

Written Submissions: The Commission does not plan to hold a public hearing in connection with the preparation of this report. However, interested persons are invited to submit written statements concerning the matters to be addressed in the report. All written submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street SW., Washington, DC 20436. To be assured of consideration by the Commission, written statements relating to the Commission's report should be submitted to the Commission at the earliest practical date and should be received no later than the close of business on November 30, 2005. All written submissions must conform with the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 of the rules requires that a signed original (or a copy designated as an original) and fourteen (14) copies of each document be filed. In the event that confidential treatment of the document is requested, at least four (4) additional copies must be filed, in which the confidential business information (CBI) must be deleted (see the following paragraph for further information regarding CBI). The Commission's rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, ftp://ftp.usitc.gov/pub/reports/electronic_filing_handbook.pdf). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000 or edis@usitc.gov).

Any submissions that contain CBI must also conform with the requirements of section 201.6 of the Commission's rules (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages clearly be marked as to whether they are the "confidential" or "nonconfidential" version, and that the CBI be clearly identified by means of brackets. All written submissions, except for CBI, will be made available for inspection by interested parties.

The Commission may include any CBI received in the confidential report it sends to the USTR. Should the Commission at a later date make its report available to the public, any CBI received by the Commission in this investigation will not be published in that report in a manner that would reveal the operations of the firm supplying the information.

The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. SUPPLEMENTARY INFORMATION:

Background

In October 2003, the Commission determined, by a two-to-two vote, that an industry in the United States was

materially injured by reason of subject imports of hard red spring wheat from Canada. On June 7, 2005, a binational panel formed under Article 1904 of the NAFTA issued a decision in its review of the Commission's determination. The panel remanded the determination to the Commission with an order to take further action consistent with its instructions. The Commission is directed to issue its remand determination within 90 days of the issuance of the Panel's decision, *i.e.*, by September 6, 2005.

Reopening the Record

In order to assist it in making its determination on remand, the Commission is reopening the record in this investigation to seek additional information with respect to certain of the instructions provided by the panel.

Participation in the Remand Proceedings

Only those interested parties who were parties to the original investigations (*i.e.*, persons listed on the Commission Secretary's service list) may participate in this remand proceeding. No additional filings with the Commission will be necessary for these parties to participate in the remand proceeding. Business proprietary information (BPI) obtained during the remand proceeding will be governed, as appropriate, by the administrative protective order (APO) issued in the original investigations. (Parties who participated in the original investigation, if no longer covered by the APO, are directed to contact the Commission Secretary.)

Written Submissions

Information obtained during the remand investigation will be released to the parties under the administrative protective order ("APO") issued in the original investigations on or about July 19, 2005. The remand staff report will be placed in the nonpublic record on August 1, 2005, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules. Parties that are participating in the remand proceedings may file comments on or before August 8, 2005 with respect to how the record, as supplemented, bears on the issues presented by the panel's remand instructions.

No additional factual information may be included in such comments. Comments shall not exceed 30 pages of textual material, double-spaced and single-sided, on stationery measuring 8½ x 11 inches.

All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain business proprietary information (BPI) must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (Nov. 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or updated BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Parties are also advised to consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subpart A (19 CFR part 207) for provisions of general applicability concerning written submissions to the Commission.
