase change acrylic staple fiber produced under license from Outlast, for use in chief weight cotton sweaters,

cannot be supplied by the domestic industry in commercial quantities in a timely manner requesting quota- and duty-free treatment under the CBTPA for apparel articles that are cut and sewn in one or more CBTPA beneficiary countries from such yarns. The petition contained the following yarn specifications.

Yarn Specifications:

HTS Sub-headings:	5206.11.00.00, 5206.12.00.00
Description:	Open end spun yarn
Size:	10 to 31 metric count
Fiber Content:	In chief weight of cotton reclaimed from fabric scraps mixed with not less than 35% nor more than 49% producer-dyed acrylic staple produced under license from Outlast Technologies, Inc.

CITA is soliciting public comments regarding this request, particularly with respect to whether this yarn can be supplied by the domestic industry in commercial quantities in a timely manner. Also relevant is whether other yarns that are supplied by the domestic industry in commercial quantities in a timely manner are substitutable for these yarns for purposes of the intended use. Comments must be received no later than February 9, 2005. Interested persons are invited to submit six copies of such comments or information to the Chairman, Committee for the Implementation of Textile Agreements, room 3100, U.S. Department of Commerce, 14th and Constitution Avenue, N.W., Washington, DC 20230.

If a comment alleges that this yarn can be supplied by the domestic industry in commercial quantities in a timely manner, CITA will closely review any supporting documentation, such as a signed statement by a manufacturer of the yarns stating that it produces the yarns that are the subject of the request, including the quantities that can be supplied and the time necessary to fill an order, as well as any relevant information regarding past production.

CITA will protect any business confidential information that is marked business confidential from disclosure to the full extent permitted by law. CITA will make available to the public non-confidential versions of the request and non-confidential versions of any public comments received with respect to a request in room 3100 in the Herbert Hoover Building, 14th and Constitution Avenue, N.W., Washington, DC 20230. Persons submitting comments on a

request are encouraged to include a non-confidential version and a non-confidential summary.

James C. Leonard III,

Chairman, Committee for the Implementation of Textile Agreements.

Department of the Navy

Nominations for Membership on Ocean Research Advisory Panel (ORAP)

AGENCY: Department of the Navy, DOD.

ACTION: Notice.

SUMMARY: The Ocean Research Advisory Panel (ORAP) is soliciting nominations for new members.

DATES: Nominations should be submitted no later than Friday, February 25, 2005.

ADDRESSES: Nominations should be submitted via e-mail to LT Cory Huyssoon, U.S. Navy, at huyssoc@onr.navy.mil. Contact telephone number, 703-696-4395.

FOR FURTHER INFORMATION CONTACT: Dr. Melbourne G. Briscoe, Office of Naval Research, 800 North Quincy Street, Arlington, VA 22217-5660, telephone 703-696-4120.

SUPPLEMENTARY INFORMATION: ORAP is a statutorily mandated federal advisory committee that provides senior scientific advice to the National Oceanographic Research Leadership Council (NORLC), the governing body of the National Oceanographic Partnership Program (NOPP). ORAP advises the NORLC on policies, procedures, selection of projects and the allocation of funds, as well as other responsibilities that NORLC considers appropriate.

Panel Member Duties and Responsibilities: Members of the panel represent the National Academy of Sciences, the National Academy of Engineering, the Institute of Medicine, ocean industries, state governments, academia, and others including individuals who are eminent in the fields of marine science, marine policy, or related fields. Members are appointed for not more than four years, and are not normally compensated except for travel expenses and per diem while away from their homes in performance of services for the panel.

The panel meets for at least one two-day public meeting per year, but possibly meets three times per year, on dates agreeable by the panel members;

attendance at meetings is expected. Intercessional activities may be carried out electronically, and the panel may establish sub-panels composed of less than full membership to carry out panel duties.

Nominations: Any interested person or organization may nominate qualified individuals for membership on the panel. Nominated individuals should have extended expertise and experience in the field of ocean science. Nominations should be identified by name, occupation, position, address, telephone number, e-Mail address, and a brief paragraph describing their qualifications in the context of the ORAP Charter (<http://www.nopp.org/Dev2Go.web?id=221086>). It would be most helpful if a résumé or curriculum vitae is included.

Process and Deadline for Submitting Nominations: Submit nominations via e-Mail to huyssoc@onr.navy.mil no later than February 25, 2005. Nominations will be acknowledged and nominators will be informed of the new panel members, which are ultimately selected and approved. From the nominees identified by respondents to this **Federal Register** notice, the ORAP Nomination Committee will down select to a short-list of available candidates (150% of the available open positions for consideration). The selected candidates will be required to fill-out the "Confidential Financial Disclosure Report" OGE Form 450. This confidential form will allow Government officials to determine whether there is a statutory conflict between the person's public responsibilities and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The OGE Form 450 and additional guidance may be viewed from the following URL address: (<http://www.ethics.navy.mil/forms.asp#450>).

In accordance with section 7903 of title 10, United States Code, the short-list of candidates will then be submitted for approval by the Secretary of the Navy with concurrence by the Secretary of Defense. In order to have the collective breadth of experience in the panel and maintain full panel membership, six new candidates are expected to be selected with terms to begin in July 2005.

The selection of new panel members will be based on the nominee's qualifications to provide senior scientific advice to the NORLC; the availability of the potential panel member to fully participate in the panel meetings; absence of any conflict of interest or appearance of lack of

impartiality, and lack of bias; the candidates' areas of expertise and professional qualifications; and achieving an overall balance of different scientific perspectives and expertise on the panel.

Dated: January 13, 2005.

I.C. Le Moyne Jr.,

Lieutenant, Judge Advocate General's Corps, U.S. Navy, Alternate Federal Register Liaison Officer.
