(1) The governance of an existing or proposed Regional Entity within the same region;

(2) Whether a Reliability Standard proposed to apply within the region is just, reasonable, not unduly discriminatory or preferential, and in the public interest;

(3) Whether fees for all activities under this section proposed to be assessed within the region are just, reasonable, not unduly discriminatory or preferential, and in the public interest; and

(4) Any other responsibilities requested by the Commission.

(d) The Commission may give deference to the advice of a Regional Advisory Body established by the Commission if it is organized on an Interconnection-wide basis.

§ 38.11 Reliability reports.

§ 38.12 Review of state action.

(a) Nothing in this regulation shall be construed to preempt any authority of any state to take action to ensure the safety, adequacy, and reliability of electric service within that state, as long as such action is not inconsistent with any reliability standard.

(b) Where a state takes action to ensure safety, adequacy, and reliability of electric service, the Electric

FOR FURTHER INFORMATION CONTACT: Mary Cahill, (202) 307-1823.

SUPPLEMENTARY INFORMATION: The FBI's whistleblower regulations are at 28 CFR part 27; the specific role of the OARM is at 28 CFR part 27.4. This is the basis for the new system of records, "Federal Bureau of Investigation Whistleblower Case Files, JMD-023." The DOJ/JMD proposes to exempt this system of records from 5 U.S.C. 552a(c)(3) and (4); (d)(1), (2), (3), and (4); (e)(1), (2), (3), (5), and (8); and (g). The exemptions will be applied only to the extent that information in a record is subject to exemption pursuant to 5 U.S.C. 552a(j)(2) and (k).

This order relates to individuals rather than small business entities. Nevertheless, pursuant to the requirements of the Regulatory Flexibility Act, 5 U.S.C. 601-612, this order will not have a significant economic impact on a substantial number of small entities.

List of Subjects in 28 CFR Part 16

Administrative Practices and Procedures, Courts, Freedom of Information, Sunshine Act, Privacy.

Pursuant to the authority vested in the Attorney General by 5 U.S.C. 552a and delegated to me by Attorney General Order No. 793-78, it is proposed to amend 28 CFR part 16 as follows:

1. The authority for part 16 continues to read as follows:

Authority: 5 U.S.C. 301, 552, 552a, 552b(g), and 553; 18 U.S.C. 4203(a)(1); 28 U.S.C. 509, 510, 534; 31 U.S.C. 3717, 9701.

§ 16.76 [Amended]

2. Section 16.76 is amended by adding paragraphs (c) and (d) to read as follows:

* * * * *

(c) The following system of records is exempted from 5 U.S.C. 552a(c)(3) and (4); (d)(1), (2), (3), and (4); (e)(1), (2), (3), (5), and (8); and (g): Federal Bureau of Investigation Whistleblower Case Files (Justice/JMD-023). These exemptions apply only to the extent that information in a record contained

within this system is subject to exemptions pursuant to 5 U.S.C. 552a(j)(2) and (k).

(d) Exemption from the particular subsections is justified for the following reasons:

(1) Subsection (c)(3). To provide the subject with an accounting of disclosures of records in this system could inform that individual of the existence, nature, or scope of an actual or potential law enforcement or counterintelligence investigation, and thereby seriously impede law enforcement or counterintelligence efforts by permitting the record subject and other persons to whom he might disclose the records to avoid criminal penalties, civil remedies, or counterintelligence measures.

(2) Subsection (c)(4). This subsection is inapplicable to the extent that an exemption is being claimed for subsection (d).

(3) Subsection (d)(1). Information within this record system could relate to official federal investigations and matters of law enforcement. Individual access to these records could compromise ongoing investigations, reveal confidential informants and/or sensitive investigative techniques used in particular investigations, or constitute unwarranted invasions of the personal privacy of third parties who are involved in a certain investigation. Disclosure may also reveal information relating to actual or potential law enforcement investigations. Disclosure of classified national security information would cause damage to the national security of the United States.

(4) Subsection (d)(2). Amendment of these records could interfere with ongoing criminal or civil law enforcement proceedings and impose an impossible administrative burden by requiring investigations to be continuously reinvestigated.

(5) Subsections (d)(3) and (4). These subsections are inapplicable to the extent exemption is claimed from (d)(1) and (2).

(6) Subsection (e)(1). It is often impossible to determine in advance if investigatory information contained in this system is accurate, relevant, timely and complete, but, in the interests of effective law enforcement and counterintelligence, it is necessary to retain this information to aid in establishing patterns of activity and provide investigative leads.

(7) Subsection (e)(2). To collect information from the subject individual could serve to notify the subject individual that he or she is the subject of a criminal investigation and thereby

present a serious impediment to such investigations.

(8) Subsection (e)(3). To inform individuals as required by this subsection could reveal the existence of a criminal investigation and compromise investigative efforts.

(9) Subsection (e)(5). It is often impossible to determine in advance if investigatory information contained in this system is accurate, relevant, timely and complete, but, in the interests of effective law enforcement and counterintelligence, it is necessary to retain this information to aid in establishing patterns of activity and provide investigative leads.

(10) Subsection (e)(8). To serve notice could give persons sufficient warning to evade investigative efforts.

(11) Subsection (g). This subsection is inapplicable to the extent that the system is exempt from other specific subsections of the Privacy Act.

Dated: August 31, 2005.

Paul R. Corts,

Assistant Attorney General for Administration.
