SUPPLEMENTARY INFORMATION: In accordance with 10 CFR 205.282(b), notice is hereby given of the issuance of the Proposed Decision and Order set out below. (Robert J. Martin).

The OHA has proposed to distribute these funds in the currently-existing

Dated: June 29, 2005.

Fred L. Brown,

Acting Deputy Director, Office of Hearings and Appeals.

Proposed Decision and Order

Names of Firms: BPM Ltd., Honeymon Drilling Co., Intercontinental Oil, Knox Oil, Pescar Trading, Shepherd Oil, Inc., Sierra Petroleum Co., Thriftway Co., and Western Refining Co. (Robert J. Martin).

Date of Filing: June 21, 2005.

Case Numbers: TEF-0001, TEF-0002, TEF-0003, TEF-0004, TEF-0005, TEF-0006, TEF-0007, TEF-0008, and TEF-0009.

I. Background

The Office of General Counsel (OGC) of the Department of Energy (DOE) filed a Petition requesting that the Office of Hearings and Appeals (OHA) formulate and implement subpart V special refund proceedings. Under the procedural regulations of the DOE, special refund proceedings may be implemented to refund monies to persons injured by violations of the DOE petroleum price regulations, provided DOE is unable to readily identify such persons or to ascertain the amount of any refund. 10 CFR 205.280. We have considered OGC's request to formulate refund procedures for the disbursement of monies remitted by the following firms pursuant to administrative or judicial decisions or in settlement of the DOE allegations that the firms had violated the DOE petroleum price control and allocation regulations:

BPM Ltd., Honeymon Drilling Co., Intercontinental Oil, Knox Oil, Pescar Trading, Shepherd Oil, Inc., Sierra Petroleum Co., Thriftway Co., and Western Refining Co. (Robert J. Martin).

We have determined that the refund procedures requested by OGC are appropriate.

A total of \$1,585,576.76 has been remitted to DOE by these firms to remedy violations that occurred during the relevant audit periods. These funds are being held in an escrow account established with the United States Treasury pending a determination of their proper distribution. This Decision sets forth OHA's proposed plan to distribute those funds.

II. Jurisdiction and Authority

The general guidelines that govern OHA's ability to formulate and implement a plan to distribute refunds are set forth at 10 CFR Part 205, subpart V. These procedures apply in situations where the DOE cannot readily identify the persons who were injured as a result of actual or alleged violations of the regulations or ascertain the amount of the refund each person should receive. For a more detailed discussion of subpart V and the authority of the OHA to fashion procedures to distribute refunds, see Office of Enforcement, 9 DOE ¶ 82,508 (1981) and Office of Enforcement, 8 DOE ¶ 82,597 (1981).

III. Refund Procedures

A. Allocation of Remitted Funds

The alleged violations by the above-named firms all concerned the sale of crude oil. Under these circumstances, we propose that all of the funds remitted be allocated for restitution for parties injured by the firms' alleged violations of the crude oil regulations.

B. Refund Procedures for Crude Oil Violations

We propose that the funds should be distributed in accordance with the DOE's Modified Statement of Restitutionary Policy in Crude Oil Cases, (MSRP), see 51 FR 27899 (August 4, 1986). Pursuant to the MSRP, OHA may reserve up to 20 percent of those funds for direct refunds to applicants who claim that they were injured by the crude oil violations. The remaining funds would be distributed to the states and federal government for indirect restitution. We propose to distribute the funds obtained from the two firms in accordance with the MSRP, which was issued as a result of the Settlement Agreement approved by the court in The Department of Energy Stripper Well Exemption Litigation, 653 F. Supp. 108 (D. Kan. 1986). Shortly after the issuance of the MSRP, the OHA issued an Order that announced that this policy would be applied in all subpart V proceedings involving alleged crude
