

transfer facility as described below. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for Recreation and Public Purposes.

All submissions from organizations or businesses will be made available for public inspection in their entirety. Individuals may request confidentiality with respect to their name, address, and phone number. If you wish to have your name or street address withheld from public review, or from disclosure under the Freedom of Information Act, the first line of the comment should start with the words CONFIDENTIALITY REQUEST in uppercase letters in order for BLM to comply with your request. Such request will be honored to the extent allowed by law. Comment contents will not be kept confidential. Any adverse comments will be evaluated by the State Director, who may sustain, vacate, or modify this realty action.

On November 9, 2005, the subject land will be segregated from all other appropriation under the public land laws, including the general mining laws, except for lease or conveyance under the Recreation and Public Purposes Act. The segregative effect shall terminate upon issuance of a patent or as specified in an opening order to be published in the **Federal Register**, which ever occurs first. In the absence of timely objections, the classification of the land described in this Notice will become effective January 9, 2006. The land will not be offered for lease or conveyance until after the classification becomes effective.

(Authority: 43 CFR 2741.5)

Dated: September 2, 2005.
