

2, Appendix 1. Section 1.4 provides a categorical exclusion for law enforcement and legal transactions, including arrests and investigations. DEPARTMENT OF LABOR

Combating Exploitive Child Labor Through Education in Indonesia and Nepal

AGENCY: Bureau of International Labor Affairs, Department of Labor.
Announcement Type: New. *Notice of Intent To Fund Sole Source Award.*
Catalog of Federal Domestic Assistance (CFDA) Number: Not applicable.

SUMMARY: The U.S. Department of Labor (USDOL), Bureau of International Labor Affairs (ILAB), intends to award USD 2.5 million through a sole source cooperative agreement to Save the Children Federation Inc. (STC), a U.S.-based non-profit organization. This funding will be used over a four-year period to support the current STC project in Indonesia, "Enabling Communities to Combat Child Trafficking through Education," by extending project activities in the earthquake and tsunami stricken region of Aceh and to bring USDOL funded child labor activities in Indonesia to a successful completion. USDOL also intends to award USD 3.5 million through a sole source cooperative agreement to World Education, Inc., a U.S.-based non-profit organization. This funding will support a four-year second phase of World Education's "Brighter Futures Program: Combating Child Labor in Nepal through Education," because the activity to be funded is essential to the satisfactory completion of this project.

ILAB is authorized to award and administer this program by the Consolidated Appropriations Act, 2005, Pub. L. 108-447, 118 Stat. 2809 (2004), which provided funding for USDOL to improve access to basic education in international areas with a high rate of abusive and exploitative child labor through the Child Labor Education Initiative (EI) grant program. Since 1995, USDOL has awarded grants to commercial, international, and non-governmental organizations working to eliminate the worst forms of child labor through the provision of basic education. The cooperative agreements awarded under this initiative will be managed by ILAB's International Child Labor Program to assure achievement of the awards' stated goals.

Indonesia: ILAB finds STC uniquely qualified to implement a major program to rapidly restore the educational sector in Aceh and thereby reduce children's vulnerability to trafficking and other forms of exploitation. STC has worked
