Agricultural Research Service

Title: Food Stamp Nutrition Connection Resource Sharing Form.

OMB Control Number: 0518-0031.

Summary of Collection: In 2001, the United States Department of Agriculture's Food and Nutrition Service (FNS) established the Food Stamp Nutrition Connection to improve access to Food Stamp Program nutrition resources. The National Agricultural Library's Food and Nutrition Information Center (FNIC) currently develops and maintains this resource system. The voluntary "Sharing Form" would give Food Stamp nutrition education providers the opportunity to share their resources and learn about existing materials. Data collected using this form will help FNIC identify nutrition education and training resources for review and inclusion in an online database. FNS encourages, but does not require or mandate, state Food Stamp nutrition education programs to submit materials to FNIC for inclusion in the Food Stamp Nutrition Connection database.

Need and Use of the Information: FNIC will use the collected information to help build an online database of nutrition education and training materials. Food Stamp nutrition education providers could use this information to identify and obtain curricula, lesson plan, research, training tools and participant materials. The information will be collected using online and printed versions of the form. Failure to collect this information would significantly inhibit FNIC's ability to provide up-to-date information on existing nutrition education materials that are appropriate for Food Stamp nutrition education programs.

Description of Respondents: Not-for-profit institutions; Federal Government; State, Local or Tribal Government; Business or other for-profit.

Number of Respondents: 50.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 16.

Departmental Information Collection Clearance Officer.
