

investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets. They would merely impose reasonable restrictions on certain recreational activities on certain public lands to protect natural resources and the environment.

Unfunded Mandates Reform Act

These proposed supplementary rules do not impose an unfunded mandate on state, local, or Tribal governments, in the aggregate, or the private sector, of \$100 million or more in any one year; nor do these proposed supplementary rules have a significant or unique effect on small governments. They would merely impose reasonable restrictions on certain recreational activities on certain public lands to protect natural resources and the environment. Therefore, BLM is not required to prepare a statement containing the information required by the Unfunded Mandates Reform Act at 2 U.S.C. 1532.

Executive Order 12630, Governmental Actions and Interference With Constitutionally Protected Property Rights (Takings)

The proposed rule is not government action capable of interfering with constitutionally protected property rights. It simply contains rules of access to an environmentally sensitive area. Therefore, the Department of the Interior has determined that the rule would not cause a taking of private property or require further discussion of takings implications under this Executive Order.

Executive Order 13132, Federalism

The proposed rule will not have a substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. This rule does not come into conflict with any state law or regulation. Therefore, in accordance with Executive Order 13132, BLM has determined that this proposed rule does not have sufficient Federalism implications to warrant preparation of a Federalism Assessment.

Executive Order 12988, Civil Justice Reform

Under Executive Order 12988, the Office of the Solicitor has determined that this proposed rule would not unduly burden the judicial system and that the requirements of sections 3(a) and 3(b)(2) of the Order are met.

Executive Order 13175, Consultation and Coordination With Indian Tribal Governments

In accordance with Executive Order 13175, we have coordinated with seven interested Tribes in 2002: the Quechan, Colorado River Indian Tribes, Fort Mojave Indian Tribe, Cocopah, the eleven Kumeyaay reservations, the Torres-Martinez Desert Cahuilla, and the Morongo Band. As part of this consultation, we interviewed tribal elders and other representatives of these Tribes concerning heritage values at the dunes. In general, the Tribes favored more law enforcement presence to enforce cultural laws. Therefore, in accordance with Executive Order 13175, we have found that this rule does not include policies that have tribal implications.

Paperwork Reduction Act

These supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

Supplementary Rules For the Imperial Sand Dunes Recreation Management Area

Under 43 CFR 8365.1–6, the Bureau of Land Management will enforce the following rules on the public lands within the Imperial Sand Dunes Recreation Management Area, El Centro Field Office, Desert District, California.

You must follow these rules:

1. No person may enter the Adaptive Management Area within the Imperial Sand Dunes Recreation Area without a permit issued by the Bureau of Land Management authorizing such entry. The AMA is clearly signed warning access only to permit holders. Further language directs person(s) to a location and telephone number to obtain the required permit.
2. Entry and use of the area must be during:
 - a. the specified time period displayed on the permit,
 - b. October 15 to March 31.
3. In order to obtain a permit the driver of each vehicle and any individuals walking into the Adaptive Management Area must complete a short resource conservation program.
4. All AMA permits must be signed by the driver of the vehicle or each individual who walks in stating that he/she understands the printed material, including but not limited to the AMA rules and regulations, and a written test proving knowledge of said rules, regulations and all stipulations.

5. Each permit will be assigned to a driver, not a vehicle.

6. A permit flag must be placed directly under the vehicle's existing approved safety flag.

7. With the exception of the microphyll woodlands on the east side of the management area where no access will be allowed. Permit holders must access the Adaptive Management Area through the Adaptive Management Area boundary,

8. Each individual must obey all permit stipulations.

III. Penalties

Under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)) and 43 CFR 8360.0–7, for violation of supplementary rules on public lands within the boundaries established in the rules, you may be tried before a United States Magistrate, fined no more than \$1,000 and/or imprisoned for no more than 12 months. Such violations may also be subject to the enhanced fines provided for by 18 U.S.C. 3571.

Dated: September 23, 2005.
