Comments Invited

In accordance with the Paperwork Reduction Act of 1995, (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to a collection of information, unless it displays a valid OMB control number. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Enhanced Security Procedures at Ronald Reagan National Airport (DCA).

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652-0035.

Forms(s): "Flight Authorization Request Form," "Armed Security Officer Nomination Form," "FBO and Operator Initial Information Survey."

Affected Public: General aviation aircraft operators, crewmembers, and passengers.

Abstract: On July 19, 2005, TSA published an interim final rule (IFR) to restore access to Ronald Reagan National Airport (DCA) for certain aircraft operations while maintaining the security of critical Federal Government and other assets in the Washington, DC metropolitan area. The IFR amended 49 CFR part 1562 by adding a new subpart B entitled Ronald Reagan-Washington National Airport: Enhanced Security Procedures for Certain Operations. The IFR and this information collection apply to all passenger aircraft operations into or out of DCA, except U.S. air carrier operations operating under a full security program required by 49 CFR part 1544 and foreign air carrier operations operating under 49 CFR 1546.101(a) or (b). TSA requires individuals designated as security coordinators by Fixed Based Operators (FBOs) and general aviation aircraft, flight crewmembers who operate general

aviation aircraft into and out of DCA in accordance with the IFR, and armed security officers (ASOs) approved in accordance with the IFR to submit fingerprints and other identifying information. In addition, general aviation aircraft operators are required to provide TSA with identifying information for all individuals onboard each aircraft that operates into and out of DCA. General aviation aircraft operators also are required to provide TSA with the flight plan and registration number of their aircraft that will operate to or from DCA. Finally, aircraft operators and FBOs are required to nominate the individuals they would like to be qualified as ASOs by submitting an ASO Nomination Form to TSA. Once nominated, the ASOs are required to submit identifying information, as well as employment history information, by completing an on-line application.

DEPARTMENT OF HOMELAND SECURITY

U.S. Citizenship and Immigration Services

[CIS No. 2352-05]

RIN 1615-ZA23

Adjustment of the Immigration Benefit Application Fee Schedule; Correction

AGENCY: U.S. Citizenship and Immigration Services, Department of Homeland Security.

ACTION: Notice of correction.

SUMMARY: U.S. Citizenship and Immigration Services (USCIS) published a notice in the **Federal Register** on September 26, 2005 at 70 FR 56182 to increase the fees for immigration benefit applications and petitions to account for cost increases due to inflation. In the fee table of the September 26, 2005 notice, USCIS added a footnote "6" next to the new fee for the Form N-600K. Footnote "6" shows an increase in fee from \$200 to \$215 for an application filed on behalf of an adopted child (as compared to the base fee increase from \$240 to \$255). The placement of this footnote and its lack of specificity regarding which "application" it was meant to

refer to have created some ambiguity regarding the adopted child fee for the Form N-600, which similarly was adjusted from \$200 to \$215 (as compared to the new base fee of \$255 referenced in the Notice). Accordingly, this notice clarifies the prior notice by amending footnote “6” to state specifically that it refers to both the Form N-600 and the Form N-600K.

DATES: This correction is effective October 26, 2005.
FOR FURTHER INFORMATION CONTACT: Paul Schlesinger, Director, Office of Budget, U.S. Citizenship and Immigration Services, 20 Massachusetts Ave., NW., Suite 4052, Washington, DC 20529, telephone (202) 272-1930.

SUPPLEMENTARY INFORMATION:

Need for Correction

As published in the **Federal Register** on September 26, 2005 (70 FR 56182), the Notice contains an error that is in need of correction for the purpose of clarifying the Notice.

Correction of Publication

Accordingly, the publication on September 26, 2005 (70 FR 56182), of the Notice that was the subject of FR Doc. 05-19226 is corrected as follows:
1. On page 56184, immediately after the table, amend footnote “6” by striking “an application” and inserting “a Form N-600 or Form N-600K”.

Dated: October 24, 2005.

Acting Director, Regulatory Management Division.
