SUPPLEMENTARY INFORMATION:

Background.—Section 316 of the North American Free-Trade Agreement Implementation Act (NAFTA Implementation Act) (19 U.S.C. 3881) requires that the Commission monitor U.S. imports of fresh or chilled tomatoes (HTS heading 0702.00) and fresh or chilled peppers, other than chili peppers (HTS subheading 0709.60.00),

until January 1, 2009, for purposes of expediting an investigation concerning provisional relief under section 202 of the Trade Act of 1974 or section 302 of the NAFTA Implementation Act. Section 316 does not require that the Commission publish reports on this monitoring activity or otherwise make the information available to the public. However, the Commission maintains current data files on tomatoes and peppers in order to conduct an expedited investigation should a request be received. In response to the monitoring requirement, the Commission instituted investigation No. 332–350, *Monitoring of U.S. Imports of Tomatoes* (59 FR 1763) and investigation No. 332–351, *Monitoring of U.S. Imports of Peppers* (59 FR 1762).

The Commission will make its reports available to the public in electronic form, and will maintain electronic copies of its reports on its Web site until one year after the monitoring requirement expires on January 1, 2009. The most recent Commission monitoring reports in this series were published in November 2004 and are available on the Commission's Web site.

Written submissions.—The Commission does not plan to hold a public hearing in connection with preparation of these reports. However, interested persons are invited to submit written statements containing data and other information concerning the matters to be addressed in the reports. All submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street SW., Washington, DC 20436, and should be received no later than the close of business on August 20, 2005. All written submissions must conform with the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 of the rules requires that a signed original (or a copy designated as an original) and fourteen (14) copies of each document be filed. In the event that confidential treatment of the document is requested, as least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, ftp://ftp.usitc.gov/pub/reports/electronic_filing_handbook.pdf).

Any submissions that contain confidential business information must

also conform with the requirements of section 201.6 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available in the Office of the Secretary to the Commission for inspection by interested parties.

The Commission will not publish such confidential business information in the monitoring reports it posts on its Web site in a manner that would reveal the operations of the firm supplying the information. However, the Commission may include such information in the report it sends to the President under section 202 of the Trade Act of 1974 or section 302 of the NAFTA Implementation Act, if it is required to conduct an investigation involving these products under either of these statutory authorities. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Secretary at 202–205–2000.
