**ADDRESSES:** Send written comments or requests for a copy of the application to NMFS, Office of International Affairs, International Fisheries Division, 1315 East-West Highway, Silver Spring, MD 20910.

#### SUPPLEMENTARY INFORMATION:

#### Background

Section 204(d) of the Magnuson-Stevens Act (16 U.S.C. 1824(d)) provides, among other things, that the Secretary of Commerce (Secretary) may issue a transshipment permit which authorizes a vessel other than a vessel of the United States to engage in fishing consisting solely of transporting fish or

fish products at sea from a point within the U.S. Exclusive Economic Zone (EEZ) or, with the concurrence of a state, within the boundaries of that state to a point outside the United States.

Section 204(d)(3)(D) of the Magnuson-Stevens Act provides that an application may not be approved until the Secretary determines that "no owner or operator of a vessel of the United States which has adequate capacity to perform the transportation for which the application is submitted has indicated ... an interest in performing the transportation at fair and reasonable rates." NMFS is publishing this notice as part of its effort to make such a determination with respect to the application described below.

#### Summary of Application

NMFS has received an application requesting authorization for a Mexican vessel to receive, within the Pacific waters of the U.S. EEZ south of 38°00' N. lat., transfers of live tuna from U.S. purse seiners for the purpose of transporting the tuna alive to an aquaculture facility located in Baja California, Mexico.

Interested U.S. vessel owners and operators may obtain a copy of the complete application from NMFS (see **ADDRESSES**).
