### Cooperative State Research, Education, and Extension Service

*Title:* Children, Youth, and Families at Risk (CYFAR) Year End Report.

*OMB Control Number:* 0524-0043.

*Summary of Collection:* The Children, Youth, and Families at Risk (CYFAR) funding program supports community-based programs serving children, youth, and families in at risk environments. CYFAR funds are intended to support the development of high quality, effective programs based on research and to document the impact of these programs on intended audiences which are children, youth, and families in at-risk environments. The CYFAR Year End Report collects demographic and impact data from each community site, which is used by the Cooperative State Research, Education, and Extension Service (CSREES). Funding for the CYFAR is authorized under section 3(d) of the Smith-Lever Act (7 U.S.C. 341 *et seq.*), as amended and other relevant authorizing legislation, which provides jurisdictional basis for the establishment and operation of extension educational work for the benefit of youth and families in communities.

*Need and Use of the Information:* The purpose of the CYFAR Year End Report is to collect the demographic and impact data from each community site in order to evaluate the impact of the programs on intended audiences. The CYFAR data is also used to respond to requests for impact information from Congress, the White House, and other Federal agencies. Data from the CYFAR annual reports is used to refine and improve program focus and effectiveness. Without the information CSREES would not be able to verify if CYFAR programs are reaching at risk, low-income audiences.

*Description of Respondents:* State, local or tribal government.

*Number of Respondents:* 50.

*Frequency of Responses:* Reporting: Annually.

*Total Burden Hours:* 16,100.

### Peanut Standards Board

**AGENCY:** Agricultural Marketing Service, USDA.

**ACTION:** Notice; Request for nominations to fill a vacancy.

**SUMMARY:** The Farm Security and Rural Investment Act of 2002 requires the Secretary of Agriculture to establish a Peanut Standards Board (Board) for the purpose of advising the Secretary on quality and handling standards for domestically produced and imported peanuts. The initial Board was appointed by the Secretary and announced on December 5, 2002. USDA seeks nominations for individuals to be considered for selection to the Board to fill a vacant Board position for the remainder of a term of office ending June 30, 2006. The Board consists of 18 members representing producers and industry representatives.

**DATES:** Written nominations must be received on or before October 31, 2005.

**ADDRESSES:** Nominations should be sent to Dawana J. Clark, Marketing Order Administration Branch, Fruit and Vegetable Programs, AMS, USDA, Unit 155, 4700 River Road, Riverdale, MD 20737; Telephone: (301) 734-5247; Fax: (301) 734-5275; E-mail: *Dawana.Clark@usda.gov*.

**SUPPLEMENTARY INFORMATION:** Section 1308 of the Farm Security and Rural Investment Act of 2002 (Farm Bill) requires the Secretary of Agriculture to establish a Peanut Standards Board (Board) for the purpose of advising the Secretary regarding the establishment of quality and handling standards for all domestic and imported peanuts marketed in the United States. The Farm Bill requires the Secretary to consult with the Board before the Secretary establishes or changes quality and handling standards for peanuts.

The Farm Bill provides that the Board consist of 18 members, with three producers and three industry representatives from the States specified in each of the following producing regions: (a) Southeast (Alabama, Georgia, and Florida); (b) Southwest (Texas, Oklahoma, and New Mexico);

and (c) Virginia/Carolina (Virginia and North Carolina).

For the initial appointments, the Farm Bill required the Secretary to stagger the terms of the members so that: (a) One producer member and peanut industry member from each peanut producing region serves a one-year term; (b) one producer member and peanut industry member from each peanut producing region serves a two-year term; and (c) one producer member and peanut industry member from each peanut producing region serves a three-year term. The term "peanut industry representatives" includes, but is not limited to, representatives of shellers, manufacturers, buying points, marketing associations and marketing cooperatives. The Farm Bill exempted the appointment of the Board from the requirements of the Federal Advisory Committee Act. The initial Board was appointed by the Secretary and announced on December 5, 2002.

USDA invites those individuals, organizations, and groups affiliated with the categories listed above to nominate individuals for membership on the Board. Nominees sought by this action would fill a vacant producer member position from the Southeast peanut producing region for the remainder of a 3-year term of office that ends June 30, 2006.

Nominees should complete a Peanut Standards Board Background Information form and submit it to Mrs. Clark. Copies of this form may be obtained at the Internet site: <http://www.ams.usda.gov/fv/peanut-farmbill.htm>, or from Mrs. Clark. USDA seeks a diverse group of members representing the peanut industry. Equal opportunity practices will be followed in all appointments to the Board in accordance with USDA policies. To ensure that the recommendations of the Board have taken into account the needs of the diverse groups within the peanut industry, membership shall include, to the extent practicable, individuals with demonstrated abilities to represent minorities, women, persons with disabilities, and limited resource agriculture producers.

### Farm Service Agency

#### Commodity Credit Corporation

#### Request for Extension and Revision of a Currently Approved Information Collection; Debt Settlement Policies and Procedures

**AGENCY:** Farm Service Agency and the Commodity Credit Corporation, USDA.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the Farm Service Agency (FSA) and the Commodity Credit Corporation (CCC) to request renewal of the information collection currently approved and used in support of the FSA and CCC Debt Settlement Policies and Procedures program. Provisions in the Federal Agriculture Improvement and Reform Act of 1996 and in the Debt Collection Improvement Act of 1996 have resulted in a decrease in burden hours for information collection under the FSA and CCC Debt Settlement Policies and Procedures program.

**DATES:** Comments on this notice must be received on or before November 18, 2005 to be assured consideration.

**FOR FURTHER INFORMATION CONTACT:**

Thomas F. Harris II, Claims Program Specialist, Financial Management Division, Farm Service Agency, USDA, STOP 0581, Washington, DC 20250-0581; telephone (703) 305-1439.

**SUPPLEMENTARY INFORMATION:**

*Title:* Debt Settlement Policies and Procedures.

*OMB Control Number:* 0560-0146.

*Expiration Date of Approval:* March 31, 2006.

*Type of Request:* Extension and Revision of a Currently Approved Information Collection.

*Abstract:* The information collected under the Office of Management and Budget (OMB) Number 0560-0146, as identified above, is needed to enable FSA and CCC to effectively administer the regulations at 7 CFR 792 (FSA) and 7 CFR 1403 (CCC) relating to debt settlement policies and procedures and to the identification of and settlement of outstanding claims. Collection of outstanding debts owed to FSA or to CCC can be effected by installment payments if a debtor furnishes satisfactory evidence of inability to pay a claim in full, and if the debtor specifically requests for an installment agreement. Part of the requirement is that the debtors furnish this request in

writing and with a financial statement or other information that would disclose a debtor's assets and liabilities. This information is required in order to evaluate any proposed plan. Such documentation requests furnished by the debtor are also used in the other collection tools employed by both FSA and CCC in managing debt settlement policies and procedures. If an installment agreement is approved, then a Promissory Note (CCC-279), or an approved alternative promissory note format, must be executed between the debtor and the FSA/CCC representative(s). During the past 2 years, over \$10,687,000 in debt collection was facilitated by the use of this requested information and the establishment of 160 Promissory Notes between Debtors and FSA and CCC. Of that amount, \$4,392,516 has been collected by 08/01/2005, leaving approximately \$6,294,629 outstanding. Total active Note amount for all years is presently \$15,922,583.75, with a total outstanding amount of \$8,638,168.19.

The Debt Collection Improvement Act of 1996 requires the head of an agency to take all appropriate steps to collect delinquent debts before discharging such debts. These steps require the employment of these information collection forms and formats which have been successfully used for the past several years and which have become familiar tools for both the agency employees and for the producer. Thus, forms and formats already exist and are in use. The need to develop and introduce new forms and formats into the marketplace would add additional burdens and costs to both the producer and to the agency in the handling of the claim settlement and collection processes and would create additional burdens not called for under the Debt Collection Improvement Act of 1996.

*Estimate of burden:* Public reporting burden for this information collection is estimated to average 60 minutes per response.

*Respondents:* Producers participating in FSA and CCC programs.

*Estimated number of Annual*

*Respondents:* 100.

*Estimated number of Responses per*

*Respondent:* 1.

*Estimated Total Annual Burden on*

*Respondents:* 100 hours.

Topics for comment include but are not limited to the following: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and
