

would be difficult to produce using the very limited material covered in the IPCC Third Assessment Report. At its 20th session (February 2003), the IPCC decided to prepare a Special Report (which, like a full assessment report, covers all available literature) and approved an outline and schedule. Working Group III is overseeing preparation of this Special Report, which is being written by a team of over 100 authors under established IPCC rules and procedures.

The IPCC Secretariat has informed the U.S. Department of State that the second-order SRCCS draft is available for expert and Government review. The Climate Change Science Program Office (CCSPO) is coordinating the solicitation of comments by U.S. experts and stakeholders to inform development of an integrated set of U.S. Government comments on the report. Instructions on how to format comments are available at <http://www.climatechange.gov/Library/ipcc/srccs-review.htm>, as is the document itself. Comments must be sent to CCSPO by 23 February 2005 to be considered for inclusion in the U.S. Government collation.

TIME AND DATE: Properly formatted comments should be sent to CCSPO at srccs-USGreview@climatechange.gov by COB Wednesday, 23 February 2005. Include report acronym and reviewer surname in e-mail subject title to facilitate processing.
